

LAIR 78

Lair 78

I sat gazing out into space,
letting my mind wander into
many obstacles in its way.
I sorted through the files
and cabinets of my mind,
and swept away some of the
dust and cobwebs that have accumulated.
I uncovered a variety of subjects
and listings,

both desirable and undesirable,
...intelligence, education, abilities,
ambition, hobbies, interests, accomplishments,
time...lack of time, procrastination,
frustration, confusion, laziness,
submission to obstacles, and so on...
Listlessly flipping through the many
pages of the novels of my life, and
miscellaneous items involved,

I encountered a feeling of despair.
So many blessings—so many obstacles.
Just who am I?
Just where am I going?
Time.
I need so much time,
yet have so little.
I need the time to evaluate;
evaluate me, my life.

As I flipped through more pages,
I realized something.
And then I came across it: A thought.
This thought almost brings tears to my eyes.
Tears that wash away the haze,
and cleanse my eyes,
making them clear so that I may see
Life, and what it is.

We venture forth
into our journey with
open minds, and childlike hearts,
filled with the innocence and wonder
of a child.
Some of us leave feeling
small, uncertain, and afraid;
Others leave feeling
bold, brave and daring
certain of what we want
for the future...

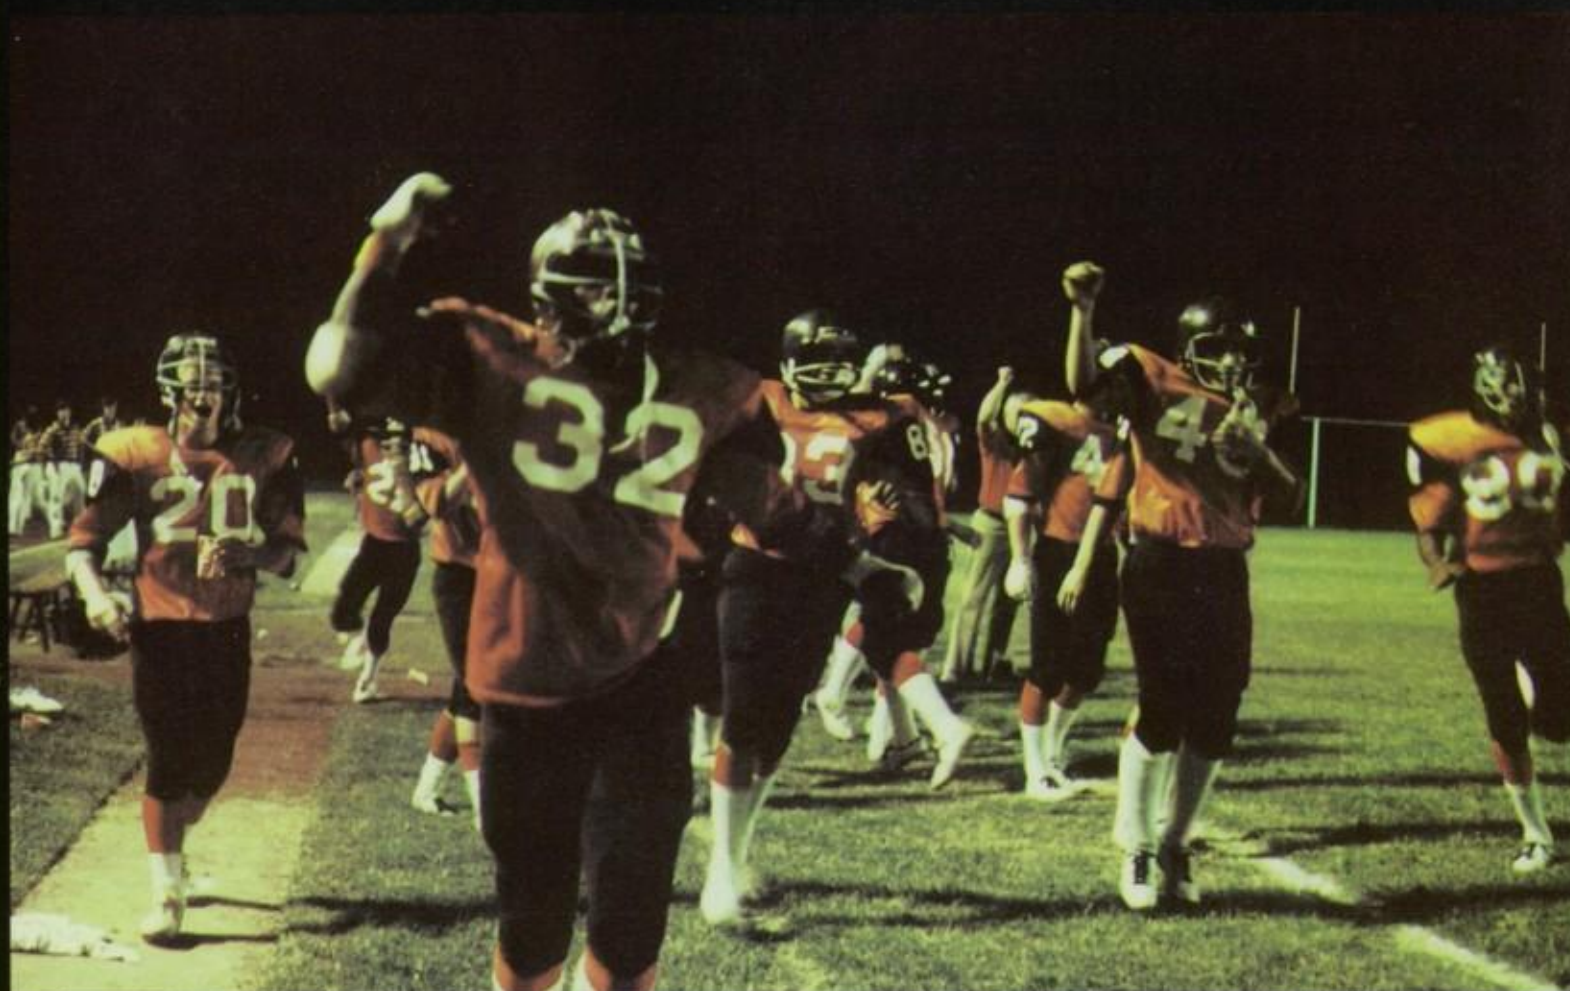

Yet each one of us leaves
with an awareness that
these years mark a turning point
in our lives;
and a time where we all
must face what lies ahead.

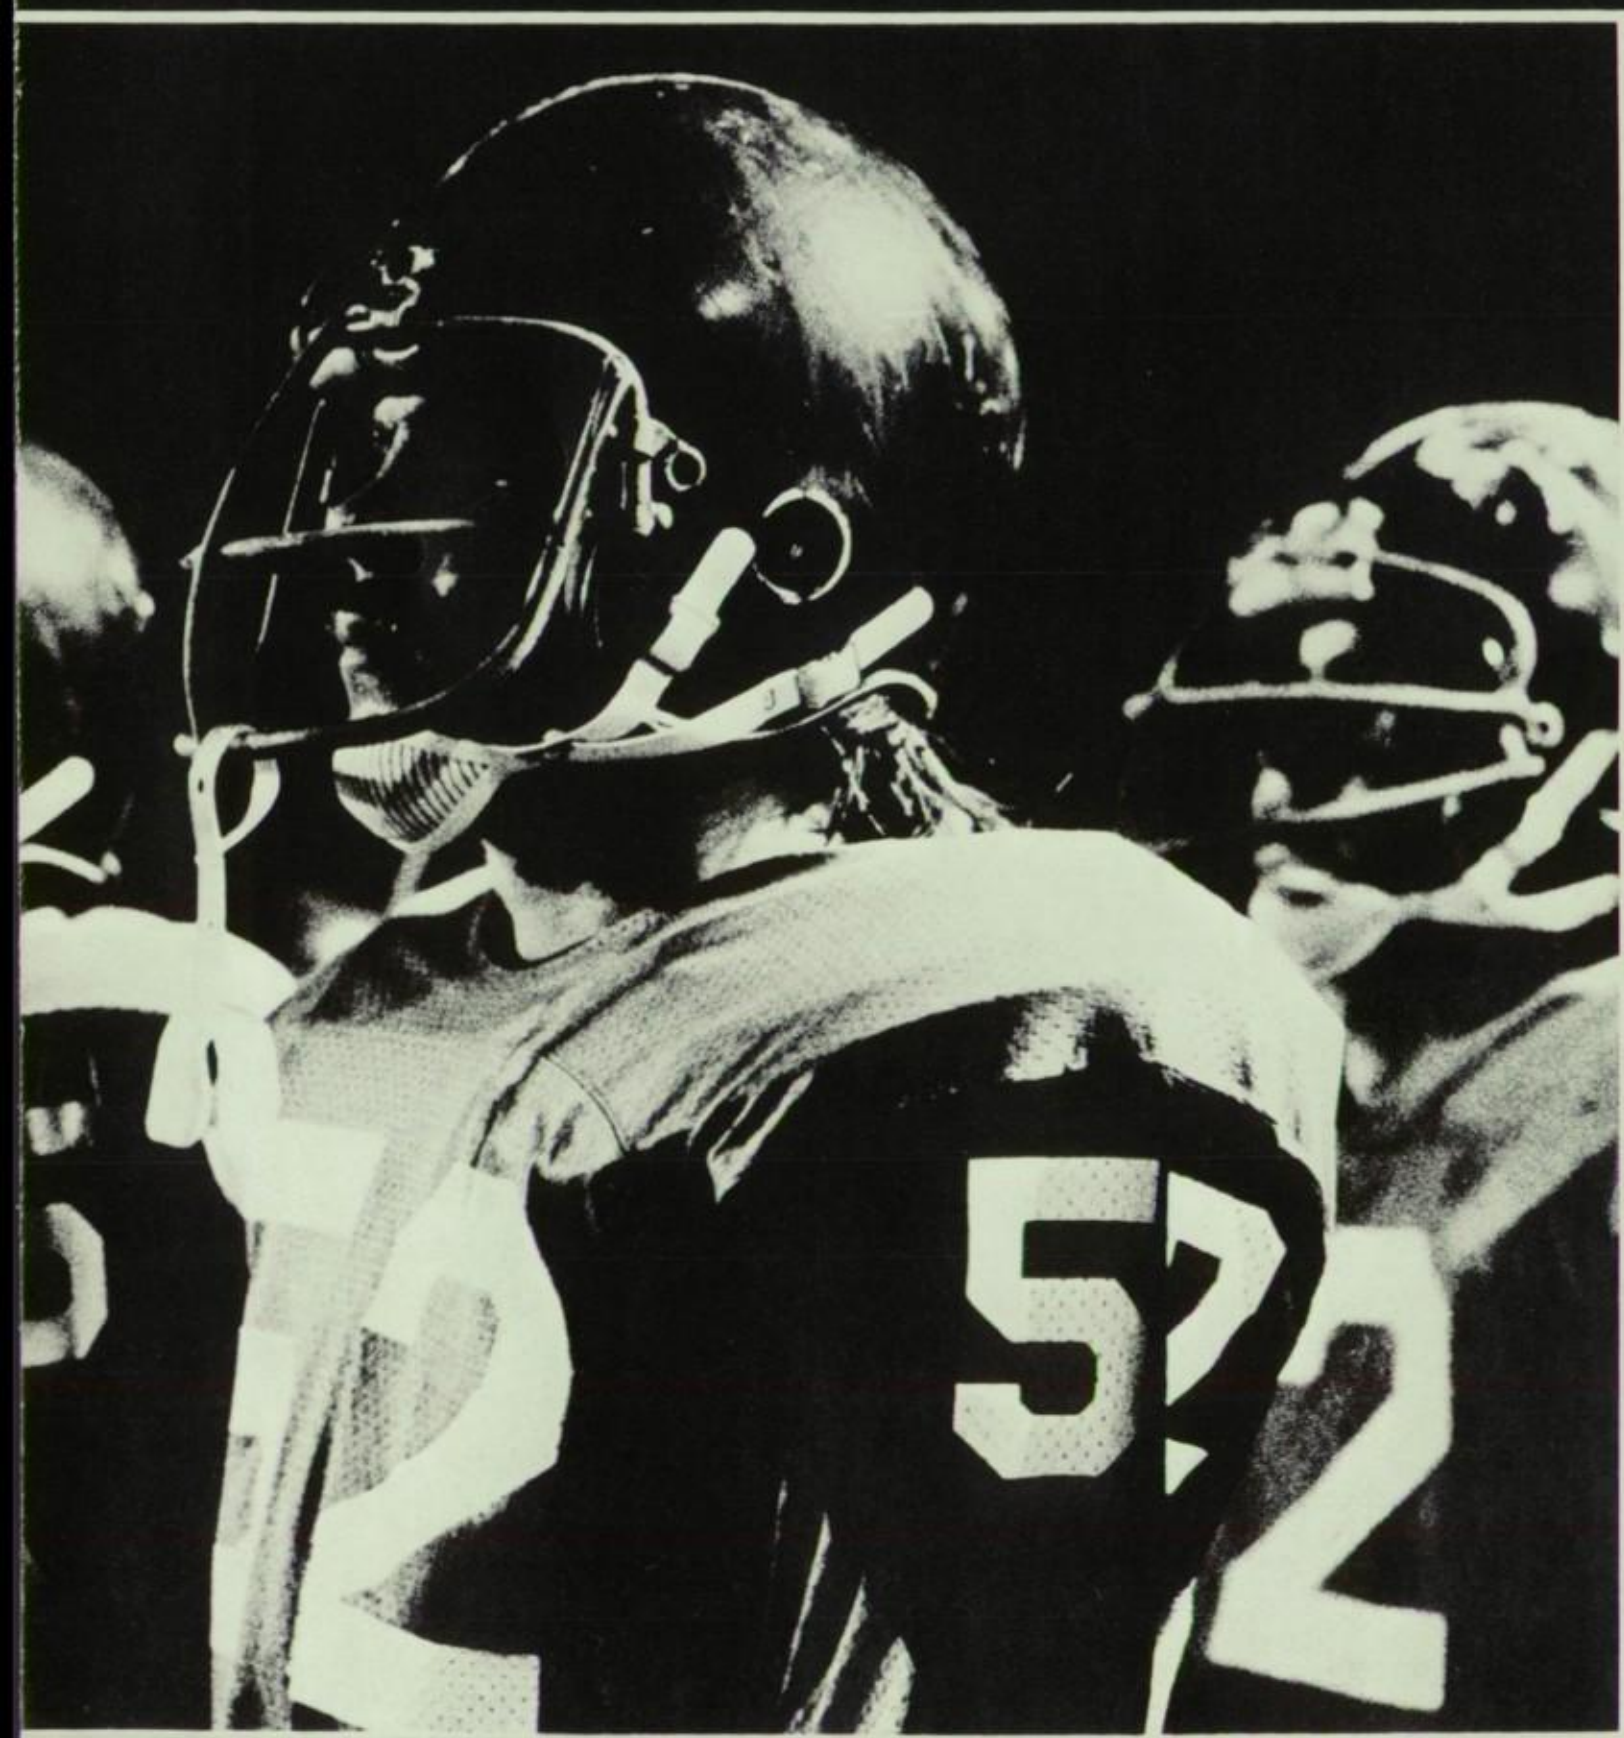

I want to give them something
 But where do I begin
 Life's a game of running
 You never seem to win
 I want to see them cry
 It would be money well-spent
 I think I want to die
 Just to see them glowing
 Oh what I wouldn't give
 I'm in a river rowing
 I'm sitting in a sieve
 I'll never reach the places
 That I'd like to go
 I'm tired of the races
 I'm tired of running slow

My mind is the place
words left unsaid are spoken,
and dreams acted out.

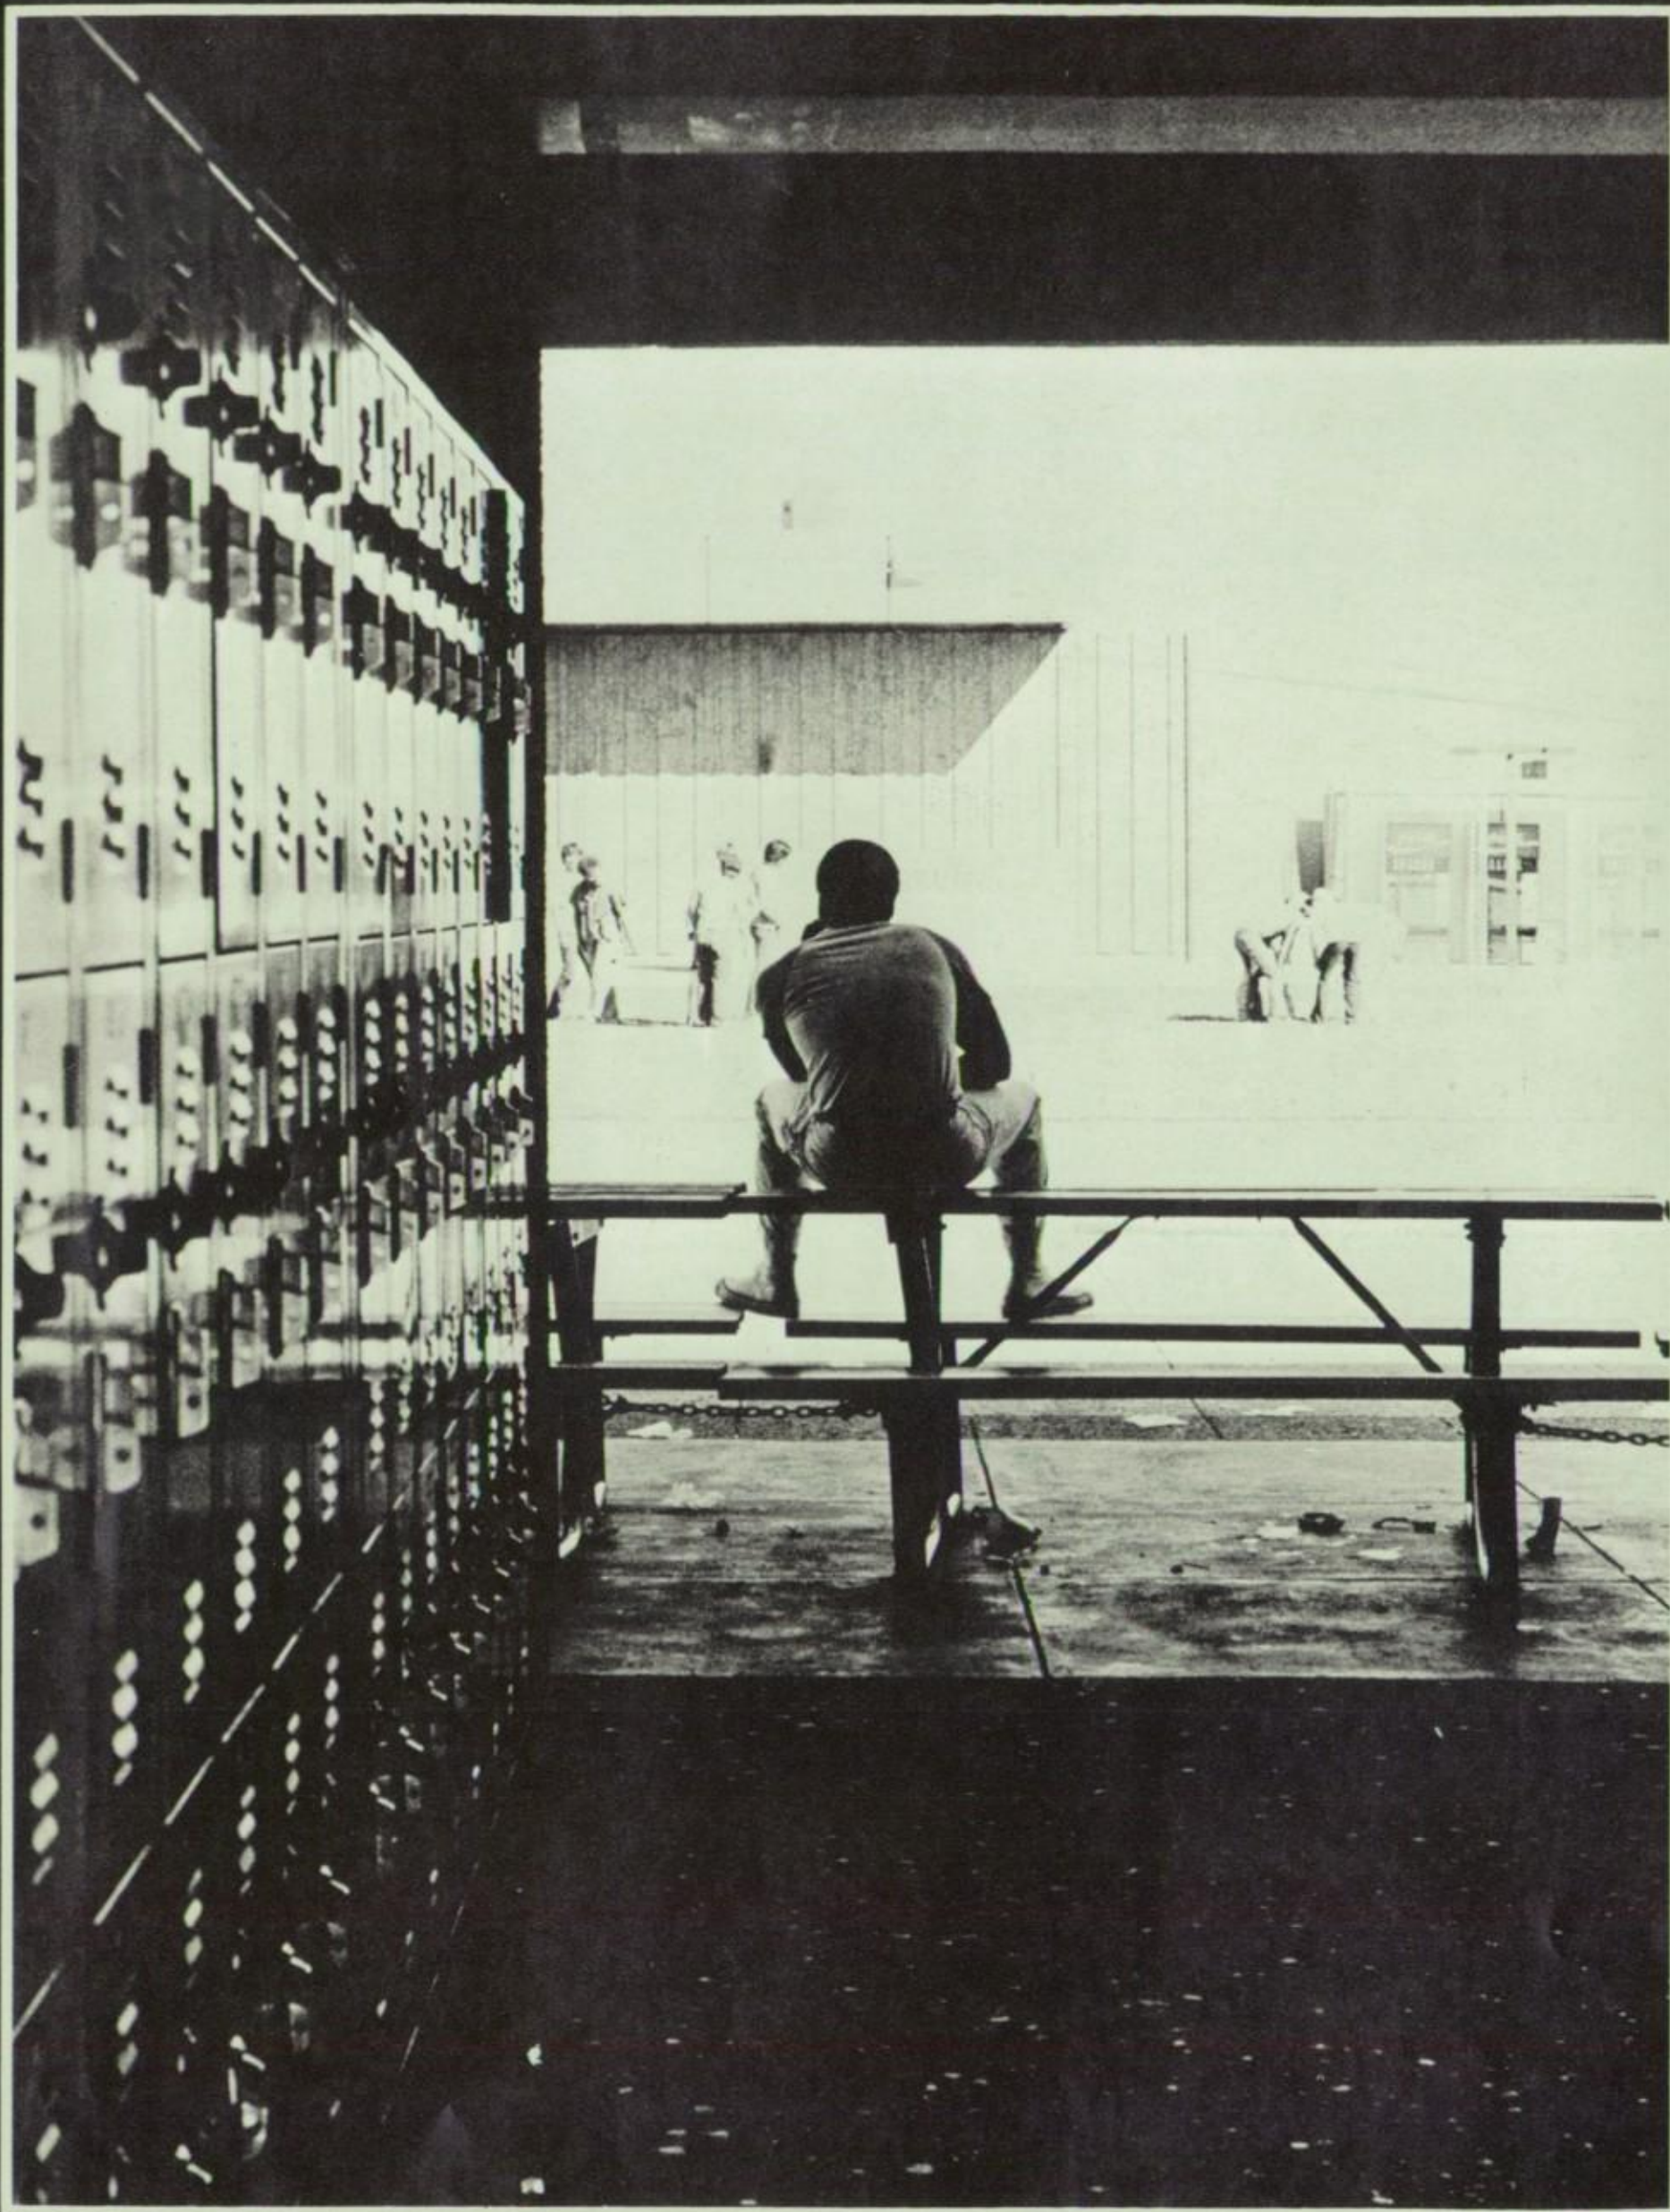

There are times when
I feel a need
to withdraw into myself,
away from this world.
I go into my own little world
and seek out a place of solitude,
where it is quiet,
and I can be alone
without being lonely.
It is here that I can
sand the rough edges of
reality, and life,
Making them smooth,
and less sharp;
easier to hold onto.
In this place
I can sit back,
Reflecting upon moments and memories...

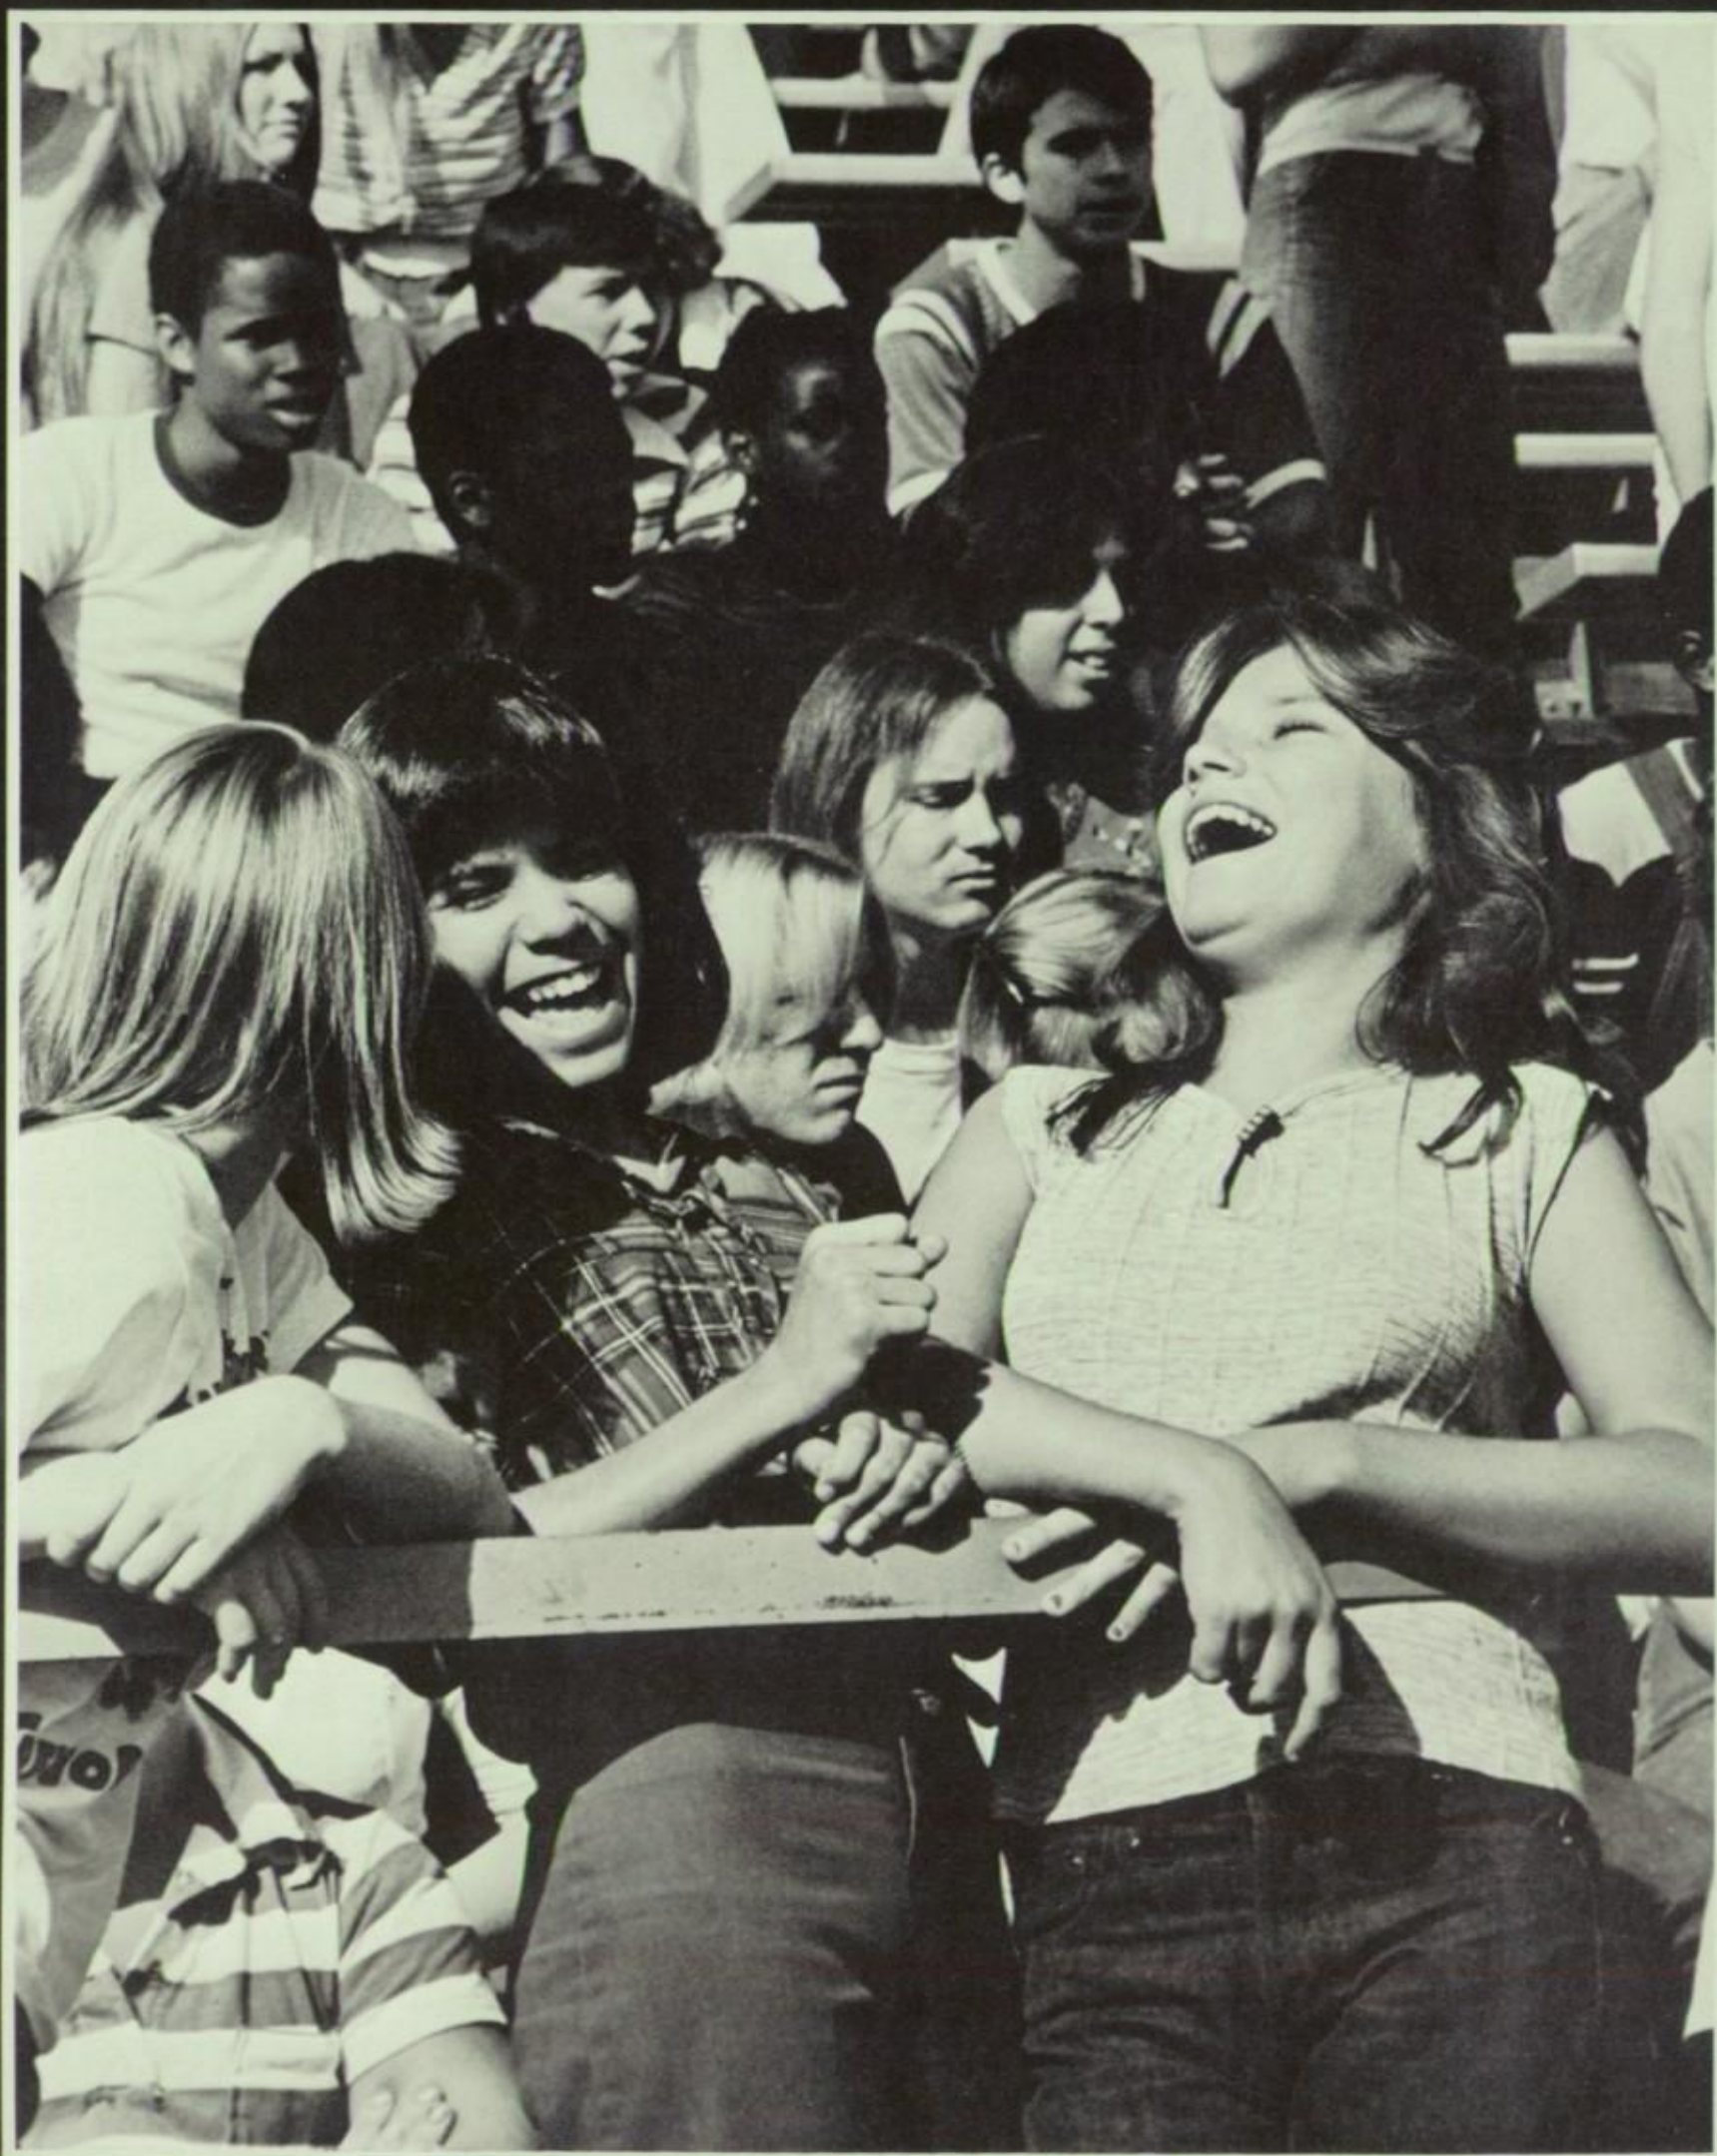

Correcting their mistakes,
making touchups,
taking them apart, and
piecing them together again,
finding the clues to life.
For one learns by
their past experiences
and mistakes.
It is here that I climb
mountains and trees,
and all types of obstacles
so that I may learn
to reach my goals.
This place is where I
search the silence for dreams,
and seek the Truth.
It is where I can find ME.

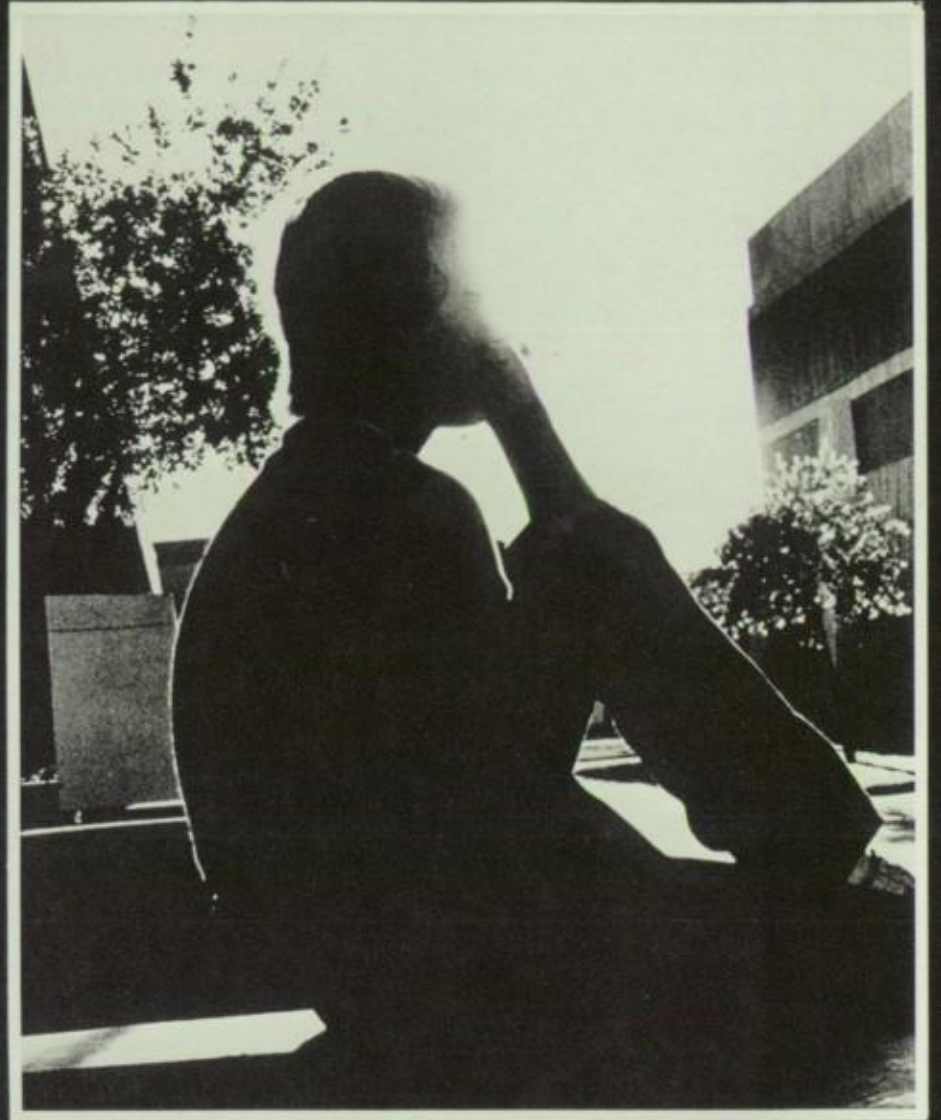

Somewhere in the midst of the
crowds and confusion my
mind became hazy and my
thoughts swirled; Rising
above the commotion into
worlds unknown

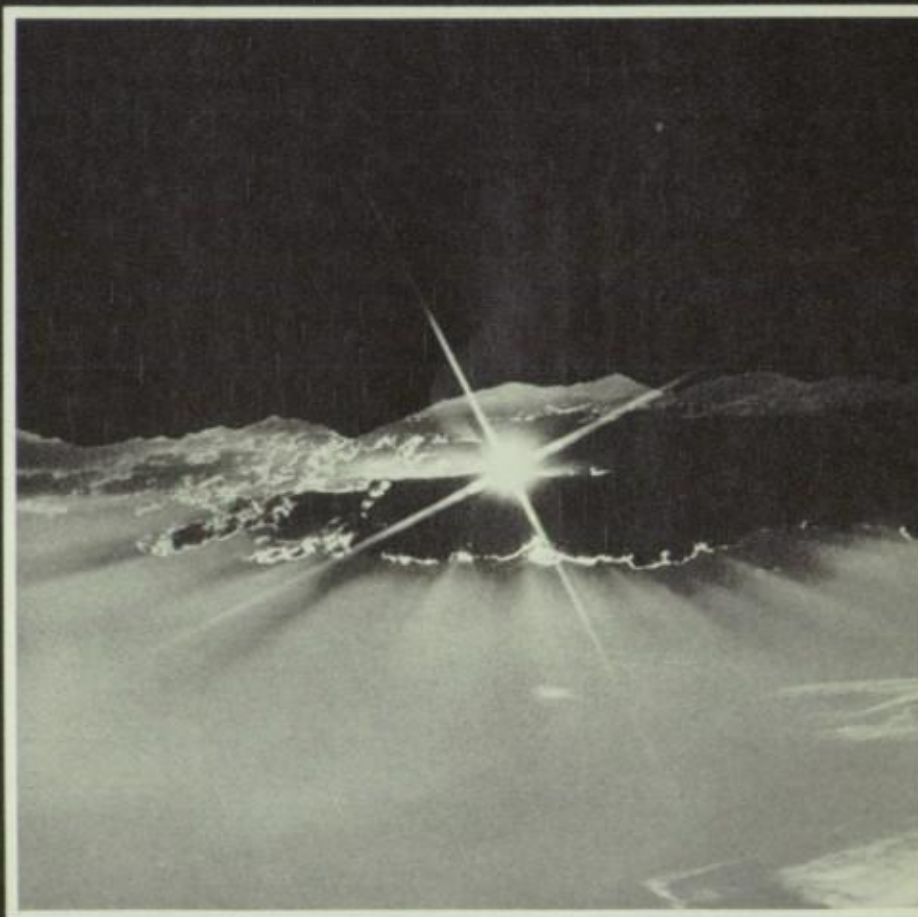

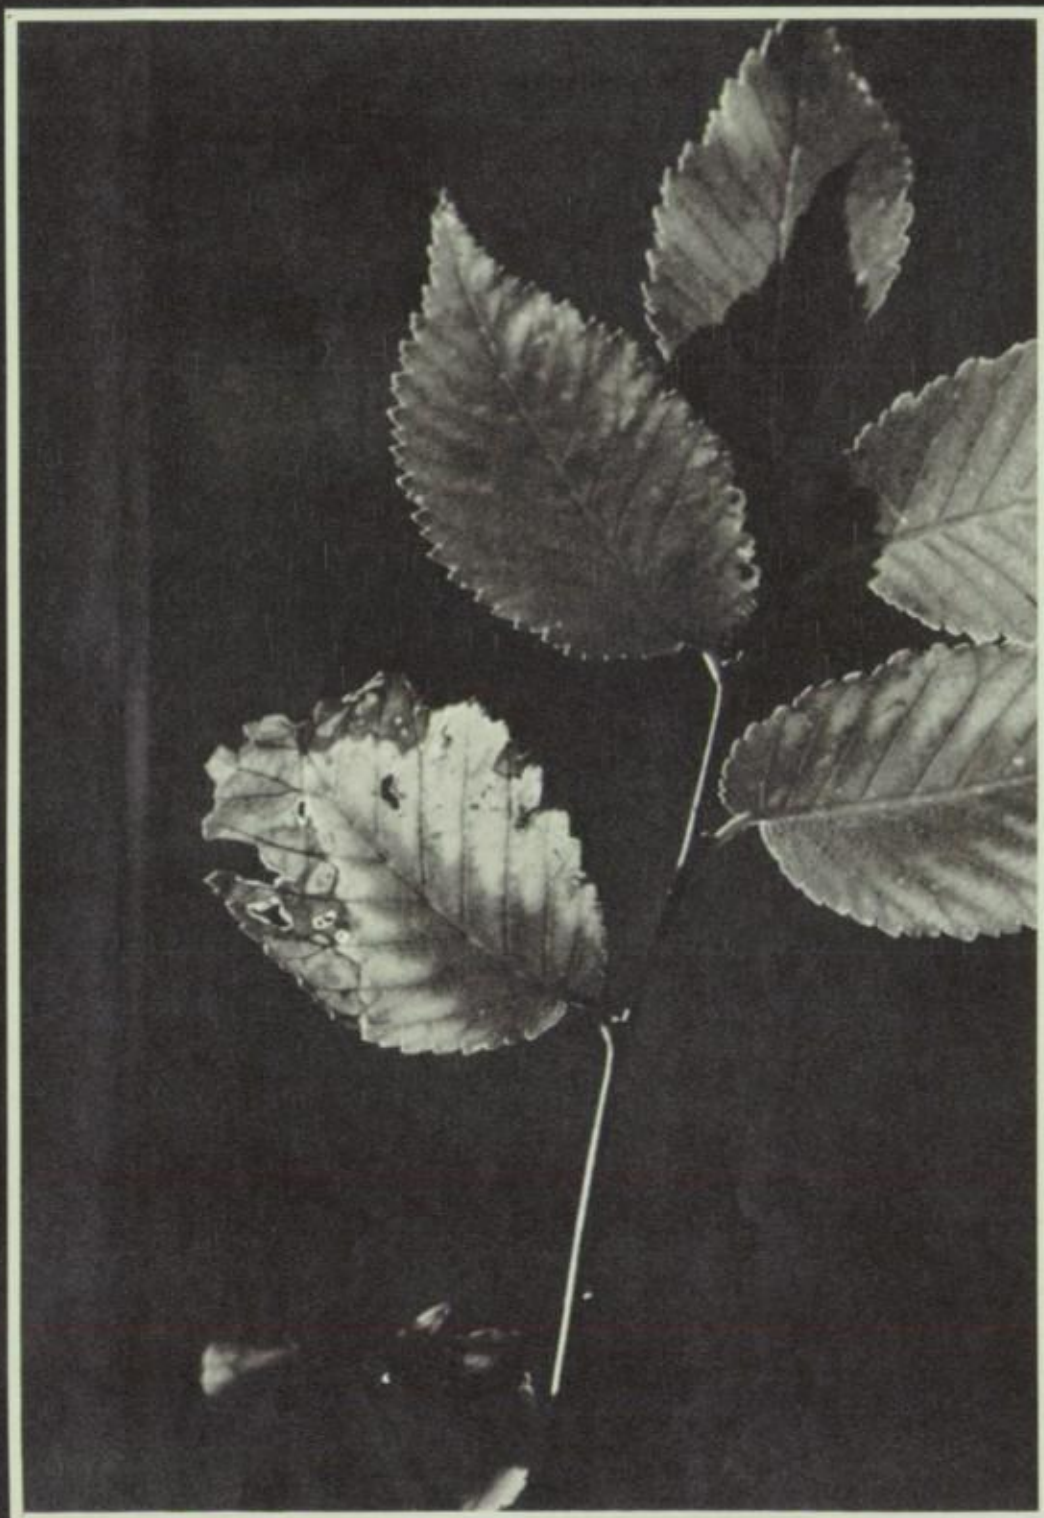

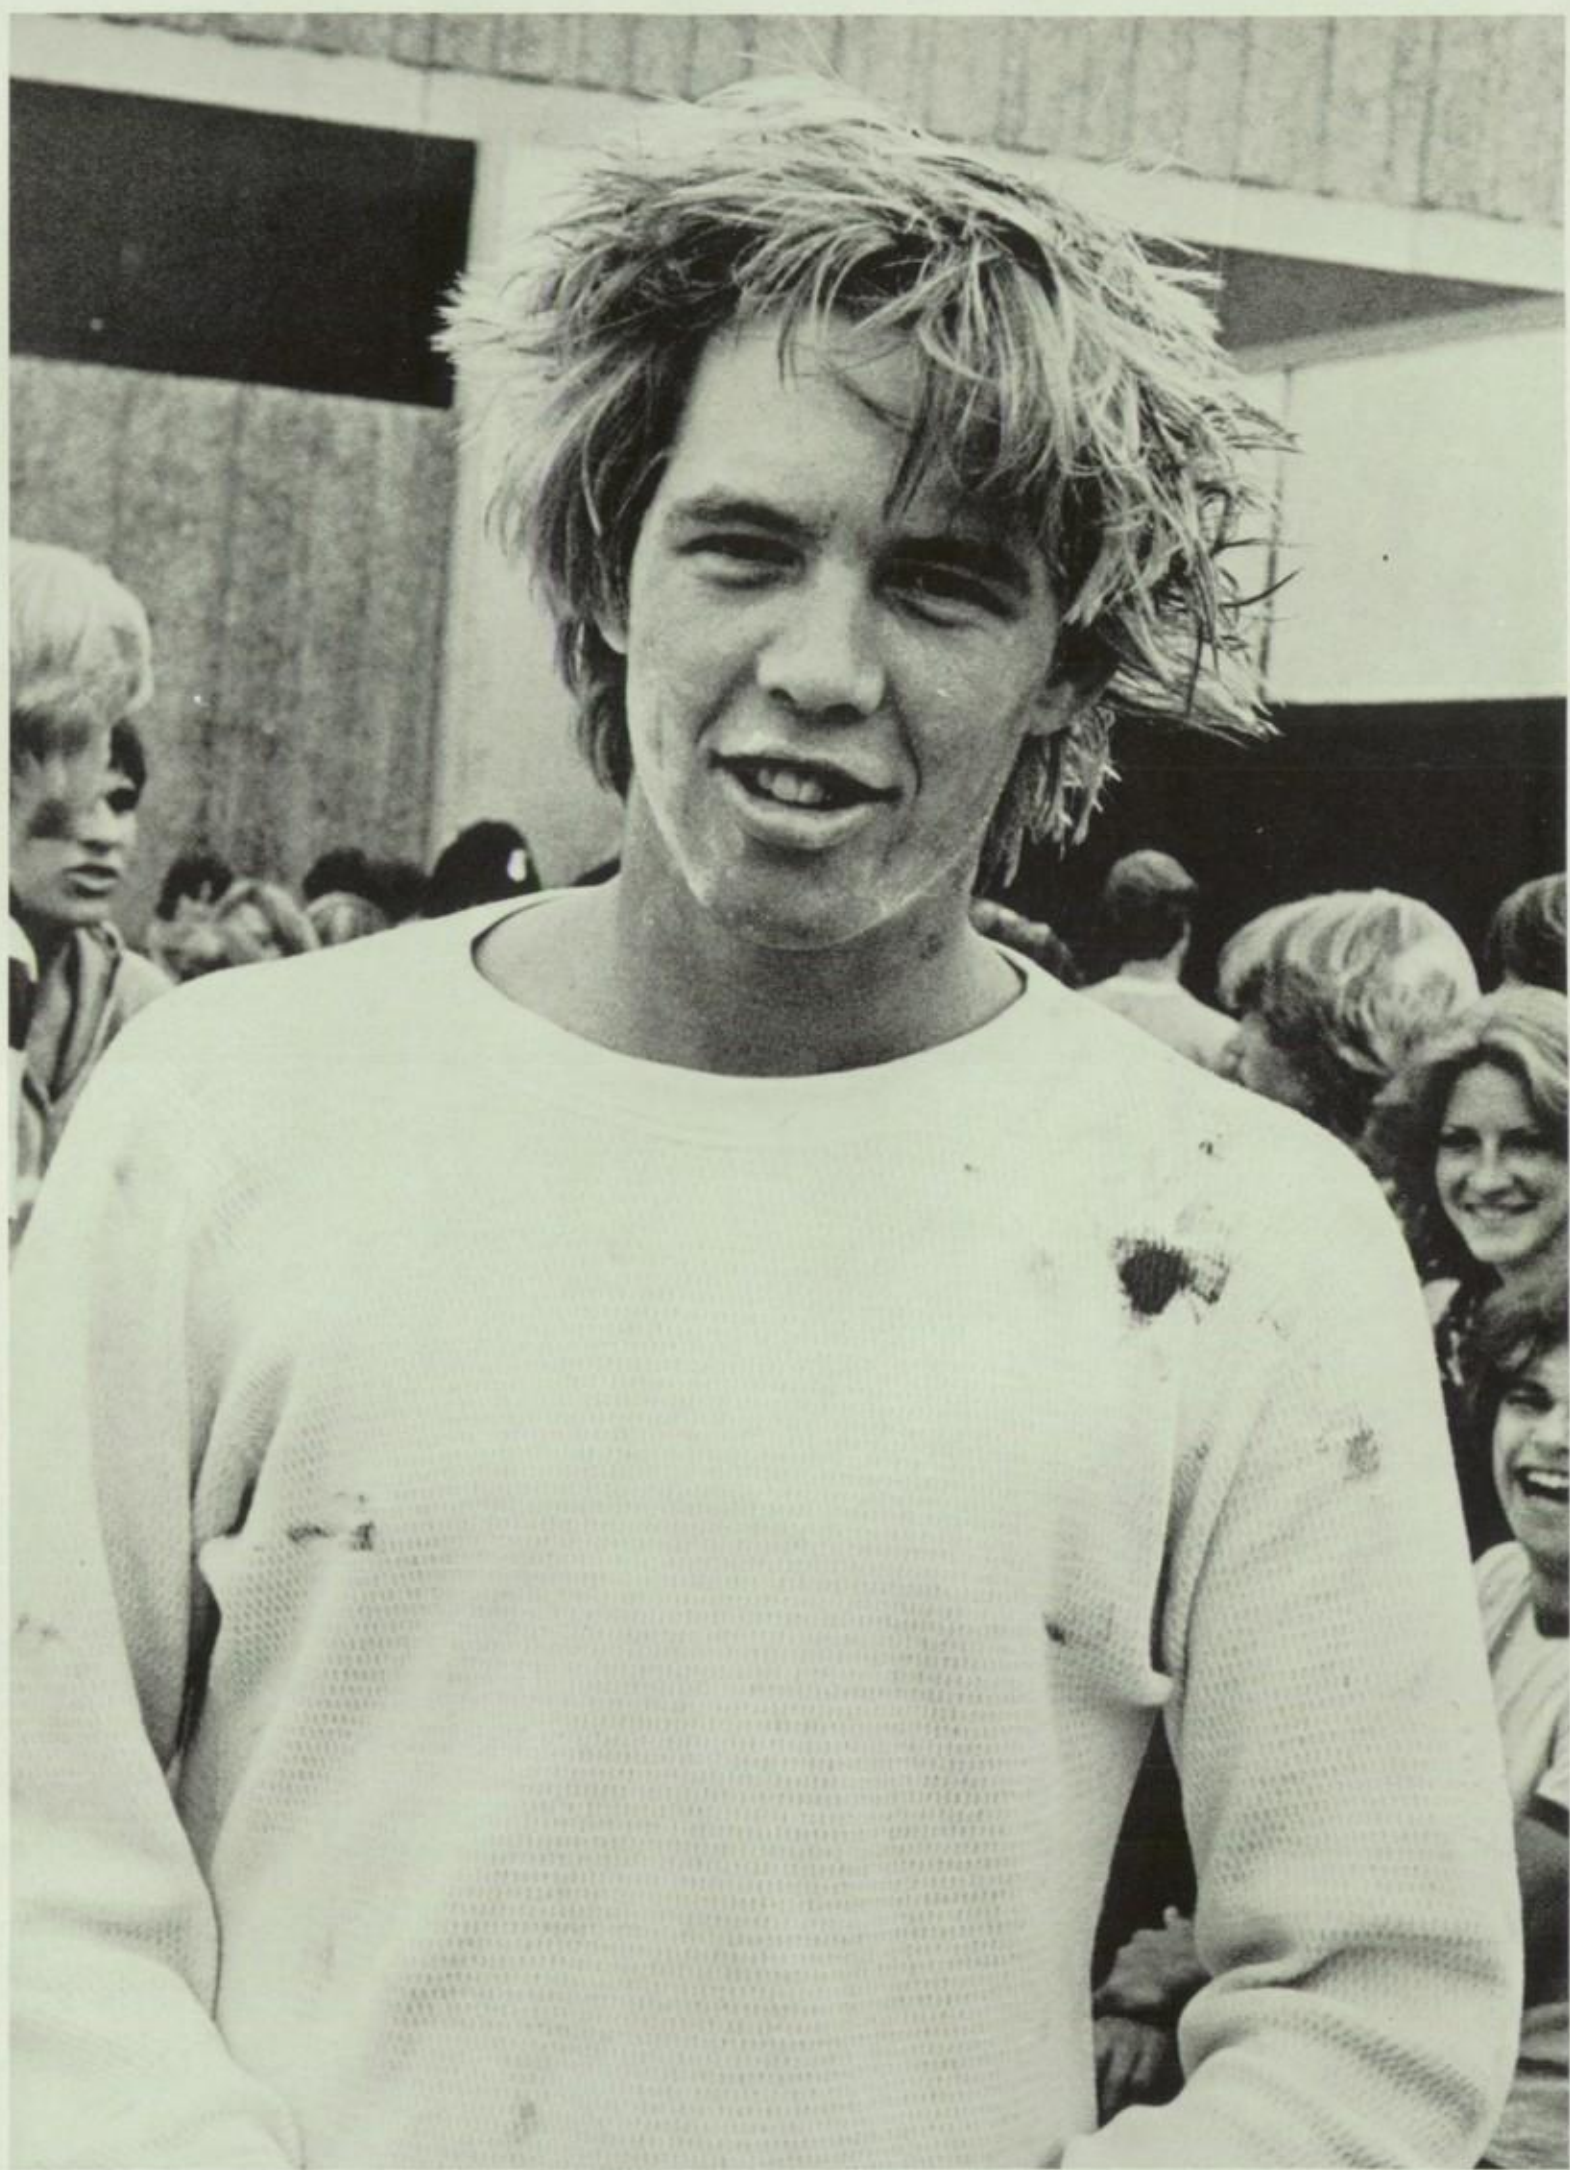

And with my thoughts went my soul,
leaving only a lifeless body- gazing
from blank, trance filled eyes to
search for freedom, truth, peace, and
to search for Me; my identity, which
in the crowd had been misplaced.

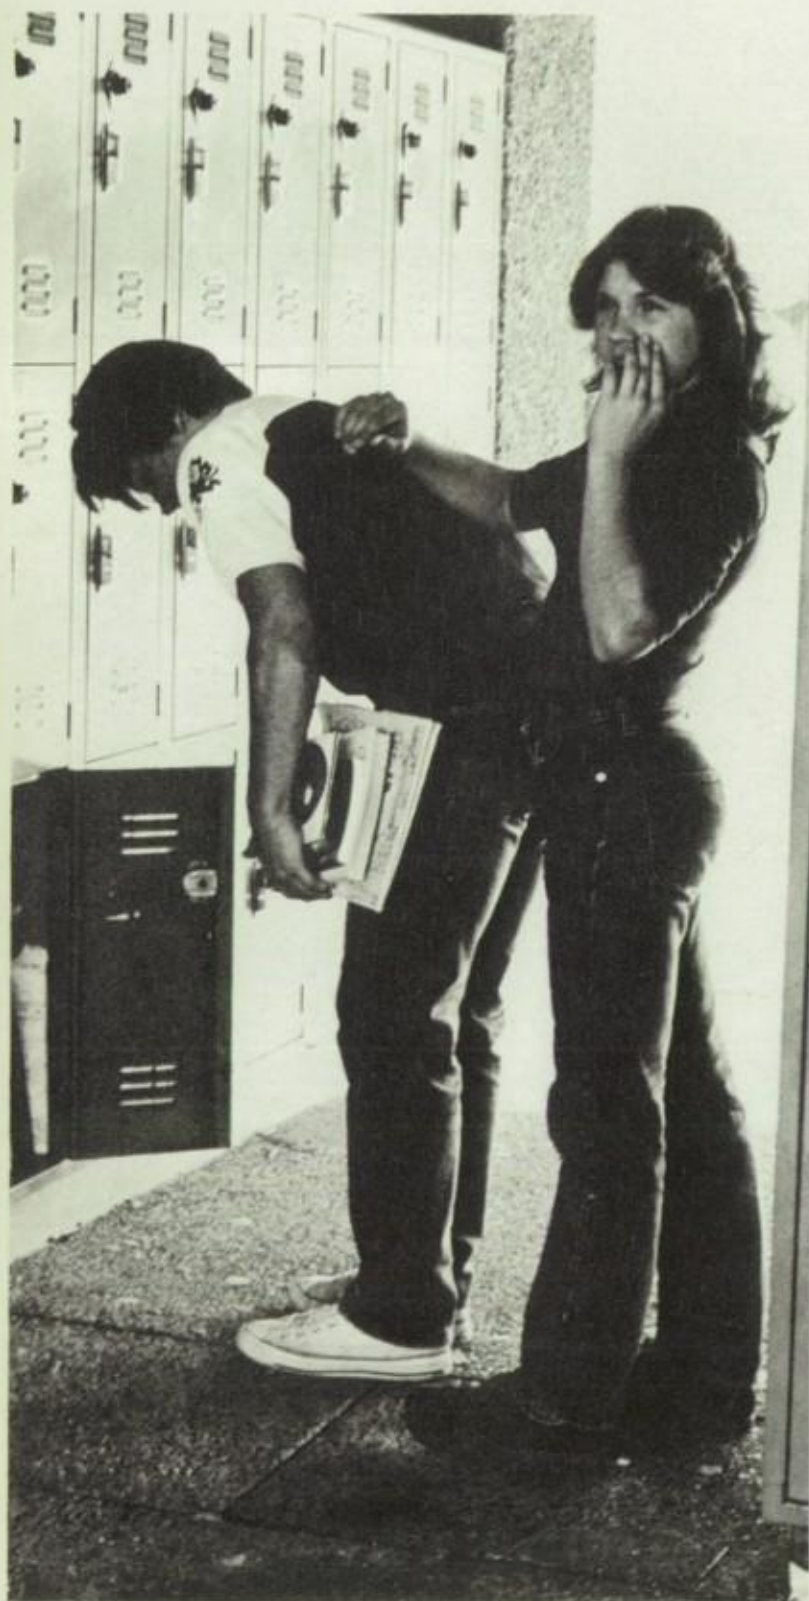

Activities

Free Times Are Fun Times

"Free time" at Browne really doesn't exist, because when students aren't in class they're usually involved in club activities or out in the quad playing frisbee and nerf football.

The racquetball courts provide entertainment for many as do the tennis courts and new volleyball courts.

Off campus students enjoy themselves at the new Golf-n-Games near Metro-center and on Sunday Truffles. Central Avenue is starting to lose it's "Pa-zaz", but it's still a favorite hang out for valley students.

An action
packed
Spirit Week!

Spirit was raised higher than last years all time low and we still have a way to go.

Lunch time activities included spirit games such as the traditional sack races, life saver relays, and hula hoop competition. Added to these veteran events were several new games including the banana between the knee race and the water relay.

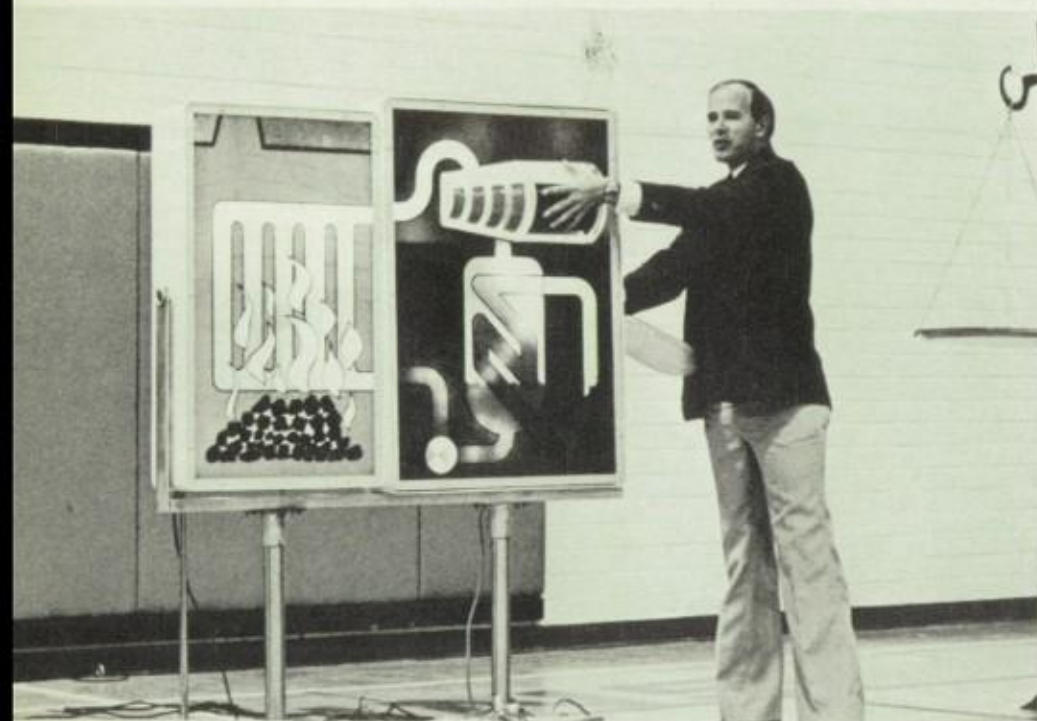

Spirit days included a spectacular clown day, a nifty fifties day and the traditional Brown & Orange day.

Evening activities included a night in jail for some innocent bystanders who just happened to be passing Maryvale High School with fourteen roles of toilet paper.

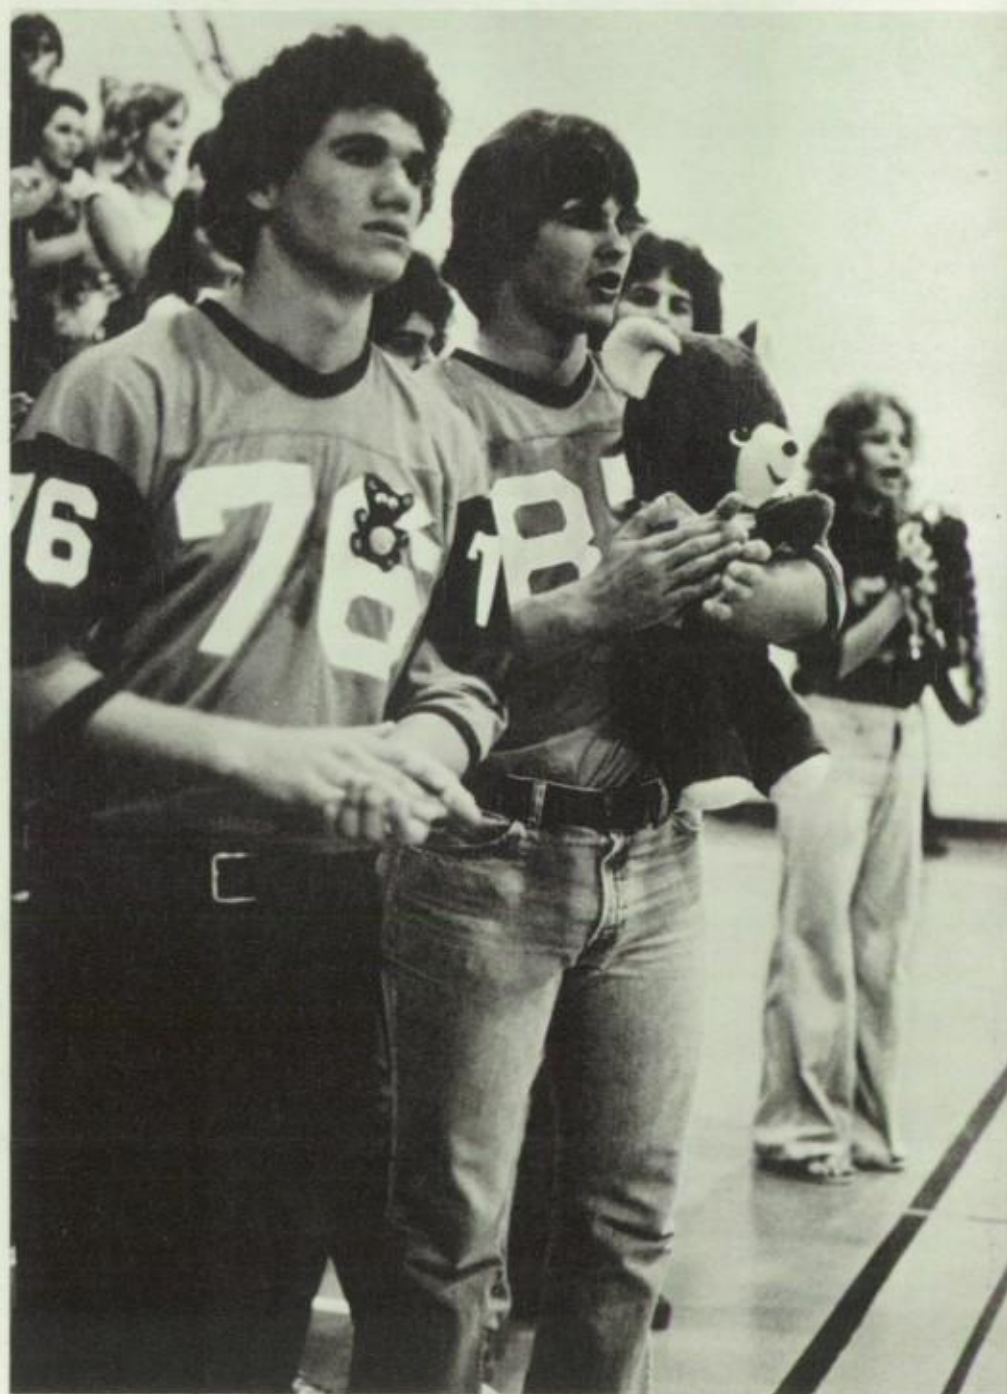

The week ended with the most successful and crowded dance Trevor Browne has ever seen. Loud tunes and good times helped ease the loss and made the evening and the whole week a huge success.

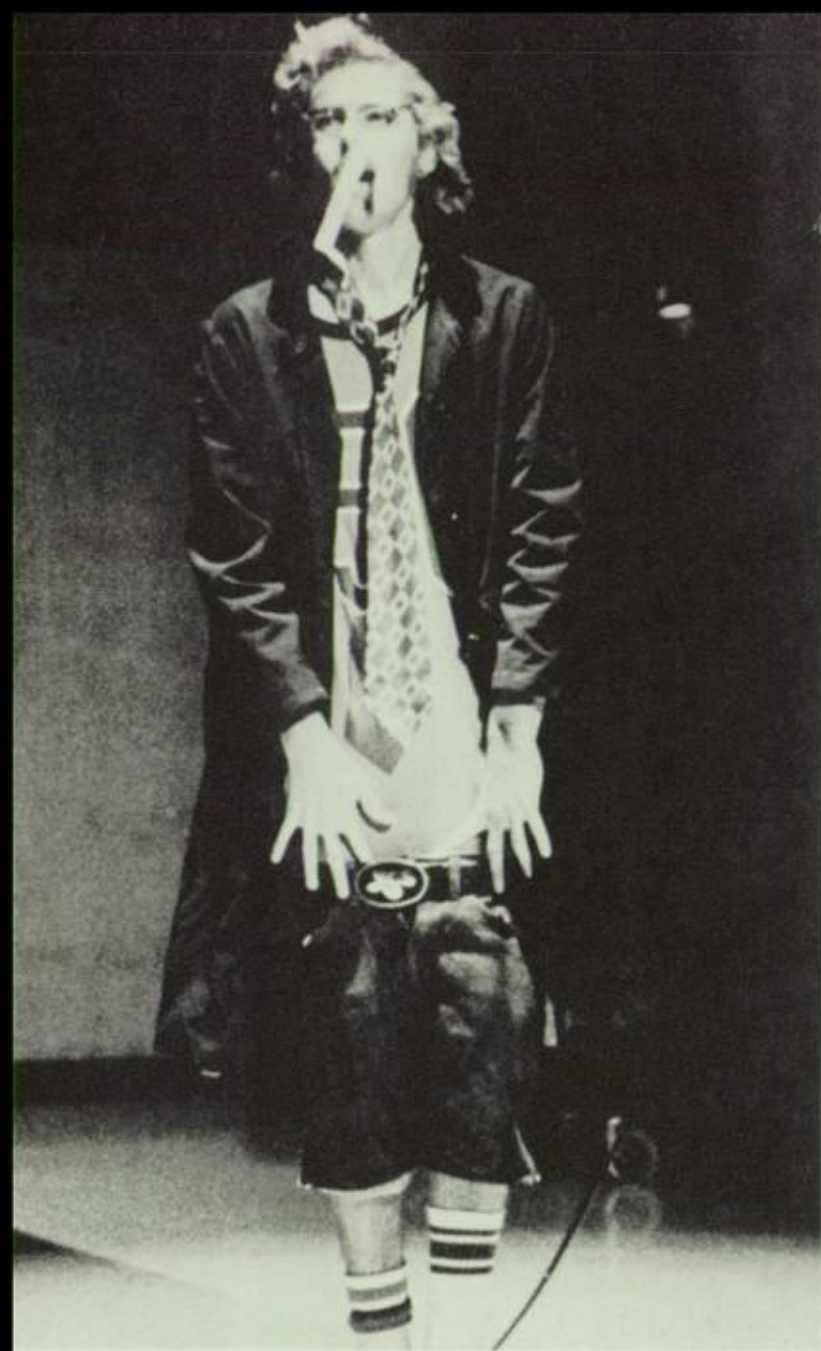

Get
it
on

This years assemblies ranged from the basic "pep" assembly and rally to a full scale presentation on energy conservation sponsored by the government. We also had a guest appearance by "Freefare" A group known throughout the nation. The Christmas assembly was the most organized and most talented yet ever presented here at Browne. This is the first time in four years Trevor Browne has had such a varied assembly schedule and the students have been very responsive. With a little luck and a lot of hard work, we may be able to keep it up and give students the opportunity to participate and observe activities that they otherwise might not see in class.

Star wishing brings 'Cosmic' evening to all

Participation in this years homecoming activities was at an all time high. The cheering crowds at the game led the mighty Bruins to a "skunking" victory over P.U., and the festivities during half-time were the best ever.

The gala affair included festive floats, presentation of royalty and the traditional parade around the field in convertible corvettes, all tying in with the theme, "Reach for the Stars"

The Band took the traveling trophy for the Best Float with their rendition of "When you wish upon a star". The dance ended the week in a "cosmic" way, and once again tradition was put "back in the box" until next year.

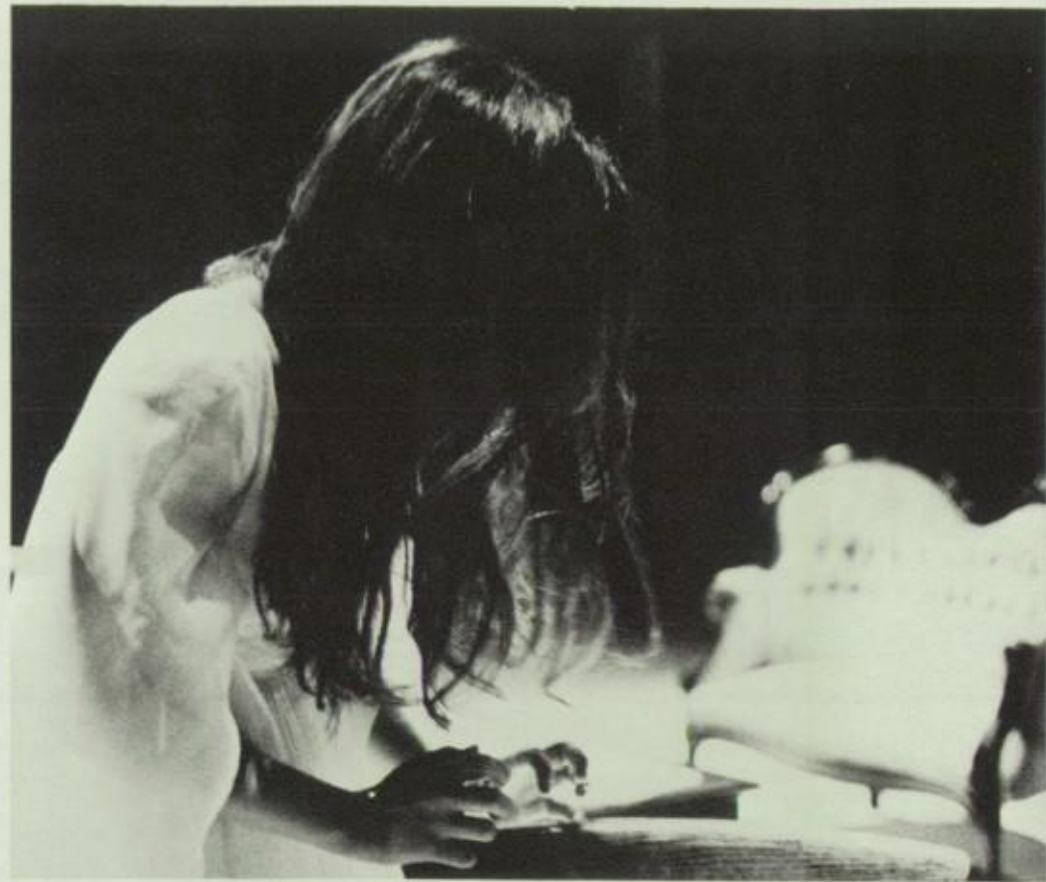

Boogie Nights

Trends in America usually tend to come and go, but it looks like the "disco" dance is here to stay, at least for awhile. This years dances have been a great success and everyone of them has been a disco dance. It looks like the live band is becoming a vanishing breed.

At the dance after Maryvale's game the cafeteria held a record breaking crowd. Over 1000 students were admitted and more had to be turned away at the door. Everyone seemed to be enjoying themselves or at least that is what their smiling faces seemed to transmit as they "boogied" across the floor.

Dracula

DRACULA

This year Drama opened their season with "Count Dracula", a 3-act thriller based on the original novel by Bram Stoker.

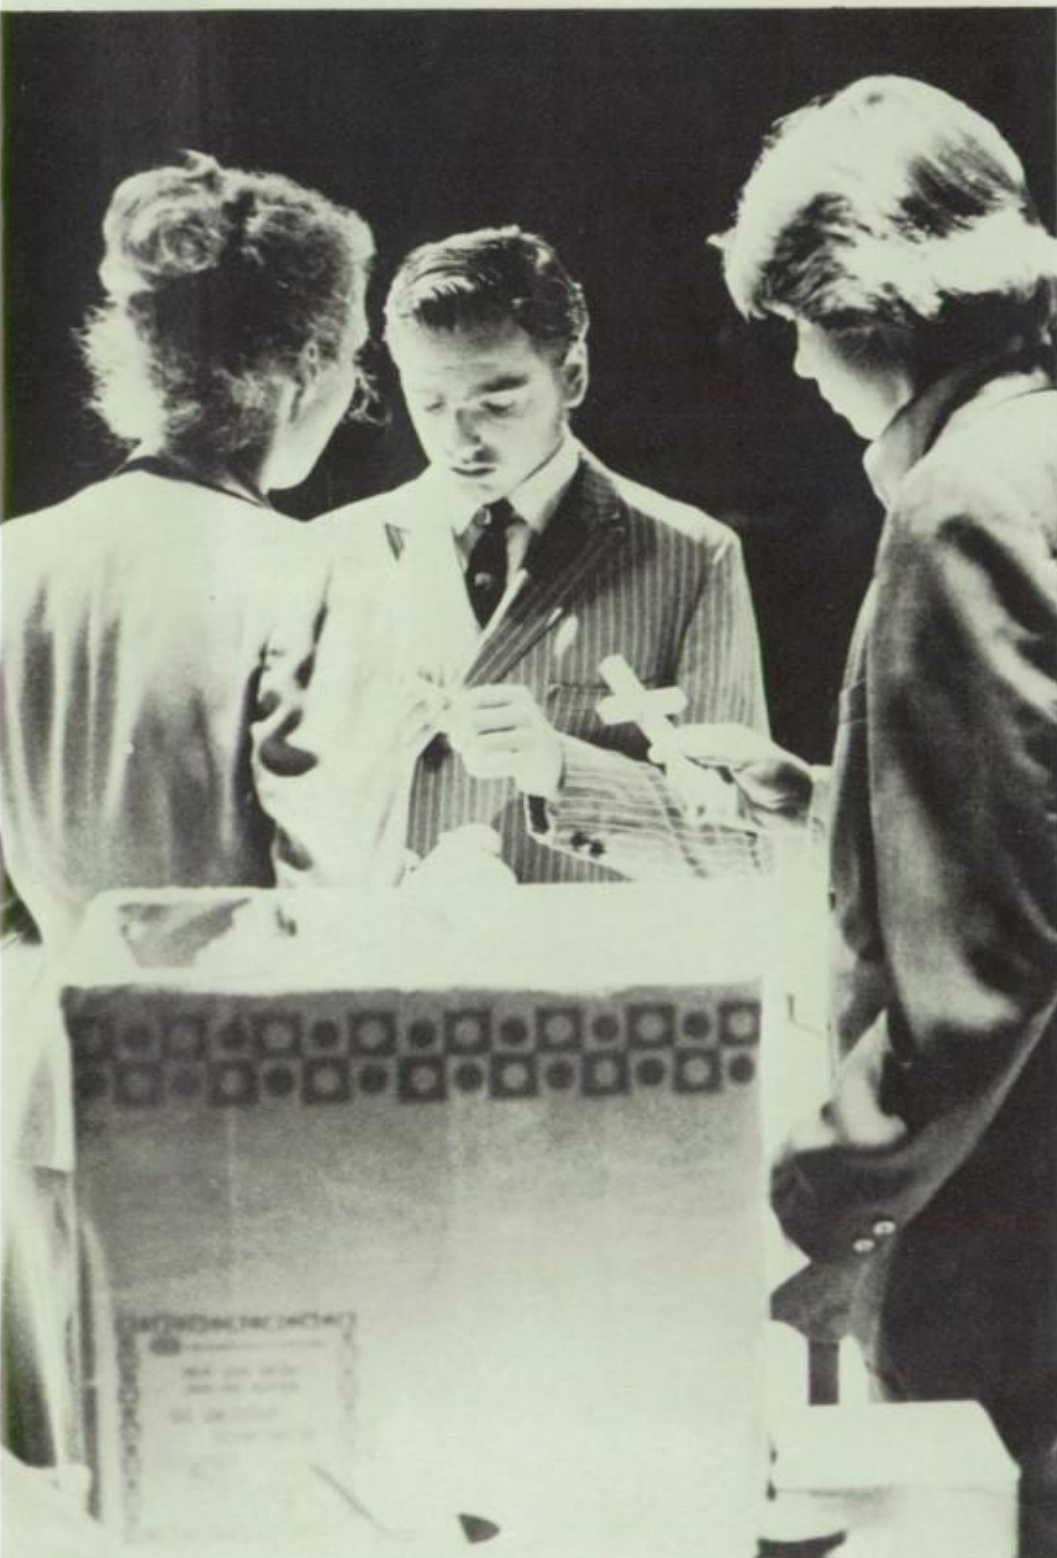

The timely presentation occurred right before Halloween, while at the same time another version was returning for a run on Broadway.

It was performed in a theatre-in-the-square style, in the auditorium, and the actors "lived up" to their usual quality of performance.

Cast members were quoted stating "These were parts we could really sink our teeth into." All in all, it was an eerie performance, encompassed by strange makeup and special effects.

Dinner theatre highlights Drama Season

The Thespians led their second production of the year with a night of one act plays. Included were "Monkeys Paw" By W.W. Jacobs & Louis N. Parker, "Death of a Hired Man" by Jay Gould, and "Final Dress Rehearsal" by Jack Frakes.

A dinner theatre performance was attempted for the first time at Browne and it proved to be one of their biggest nights. However, students attendance at the plays is still one of dramas most trying obstacles.

Honors

A Queen For A Day . . .

Amidst times of haste and confusion, we can still find time to reflect on the past and tradition through the selection of a King and Queen. They're as much a part of high school as the Prom, Sr. Ditch Day, Graduation and making out.

Christmas Royalty

Christmas Royalty is chosen every year by the student body. They are voted on in their house offices and represent the most popular seniors in the school. The Royal couples presided over the christmas formal, the social highlights of the christmas season. This year's dance featured the performance of the group ICE. A royal time was enjoyed by all.

Dewey Hopper crowned Prince of Browne Sports

This year in the 3rd annual Dewey Hopper Basketball Game, Dewey and the gang at KTAR, with a little help from former-Security Guard Greg Anderson, defeated the Bruin Faculty. Dewey has played previous games here to raise funds for the Band. This year, all proceeds went to the Booster Club and school activities.

During half-time (of the game) two members of the booster club presented Dewey a beautiful plaque for the help in the community he has done and for all the money he has helped raise for our school. Now for some highlights of the game. The Bruin faculty, led by Garry Taylor and Greg Cheney, helped to open up a big lead before the half but it was cut to within two points at the half. Midway through the third quarter, the faculty team had an 11 point lead and Coach Rex Browning substituted 5 new players in and from that point on it was downhill for our faculty as they went on to lose. Members of the Faculty playing were Greg Cheney, Garry Taylor, Harold Crenshaw, Mike Cunningham, Rex Browning, Mark Lamm, John Mansour, Jack Altersitz, Wallace Campbell, Mike Larsen, and Steve Ingram.

Speech Honors

Participation in this year's speech tournament circuit was at it's peak. With help from coaches Avis Jolliffe and Jim Hayden winners took top awards in oral interpretation of drama, literature, and humorous prose.

Our team has participated in the state-wide Tuscon and Holbrook tournaments and in many smaller district practice tournaments.

This promising team of extraordinary talent is looking to place several aspirants in this year's spring State tournament.

Music Honors

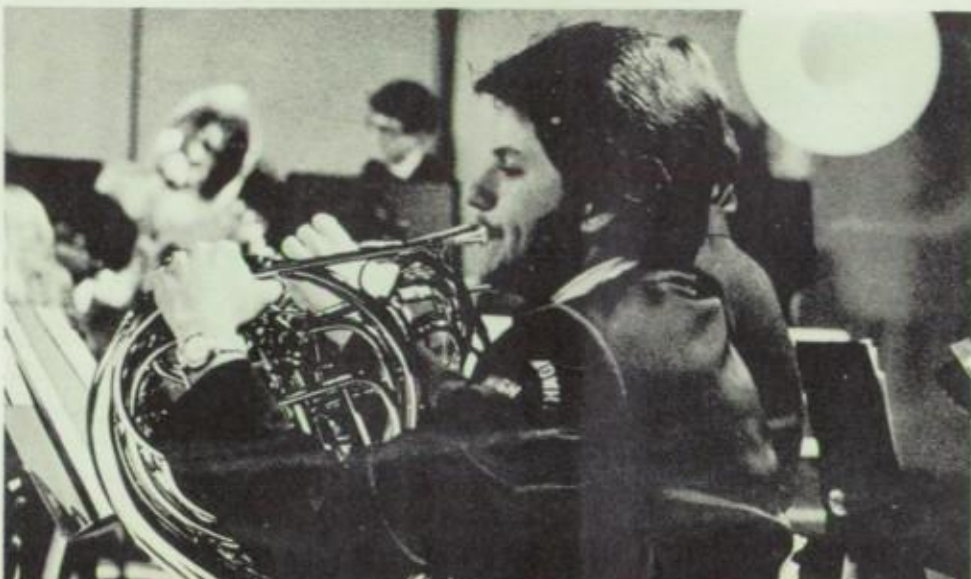

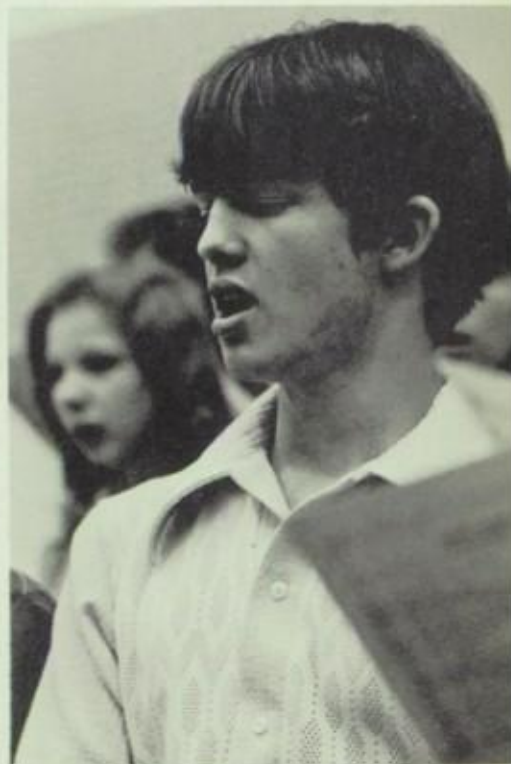

An outstanding music season was highlighted by many outstanding individual performances. Joe Washburn, leading the music department to its best season ever, pointed with pride to the department standouts.

Winner of the Regional Band placement award was Ben Jones for his performance on the Tuba.

Regional Choir winners were Gale Skousen and Randy Braumberger.

The United States Marine Corps Youth Foundation Award went to Phil Griffin.

And the highest local award, the Music Department Award given for outstanding performance in the field of music for 1977-1978, went to Randy Braumberger for his overall excellence in both instrumental and vocal music.

Lair Princess

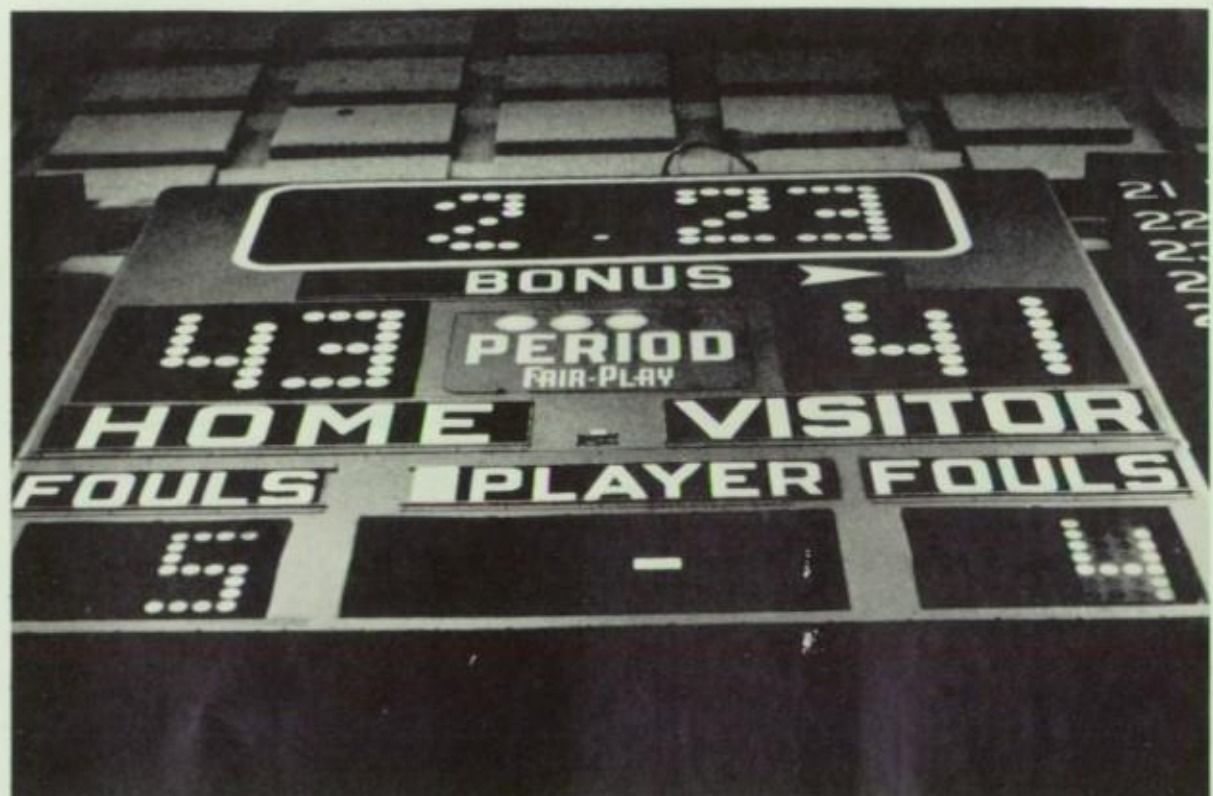

This is the 2nd annual Lair Princess award which is held on April 1st of each year. The Queen and her attendants are elected by selected members of the yearbook staff from the young women staffers who have those attributes most desirable in a women journalist. The Queen Sara Hill, Attendants, Jaime Bratcher and Robin Halverson.

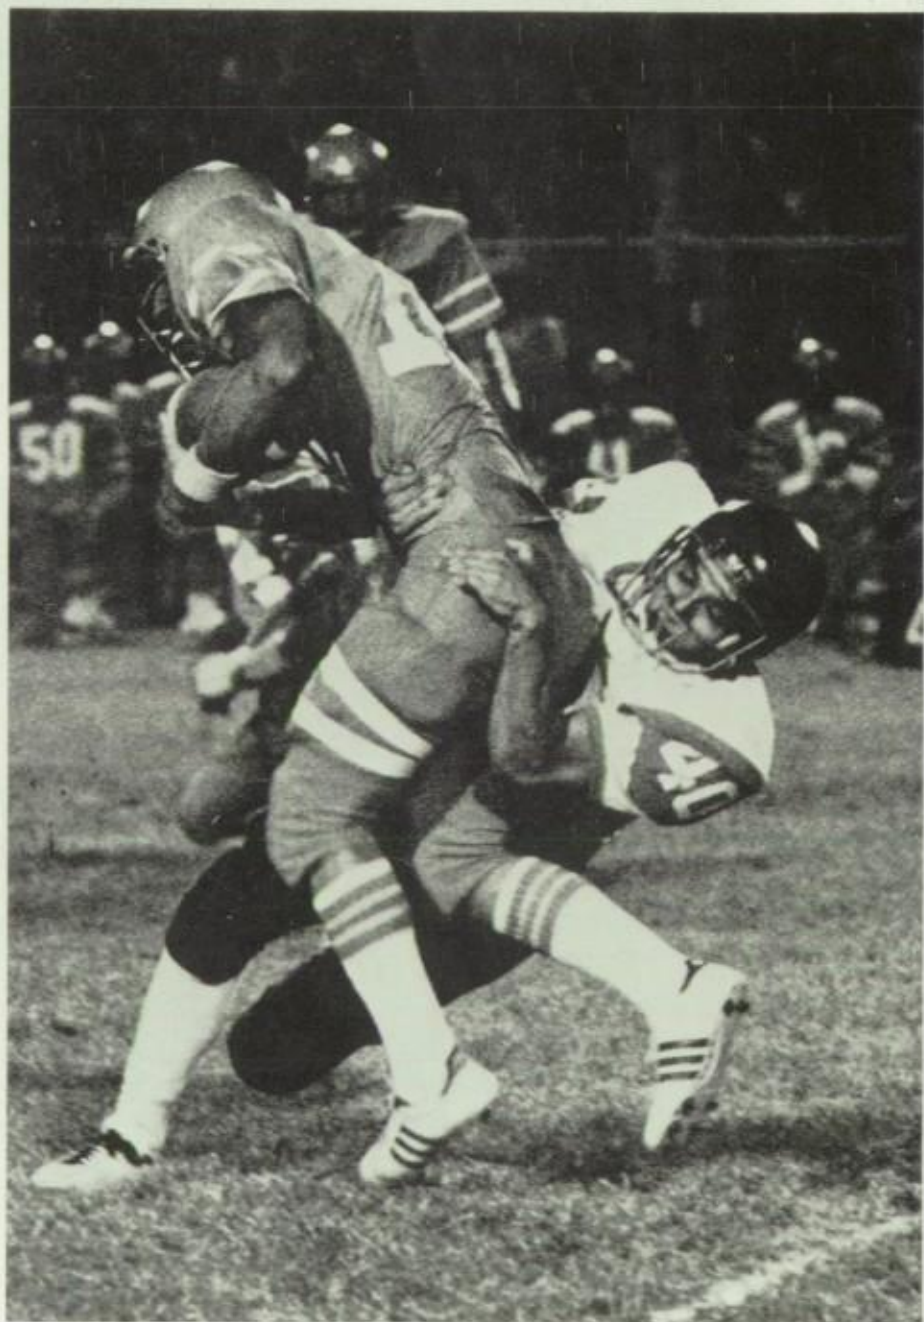

Sports

Bruins do it; almost

TOP: Another touchdown by Roy Barnett: Above: Mike Renfro, Greg Hammond, Sonny Fevula close down on running back: ABOVE RIGHT: Defence fights for tackle: RIGHT: Sonny Favela takes on Running Back: FAR RIGHT: Roy Barnett Breaks for a touchdown.

Bottom Row: Willie Martin, Mark Gurule, Brad Robson, Ray Matherly, Mitch Rognholt, Kevin Hensly, Sonny Favela, Row 2: Denny Harkins, Charlie Medrano, Mark Tuttle, Richard Delgado, Mike Miners, Chico Mulcock, Mike Renfro, Mike Romero. Row 3: Carlos Jones, Coach Harkins, Daryl Grimes, Rick Jenkins, Steve Shelley, Charlie Meta, John Padilla, Coach Mitton, Coach Taylor. Row 4: Tim Boling, Steve Pamula, Mike Harris, Jerry Petty, Greg Hammond, Jeff Watkins, Ron Harris, Dan McKinney, Tres Kane, Roy Barnett, Clifford Brown

East: The Bruins were able to penetrate through a strong East defense to within their 15 three times but couldn't push it in. Tim Boling, quarterback connected on 12 of 16 aerals, and Roy Barnette, carried for most of the yards on the ground. East-18 Browne-0

Thunderbird: The Bruins jumped out in front of the Chiefs 7-0 on a 46 yard spint by a sophomore standout Roy Barnett. Total offense was over 200 yards but the defense yielded over 400 yards to their opponents. Thunderbird-21 Browne-7

Apollo: The Bruins could have done without the last 2½ minutes of this one. Leading 7-0 Apollo blocked a punt and on the next play scored and added 2 points to go ahead. First Play after the Kick-off Apollo intercepted a pass and ran it in to put the icing on the cake. Final score Apollo-14 Browne-7

Maryvale: We went on a Panther Hunt, We weren't afraid, Neither were they. We shot and missed and didn't run fast enough! Maryvale-48 Browne-6

North: The Bruins got on the track against the Mustangs. After a North fumble the Bruins took the ball and 10 minutes on a 96 yard drive to go ahead and forced North to things they didn't want to do. The defense led by Sonny Favela forced four North Turnovers, Browne-14 North-6

West: The offense exploded and the defense was stiff and the Bruins prevailed again. The offense gained over 400 yards total led by the rushing of Roy Barnett (246 yards on 26 tallies) and a T.D. 's and connected on a 52 yard T.D. pass to Danny McKinney. The Defense forced West to do things they didn't want once again Browne-28 West-10

Phoenix Union: (HOME-COMING) This years Home-coming was fun. We went out and blew the Coyotes right off the field 49-7. Roy Barnett rushed for 161 on 18 tallies, including 4 T.D.'s. Richard Mulock gained 141 yards on 13 carries. Wally Kepner and Danny Johns of J.V. fame provided the 2 final T.D.'s. Denny Harkins had an interception and fumble recovery that lead to the defense.

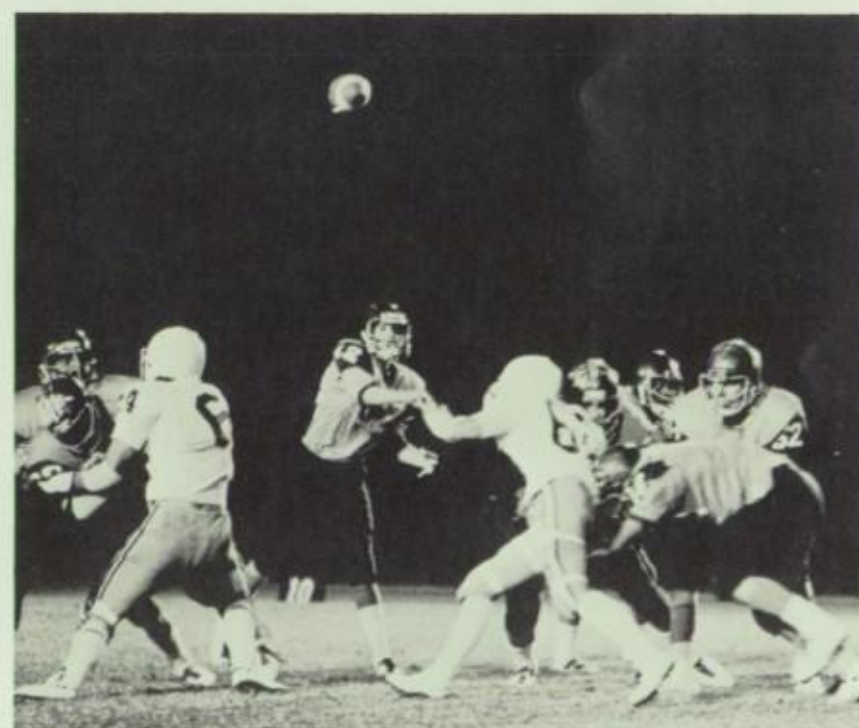

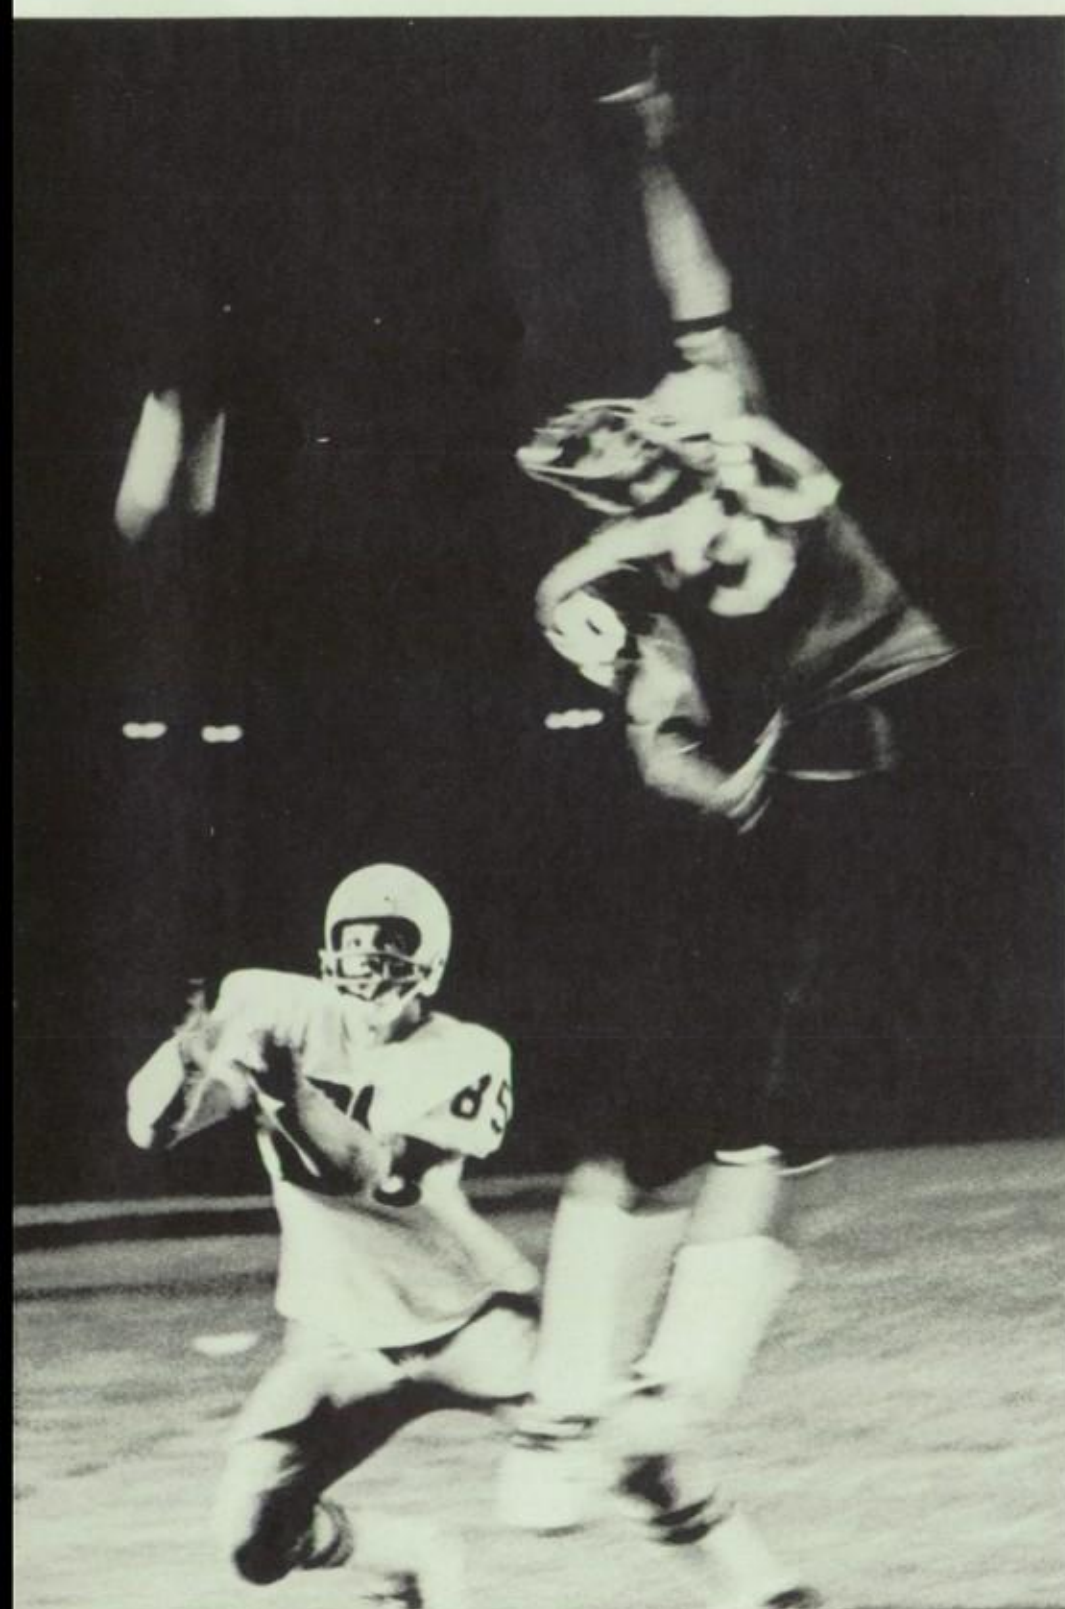

Alhambra: The Bruins were looking at play-offs going into this game. If it weren't for the big plays for alhambra. The Bruins themselves had a couple big plays. The Killer was a fumble on Alhambra's 3 yard line right before the half. The defense played exceptional but couldn't make up for the big plays. Alhambra-28 Browne-14

Camelback: A win in this could have kept play-off chance very alive. Camelback looked like they had everything under control until the Bruins sparked up and scored on a 52 yard T.D. pass from Boling to McKinney 13 Seconds before the half. The Bruins down 19-14 in the final frame with a 1:30 to go capitlized on a Mike Harris interception and drove down to the Spartan 4 with 35 seconds to go. The Bruins were penalized, dropped for loss and had a pass intercepted and our play-off chances subdued. Final score Camelback-19 Bruins-14

Carl Hyden: In a game played for 2nd place tie with Alhambra the Bruins completely out played the Falcons. On offense we ran up over 300 yards total offence led once again by Roy Barnett 20 carries for 92 yds. (unofficially 900 yds. for the season.) The defense held Carl Hayden to an anemic 33 yards, and sacked the quarterback 6 times. Steve Shelley led defense with a sack, 3 tackle behind the line of scrimmage and an interception. Final score Bruins-17 Carl Hayden-0

FAR UPPER LEFT: Tim Boling Hands to Sonny Fevela for a long gainer: FAR LEFT MIDDLE: Bruin defence getting ready to go: FAR LEFT BOTTOM: Charlie Matta, Jeff Watkins, and Clifford Browne attacking Thunderbird Q.B. LOWER MIDDLE: Mike Harris reaches to block Apollo Pass: ABOVE: It's a Tim Boling pass

Awesome

J.V. Football at Browne this year was a giant success. Led by coaches White and Larson, the Bruin J.V. finished with a 9-1 record losing only to Maryvale. They were considered city champs because no other team had a better record. The offense was led by runners Wally Kepner and Donny Meek who ran for a combined total of 1500 yards. Jim Durham played strong at quarterback. On defense the J.V. Bruins only allowed teams to score touchdowns in 3 games and had 6 shutouts. With these stats you now know why everyone called them AWESOME. We at Browne congratulate the coaches and players for the finest football season in Browne history.

Below-Steve Hilkman and Danny Johns crash opponents. Left-Danny Johns gets creamed! Lower left-Donny Meek crunches over opponents! Upper meddle left-The awesome twosome (Donny Meek amd Wally Kepner) Middle left- stud Pavis: running hard. Bottom left- Eddie Van Woesik getting ready for the kill. Far upper left-Bruins fighting for yardage.

Team: Seated (Left to right) Becky Joy, Cynthia Stalica, Kim Thompson, Kathy Cornell. Standing: Coach Ann Rowen, Lori Spiva, Cheri Clark, Denise Jones, Dana Grew. (Not pictured) Hilda Ybarra, Debbie Carey.

The 1977 Varsity volleyball team under the coaching of Mrs. Ella Mass succeeded in having a winning season. They defeated Alhambra and Maryvale, the two teams that were undefeated in the past.

"Volleyball takes a lot of mental toughness," quoted Mrs. Mass. "We've never had a losing season and our skill has improved tremendously."

We came in 3rd in divisionals. Four girls were nominated for All Divisional; Jaque Maynor, Bonnie Barney, Doreen Skousen, Beebe Clark.

Far Upper Left: Robyn Millam setting up against Maryvale. Middle Upper: Robyn Millam with a spike against the panthers. Lower Left: Two Bruin players going up to block a spike. Middle: Cynthia Stalica setting up to Kathy Cornell. Left: Lori Spiva with a spike.

"It's a long way Baby"

The Boys Cross Country team members worked long hard hours everyday to prepare for their grueling weekly meets. They would work out before and after school in either hot or cold and rainy weather. Nothing was going to stop them from working their way to success. In preparation the young men would run four and sometimes many more miles, except the day before a meet. It takes a lot of determination and effort to be a long distance runner and we should be proud of the work they put out.

ROW 1; Jim Cooper, Jim Honaker, Steve Malone, Rick Roselle, Russ Richison.
ROW 2; John Redondo, Mark Ticney, Brett Sacucci, Devin Townsend, Rudy Soto, Coach Brown.

Row 1: Jess Sixkiller, Kenton Steiner, Steve Bellows, Dave Hand.
Row 2: Jeff Conway, Billy Clah, Kevin Harkins, Ron Huntia, Paul Hand. Coach Brown.

UPPER LEFT: A long way baby! FAR LEFT: This is tough! LOWER LEFT: Jeff Hart running in the sticks. LEFT: Rudy Soto running the streets. TOP LEFT: Dave Hand running during meet.

Hard work
runs
with
girls

Hardworking, determined girls made up the Girls Cross-Country Team. Coached by Gerry Hahn and John Brown, the girls start out working in hot September with temps over 100 degrees at 2 miles and work up to 4 miles by cool November. The very competitive meets are 1½ miles long. The girls run mountains, hills, and sand depending on the course. They run in rain, heat, cold, nothing stops them.

Top Left to Right: Doreen Skouson, Tracy Tate, Janet Loutterback, Kathy Wezdenko, Bottom Row: Dee Bochman, Bobbie Mooney, Pam Cook, Karen Parks.

Freshman "Love" Tennis

Paula Perez, Lydia Sweetland, Sheri Thomas, Toni Agnelli, Katie Clarke, Jenny Cheslie, Jovel Clark. Back Row: Kim Lackey, Lisa Garavavetto, Patty Mure, Tyler Baxter, Becky Adams, Kaven Parks, Bobbi Mooney.

Mike Gaumnitz, Richard Pikul, Blair Robson, Back Row: Coach Arle, Pat Ryan, Gary Green, Richard Perry, Robert Chelton, Scott Burkett.

Freshman Tennis this year for many of the members of both teams was a learning experience. Both the Boys and Girls showed good sportsmanship and attitudes throughout the season. New Coaches led both teams this year. John Arle coached the boys while Joanne Johnson coached the girls. With a little bit more learning these young should prove for a fine future at Browne for the tennis teams.

Archery off target again

Archery had its problem again this year, after folding last year only three girls were inexperienced and couldn't really get together. Next year if good quality people willing to learn the sport would go out we would have a successful Archery team ... Maybe.

Team Members:
Janet Bell
Vicki Cline
Missy Unknown
Coach Mass

Fuse runs out early

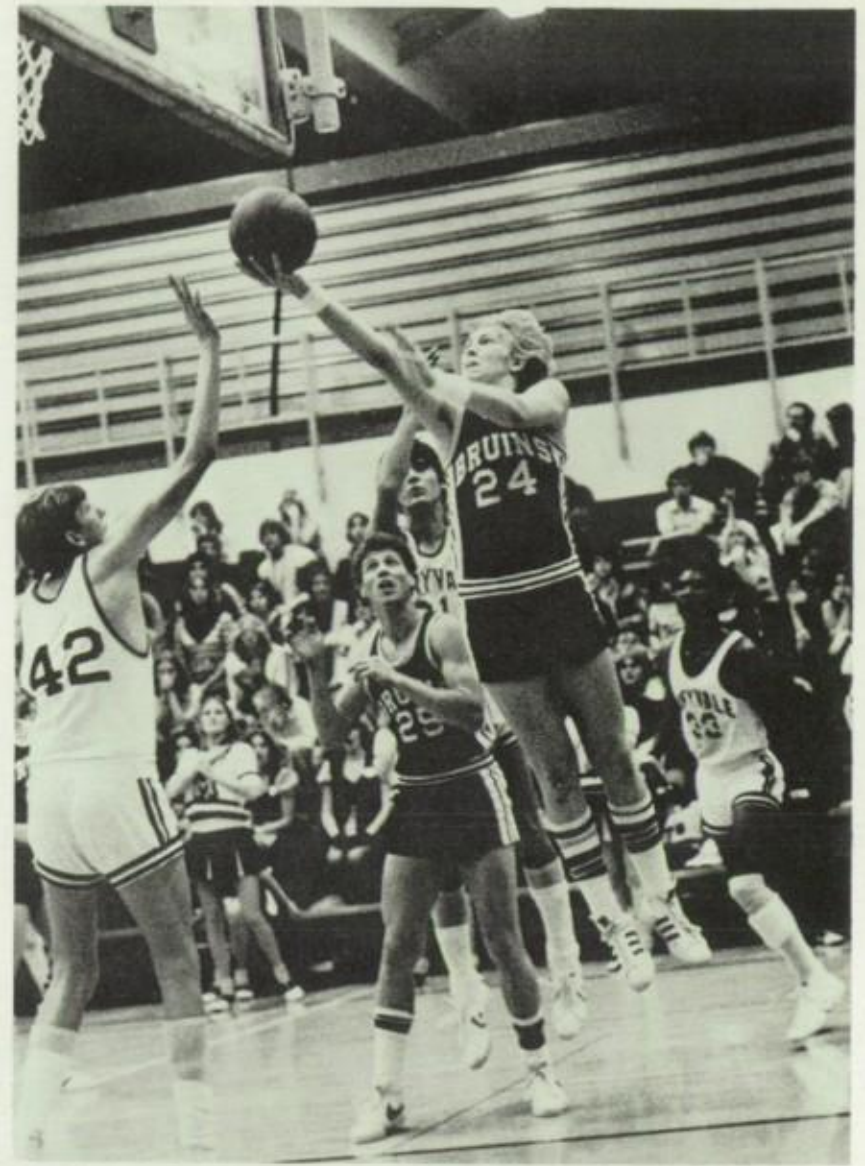

OPPOSITE PAGE TOP LEFT: David Hockabout defending against Maryvale. BOTTOM LEFT: Larry Watts skying for rebound. RIGHT: David Hockabout for two points. TOP RIGHT: Bruins blocking out to get rebound. BOTTOM RIGHT: Lanny Unruh ready to go to work. FAR RIGHT: Jeff Hoyt going in for lay-up.

Top: Larry Watts sky's to tip the ball away from Maryvale opponent. Upper Right: David Hochabout shows great ability while he puts the ball up and in. Right: David Guest Dribbles up and around, and over Maryvale opponent.

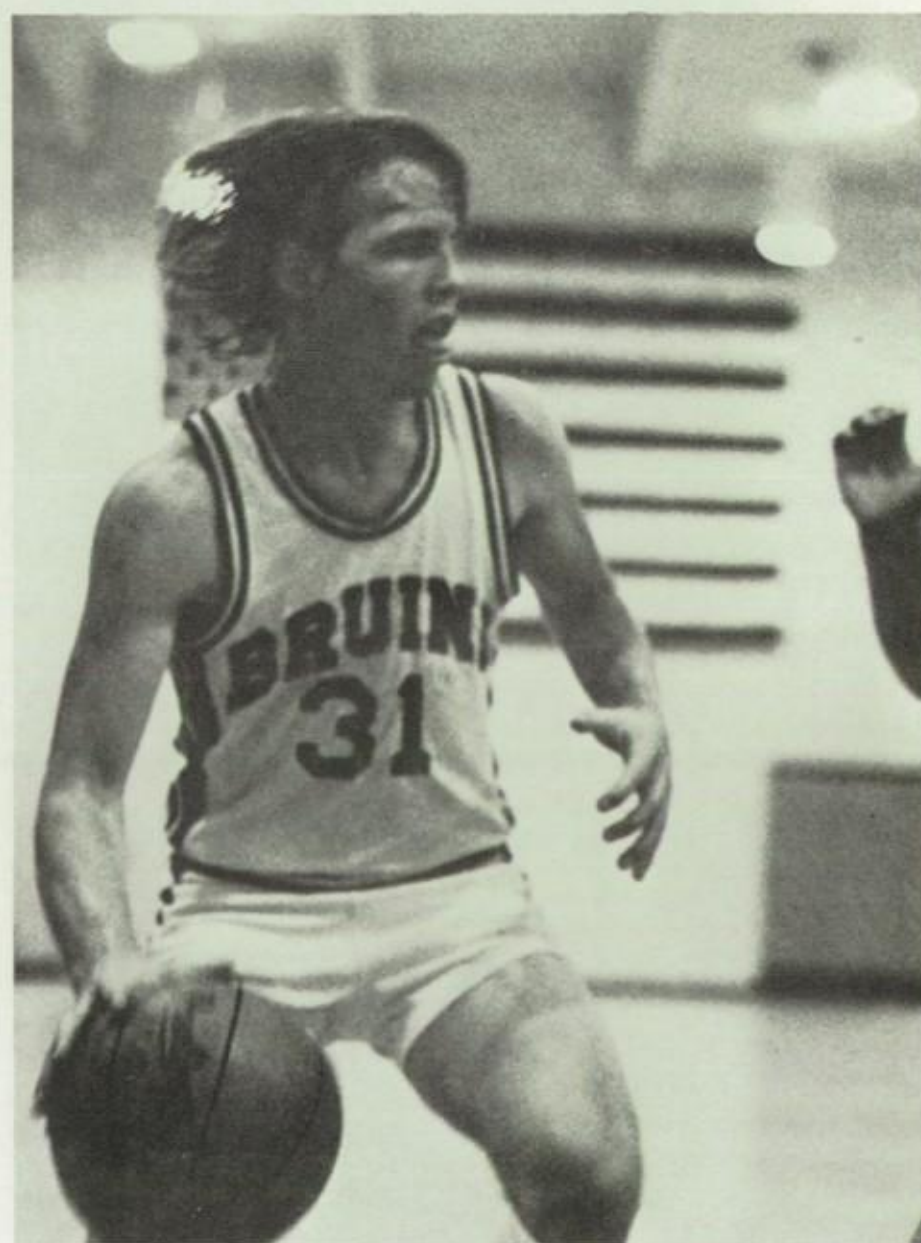

The 1977-78 Varsity Basketball season was the most successful in school history. The team was breaking records every week. It was common to look in both Valley papers and see the Bruins ranked in the top ten. Some of the feats by this year's team were; Beating Alhambra for the first time, beating Maryvale for the first time, most points scored in a game (88 against Peoria), Least points given up in a game (38 against Peoria) making it to the finals in Christmas Tournament. A lot of other feats were accomplished but there are just too many to mention.

Coach Hahn had a lot to be proud of. The players gave 100 percent each game which paid off at the end. The Bruins were blessed with a gift called depth. This enabled the Bruins to substitute in quality players for the starters and still stay in command of the game. This is something only a few of the teams in the state have. The papers would always include how our shooting makes us one of the finest shooting teams around. Youth dominates the team, with 6 returners including 3 starters next year. Next year looks to be better if the players can avoid injury and keep cool. Congratulations on a fine season.

The ups & downs of the J.V. season

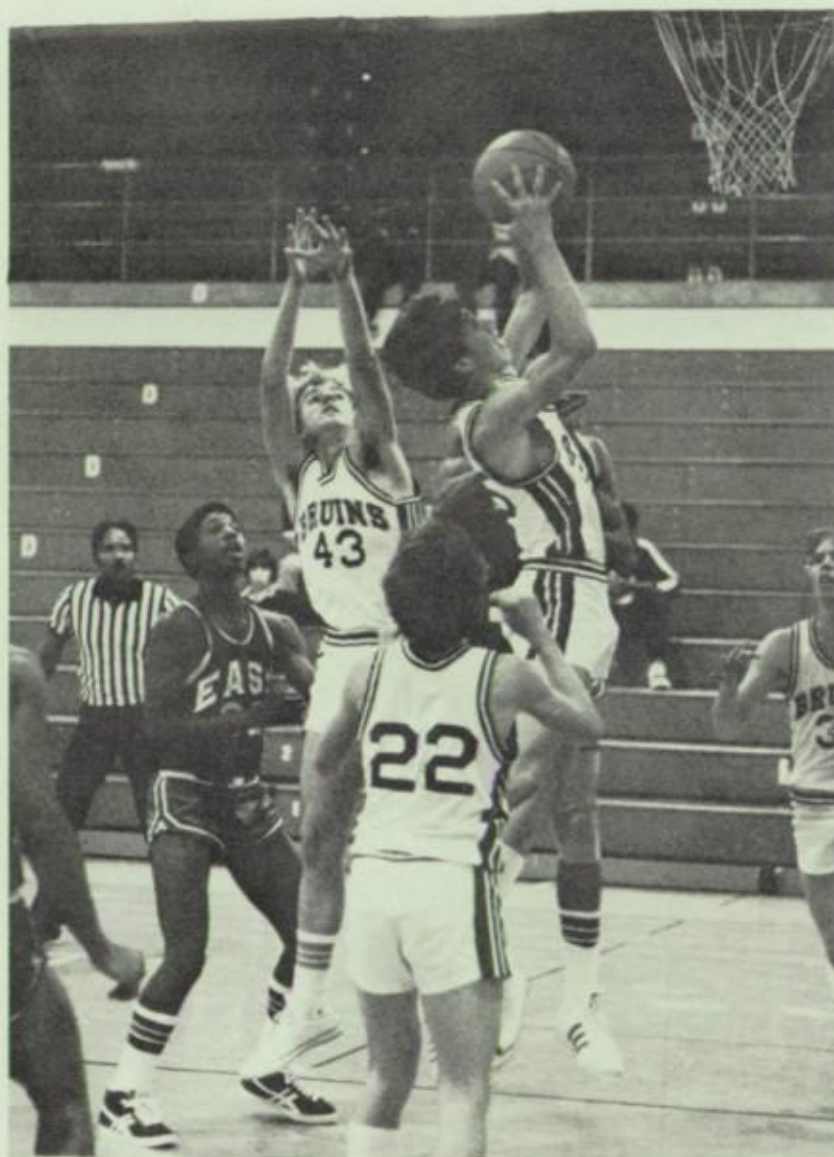

The Junior Varsity Basketball Team had an up and down season. The Big Highlight was a victory over arch-rival Maryvale. The start of the season bought two losses in overtime to Apollo and Peoria. In both games the team had 10 or better points lead going into the 4th quarter, and both times did not score a basket in that quarter. Pat Corbin, Larry Hoyt, and Roy Barnett were offensive leaders while Kenton Steiner, Corbin and Hoyt were doing good jobs on defense. If these players when they move up to Varsity can stay consistent this could add extra to a good Varsity team next year and the year following.

Kneeling: Roy Barnett, Wes Ashworth, Larry Hoyt, Pat Corbin, Sam Douglas, Standing: John Budd, Walter Penniston, Byron Nelson, Jeff Guest, Jeff Conway, Kenton Steiner, Mike Hoppel.

UPPER LEFT: John Bad jumping against opponent. LOWER LEFT: Walter Penniston looking to pass the ball. ABOVE: Larry Hoyt for an easy shot inside.

Freshman season bounces

ABOVE; Scott Reynolds setting up for offensive play. ABOVE RIGHT: Brian Griffith makes move for a shot. RIGHT: Scott Reynolds goes around defense. FAR RIGHT: Allen Hildebrandt dribbling around defense.

FROSH BASKETBALL

The Bruin Frosh Basketball teams didn't have the greatest success but did put together an average season. There was a lot of determination and effort put out. A big part of the teams troubles was maturity of the players in the sport. Most of the other teams seemed a little bit more mature. As these players mature in this sport. Future years in Bruin Basketball should be tough.

Row 1; Brian Griffith, David Stoner, Brian Sperlock, Jacky Villa, Ronnie Hide. Row 2; Jeff Nevers, Todd Mine, Scott Reynolds, Jeff Revels, David Smith, Matt Stone.

Row 1; Jack Blake, Terry Rowe, Jim Malone, Tom Meyer, Erick Freitas. Row 2; Gary Frazier, Jessy Marcuss, Tom Ramira, Jim Whalen.

Youth dominates Badminton

Although the Badminton Team did not have a winning season, they played extremely well. The team consisted of a majority of underclassmen who gained a lot of experience and have a promising future. Their skills improved tremendously during the season and we're looking forward to an excellent season next year.

Front Row L to R: Tina Barnes, Patty Lombardo, Corrie Ledbetter, Pam Englebright, Jill Thornton, Debbie Drinkwater. Back Row L to R: Mrs. Altemus, Janine Loutharback,

Donna Farnsworth, Debbie Hinson, Lori Sutter, Marlena Gowens, Terri Robinson, not pictured: Alicia Farnsworth, Julie White.

"Wrestlers best yet"

KNEELING: Mitch Rognholt, Ralph Parisi, Floyd Barnett, Clifford Mills, Tres Kane, Danny Whitson, Pete Zwgerman.
STANDING: Mike Gregoire, Richie Wilson, Richard Carpenter, Junior Camporan, Ray Knowlton, Pat Rowe, Brian Rognholt, Tony Silva, Coach Art Holland

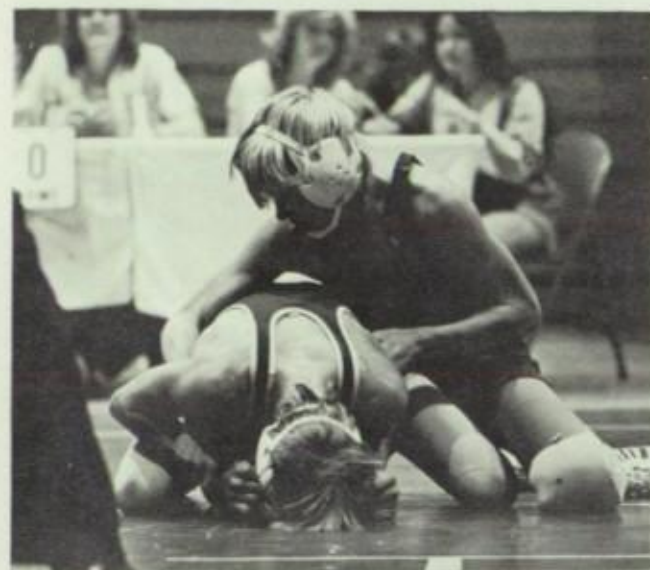

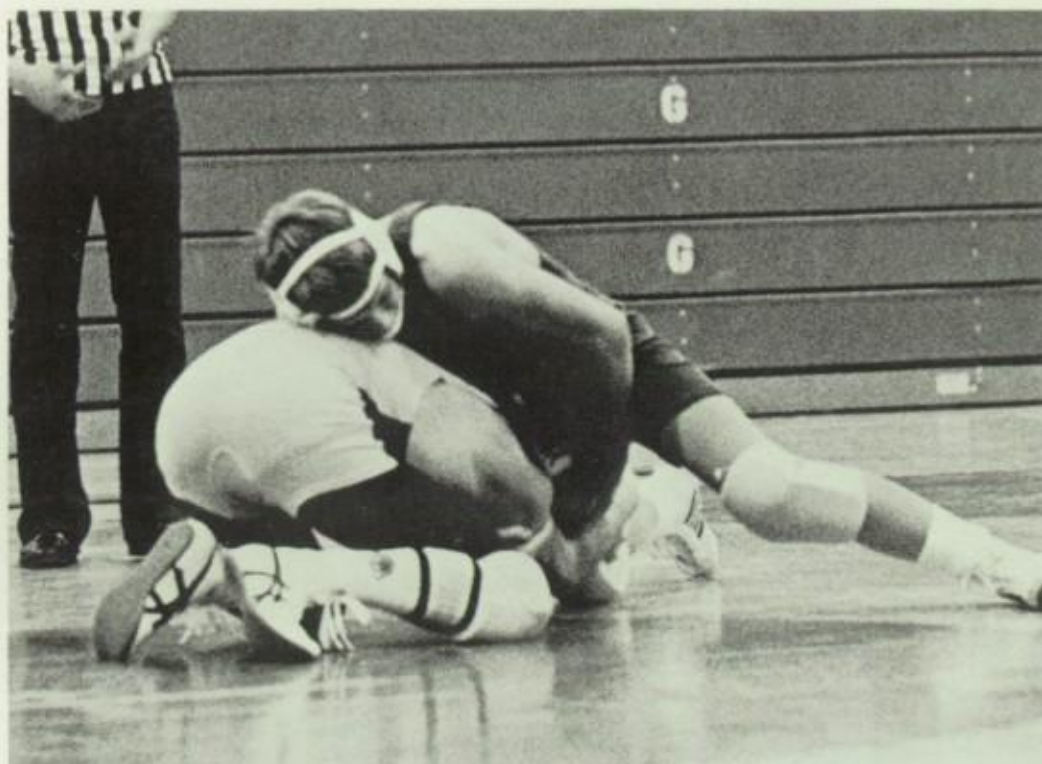

STATE QUALIFIERS AND DIVISIONAL PLACE

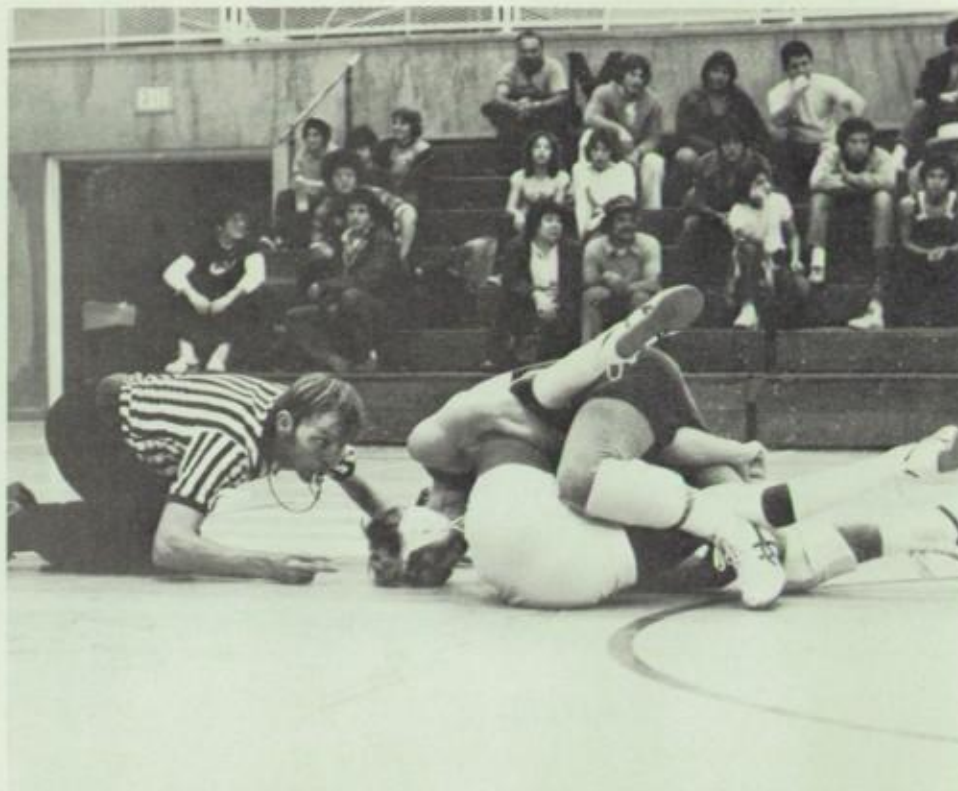

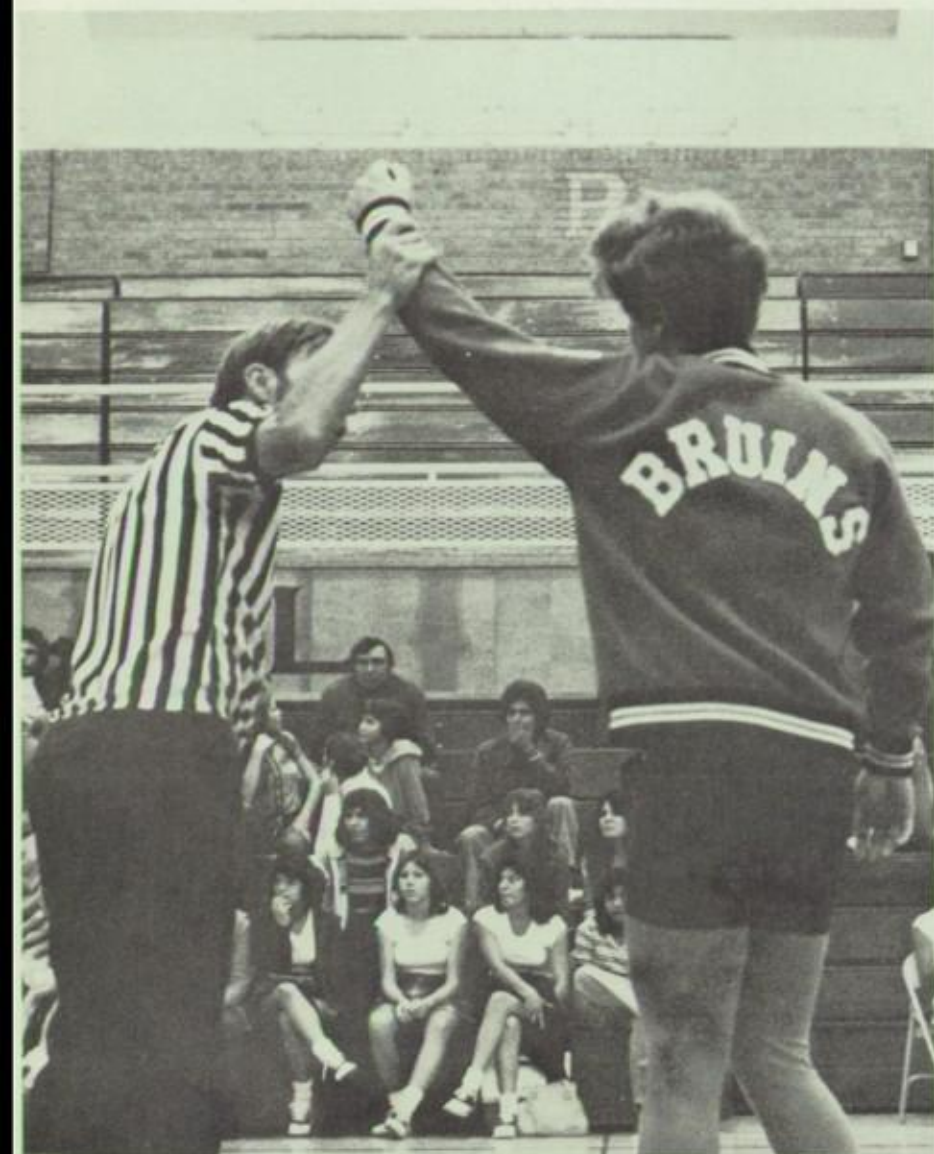

Richie Wilson	2nd pl.
Brian Rognholt	3rd pl.
Mitch Rognholt	1st pl.
Ralph Parisi	4th pl.
Danny Whitson	1st pl.
Tres Kane	1st pl.

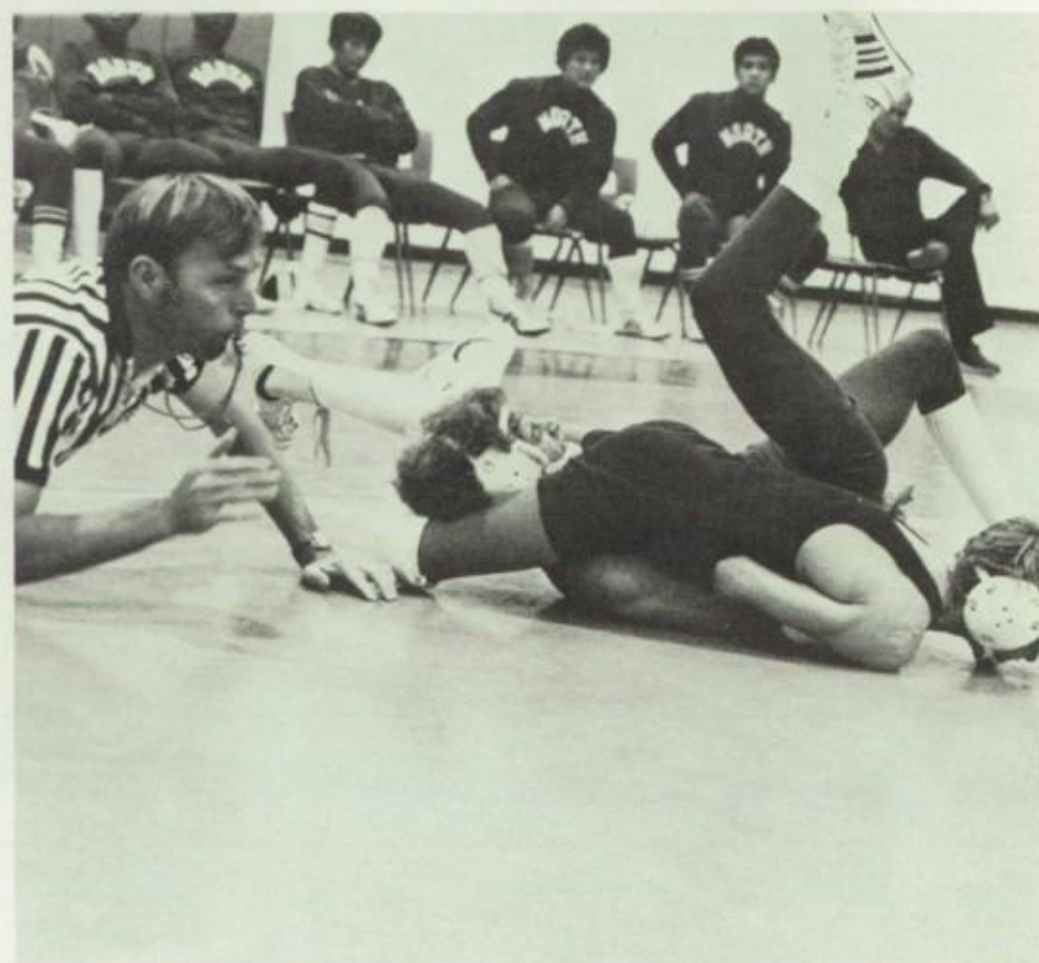

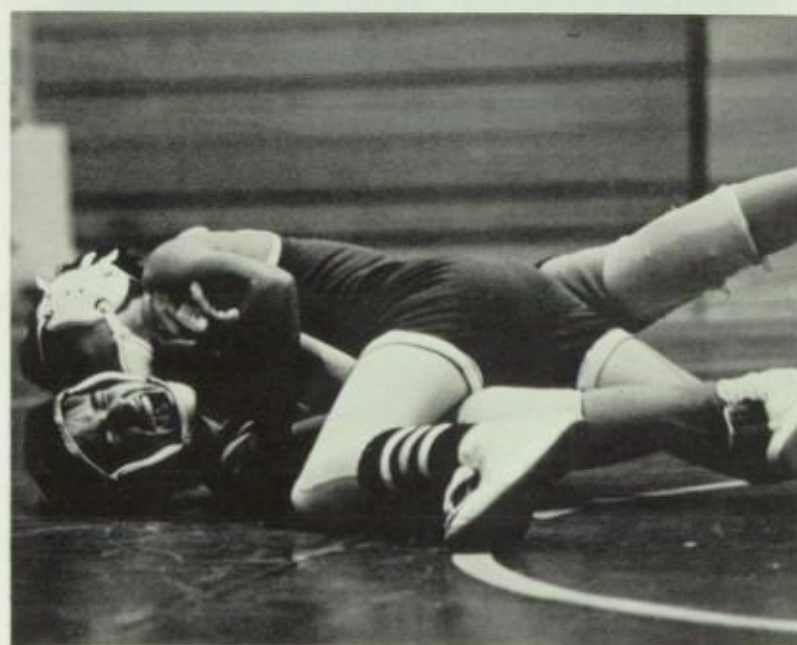

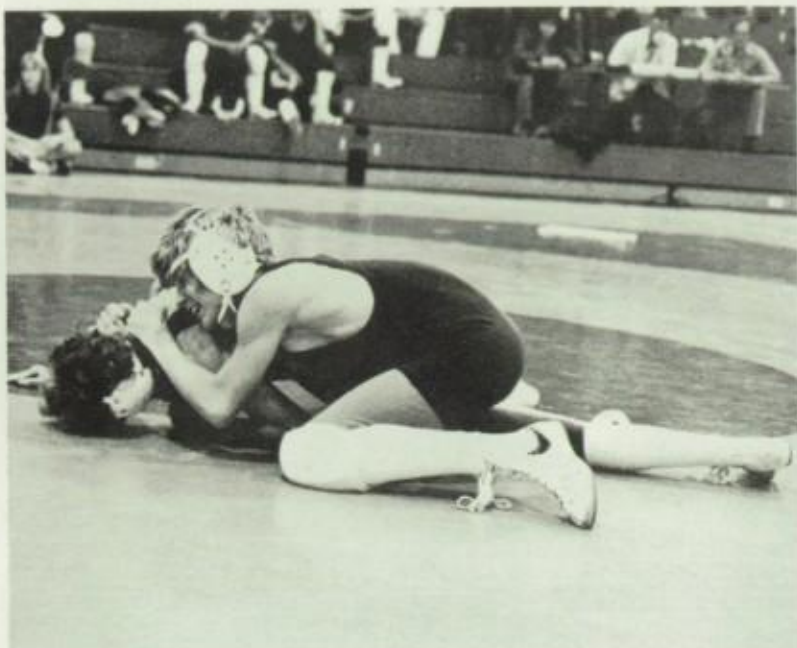

This was the finest season the Bruin wrestlers ever had in Browne history. They tied their dual

meet record of 7-3 and sent a record-six wrestlers to state. They also set a couple of records in the Divisional Tournament with three 1st place winners and points scored in the tournament. There were only three seniors on the team (Danny Whitson, Tres Kane, and Tony Silva) which could prove to be valuable the next few seasons.

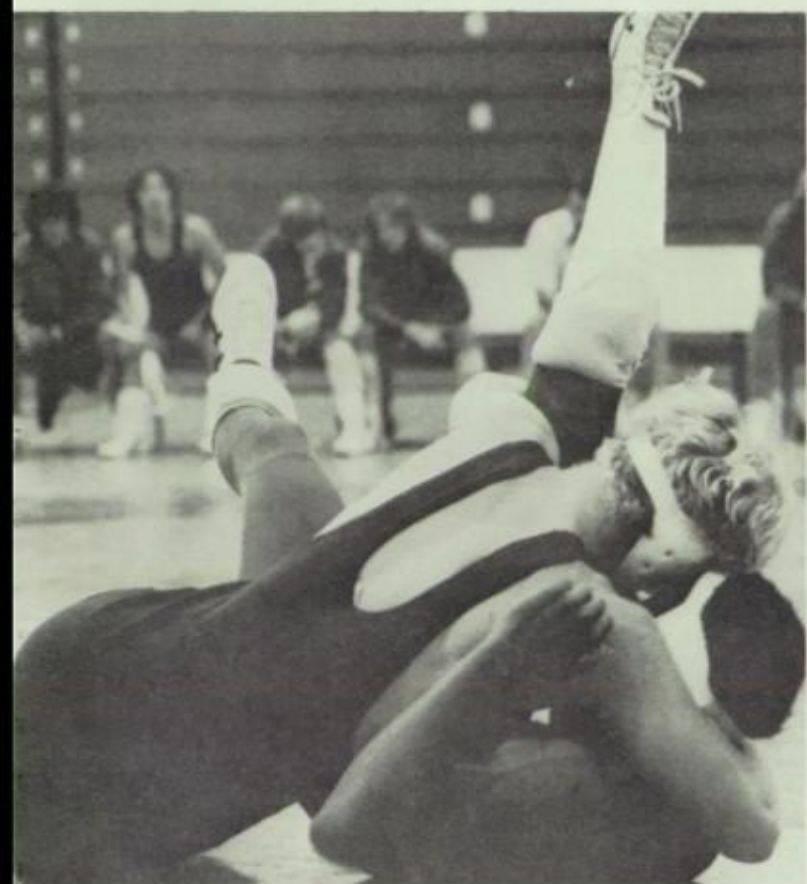

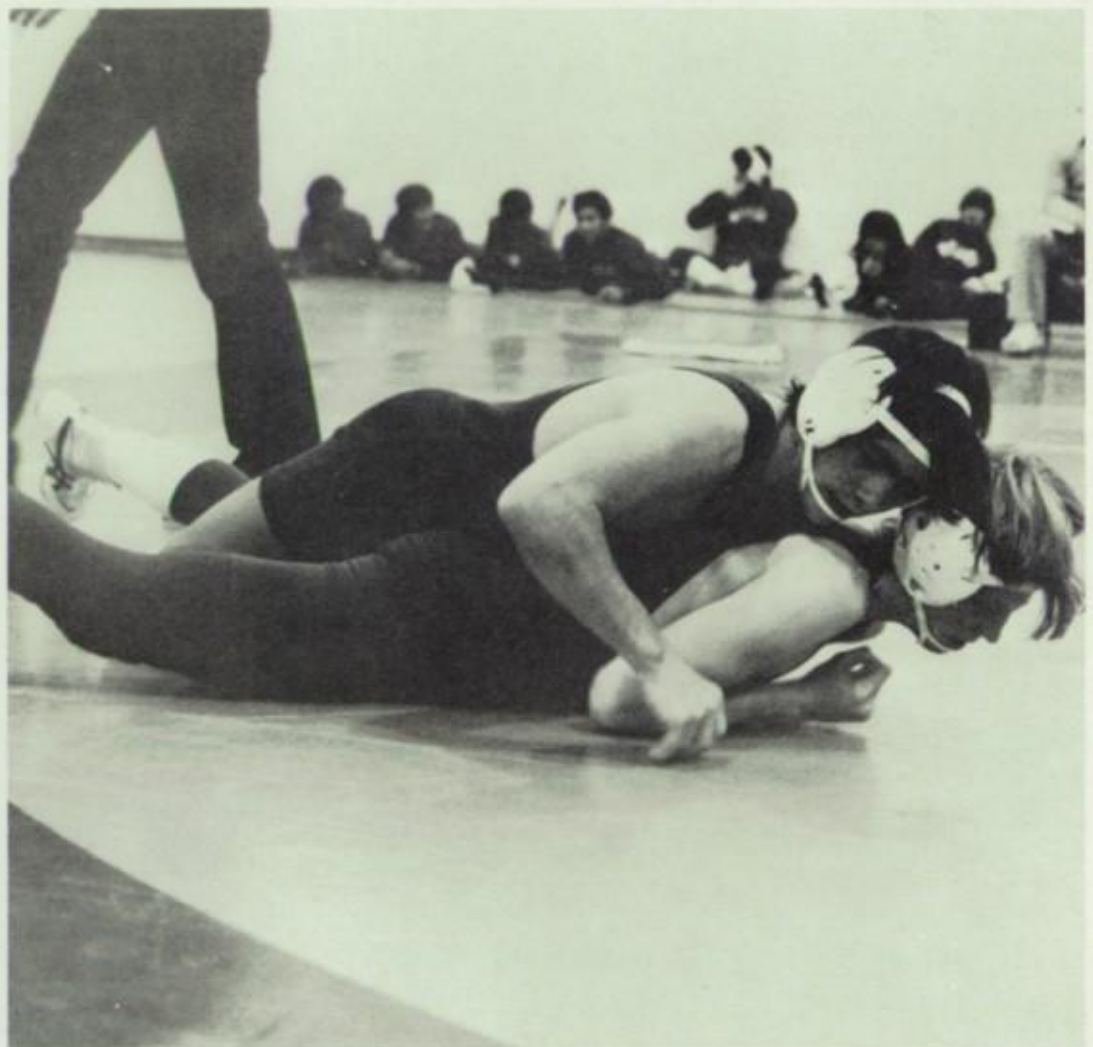

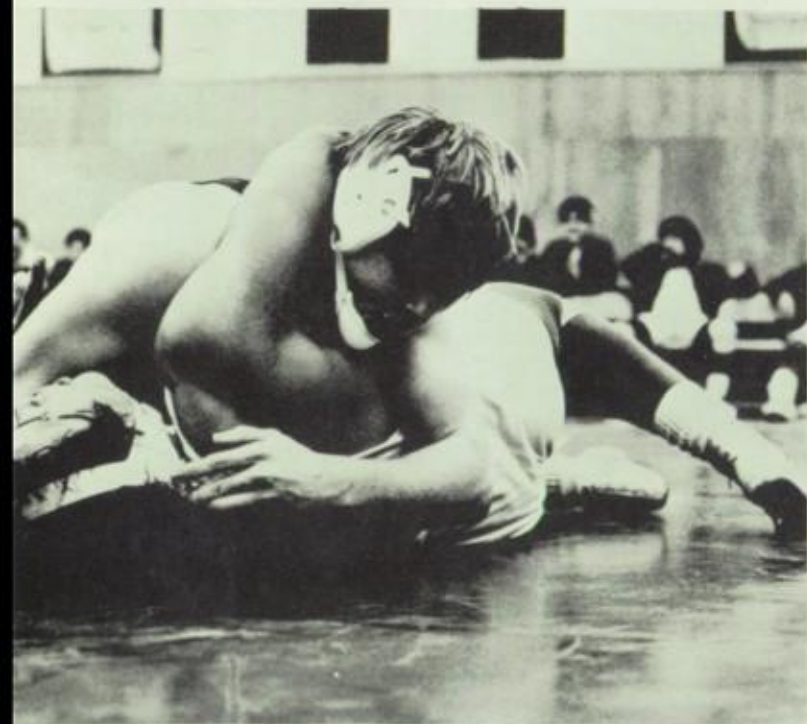

J.V. Successful

KNEELING: Mitton, Dan Whitt, Mike Gnihuire, Stan DeShajio, Jim Davis, Brian Barnes, Manuel Gurule, Robert Lafoy 1st Gary Wingo, Theron Frazier, Larry Mendosa, Larry Brown, Reed Krowlton.

The J.V. wrestlers had an average season beating most of the teams they faced. They worked hard each day off in preparation for their matches and had a lot of dedication. Some inexperience which will change next year at the Varsity Level, held back the Bruins from the greatest season. Coach Mitton should be commended on the job he did.

Frosh pin's

Under the leadership of Coach Palmer the Freshmen had a fine season. Thirteen boys were out for the team, three lettering in Varsity. Averaged giving up only 18 points a match and won a total of 77 of 91 matches. Kenny Mills pinned every opponent he faced. George Tellez went 11-0 during the season. With the talent of this team the Bruins will be tough the next few years but will still need more boys to come out.

KNEELING: Paul Robinson, Alan Head, Richard Carpenter, Joe Gustims, Jack Matherly, Roger Wells
STANDING: Coach Palmer, Mike Loya, Ken Mills, Brian Rognholt, Lance Fisher, Ray Knowlton, Roger Wells

Girls love to raise racquet

standing: Coach Arle, Renell Browning, Pam Nix, Diane Stevens.
kneeling: Karen Parks, Terri Robinson, Karen Regman, Xanna Barton.

Girls tennis is becoming a good sport come springtime. We have one of the finest girls in the state in Karen Regman. Coach Arle has been quoted in saying "Karen is such a fine player I'm not even going to coach her."

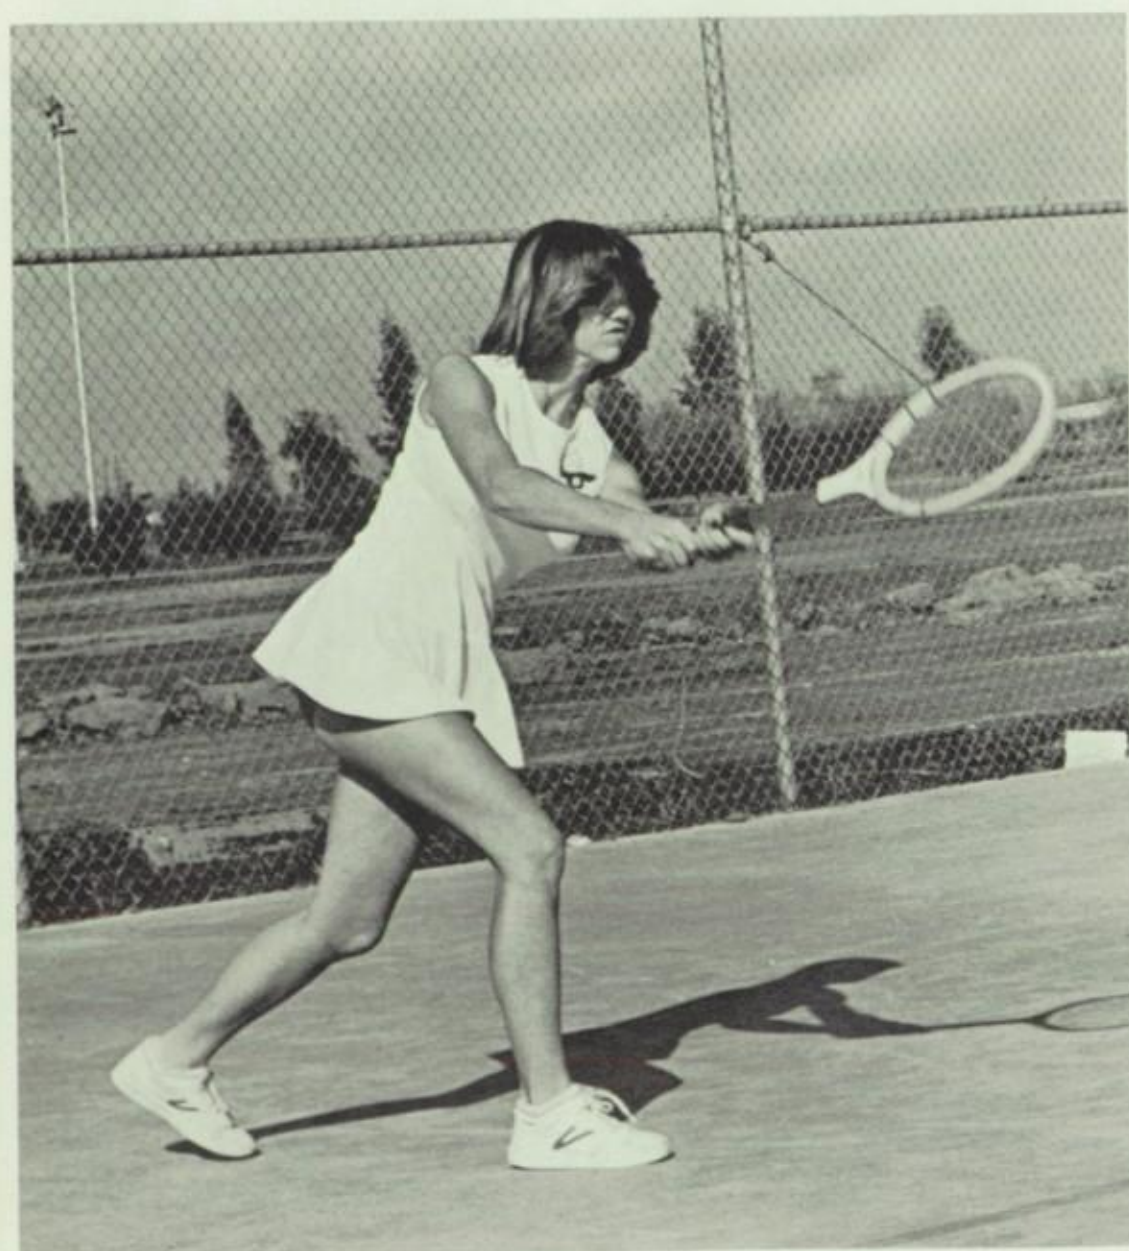

Karen is only a junior and will have next year to show her superior talents in tennis. There is only one senior on the team which means we will have a lot of returning players next year.

Coach Arle was looking to send Karen to state as well as our double team. He also hopes to place second in divisions.

sitting: Vicki Ohlm, Sherry Thomas, Darlene Taylor. standing: Bobbi Mooney, Coach Arle, Jovelle Clark.

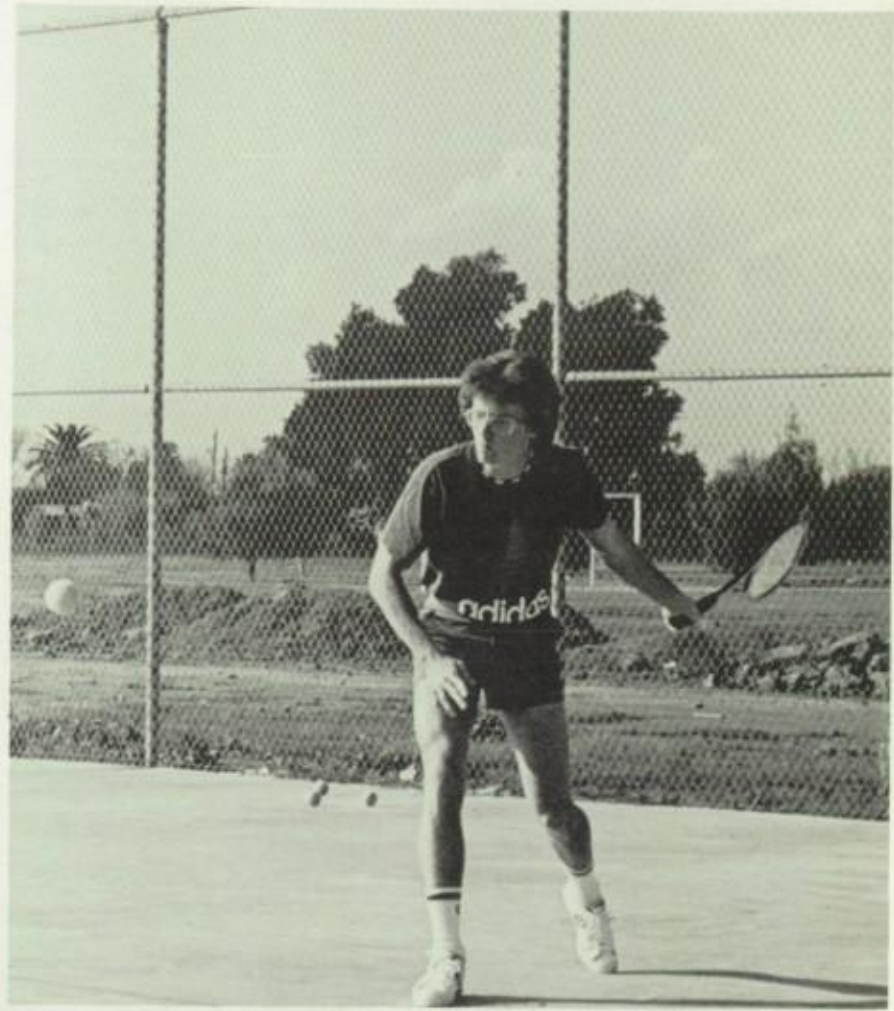

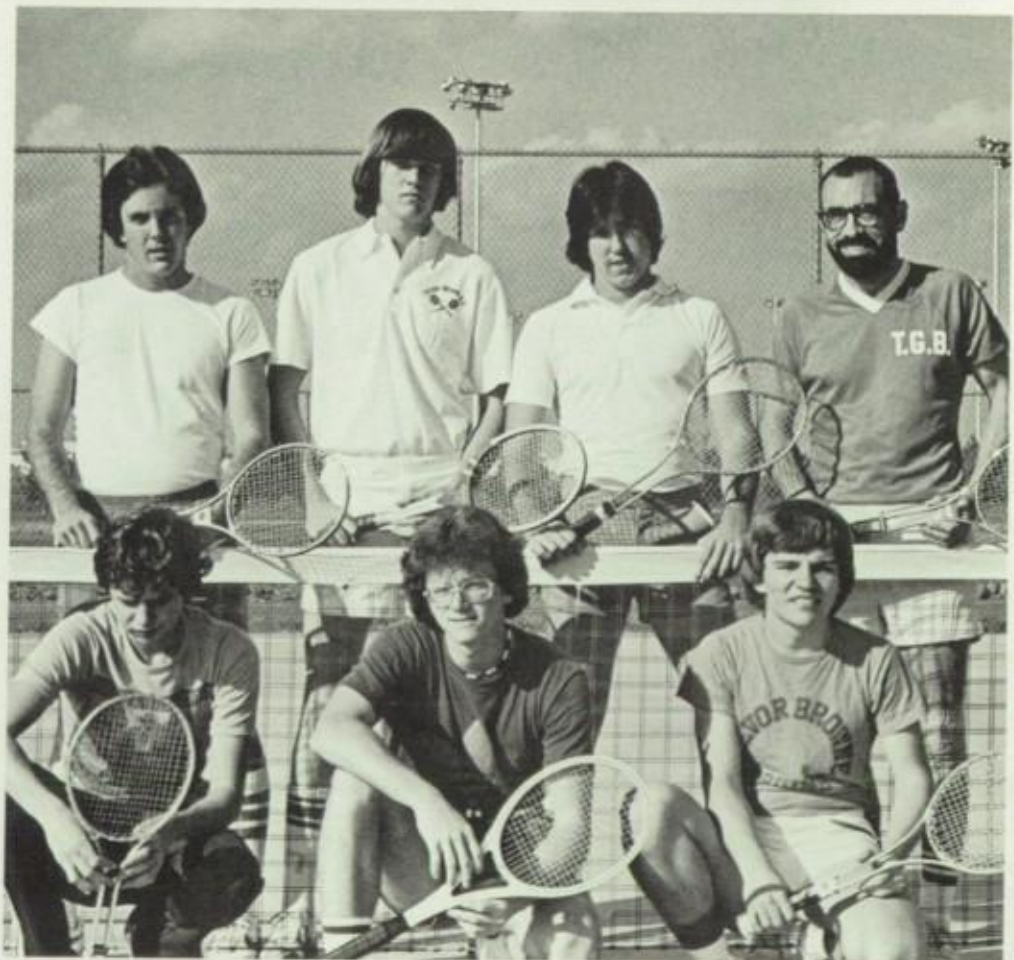

Top: Renell Browning with a backhand.
 Above: Sherri Thomas showing good form hitting.

Tennis sees improvement

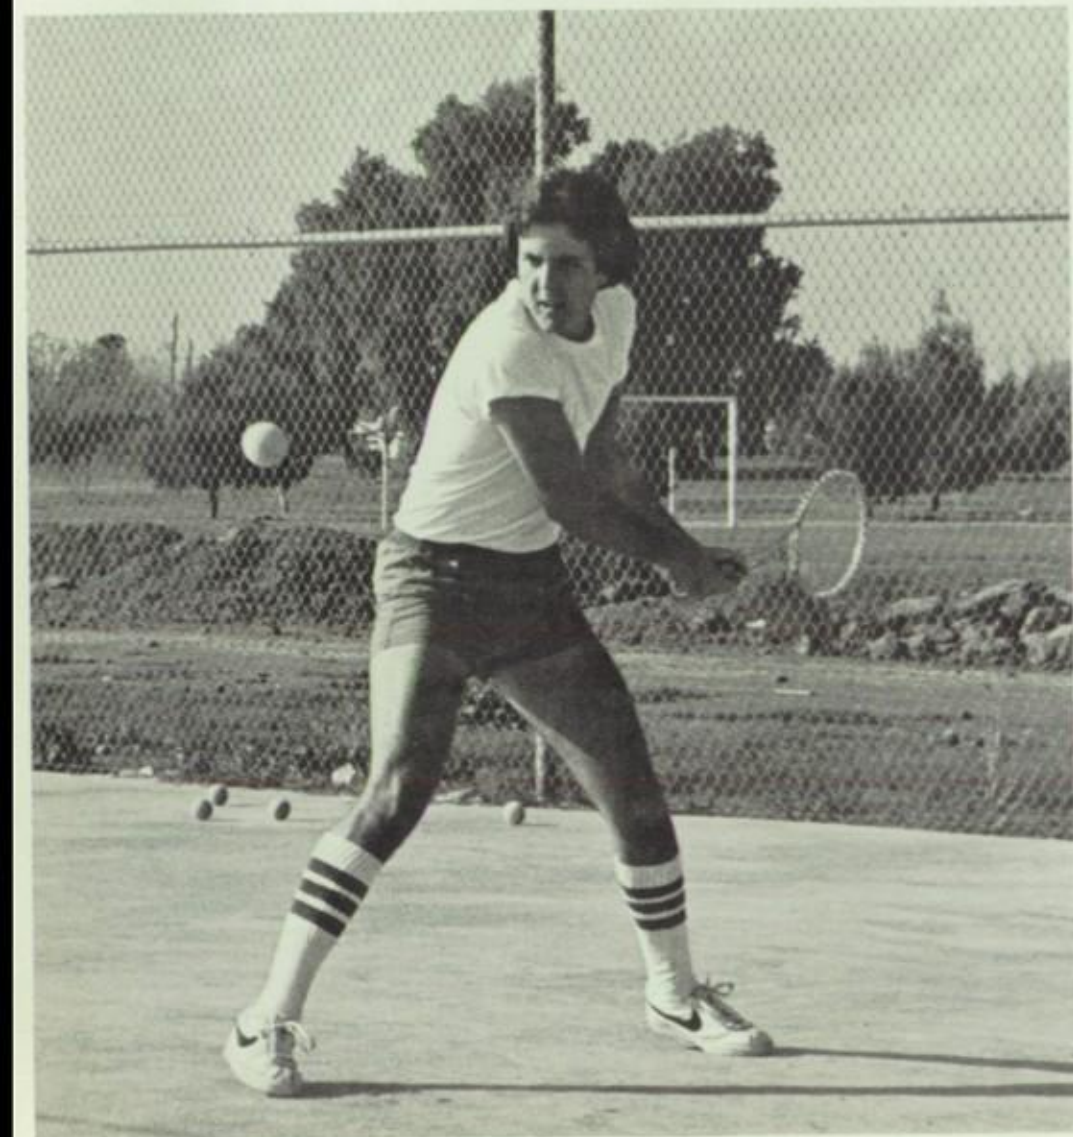

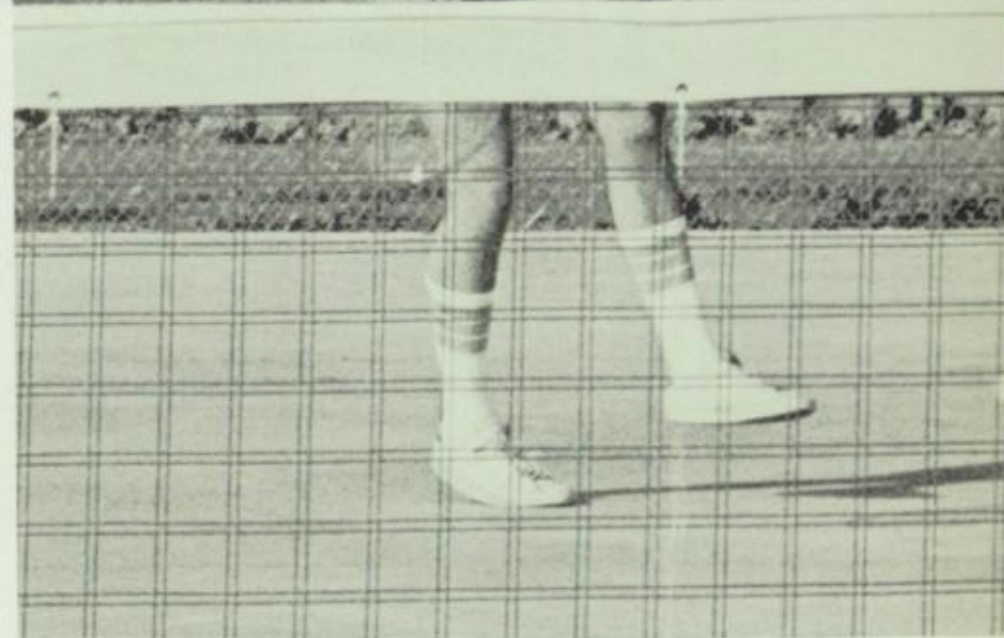

J.V. Tennis is dominated by freshman. There are 8 players, 7 of which are frosh. That leaves #1 Jon Michaels a sophomore to lead the team. Coach Kessler feels after these guys mature the Tennis Teams should have a promising future. This years Varsity Boys Tennis Team is the best ever, according to Coach Kessler. There is not an outstanding player on the varsity team, but there is plenty of depth. Kenny Perry is the #1 player and is only a Junior. He is making a fine comeback after last year when he broke his leg. Coach Kessler is very confident his team will do fine and should have no problems.

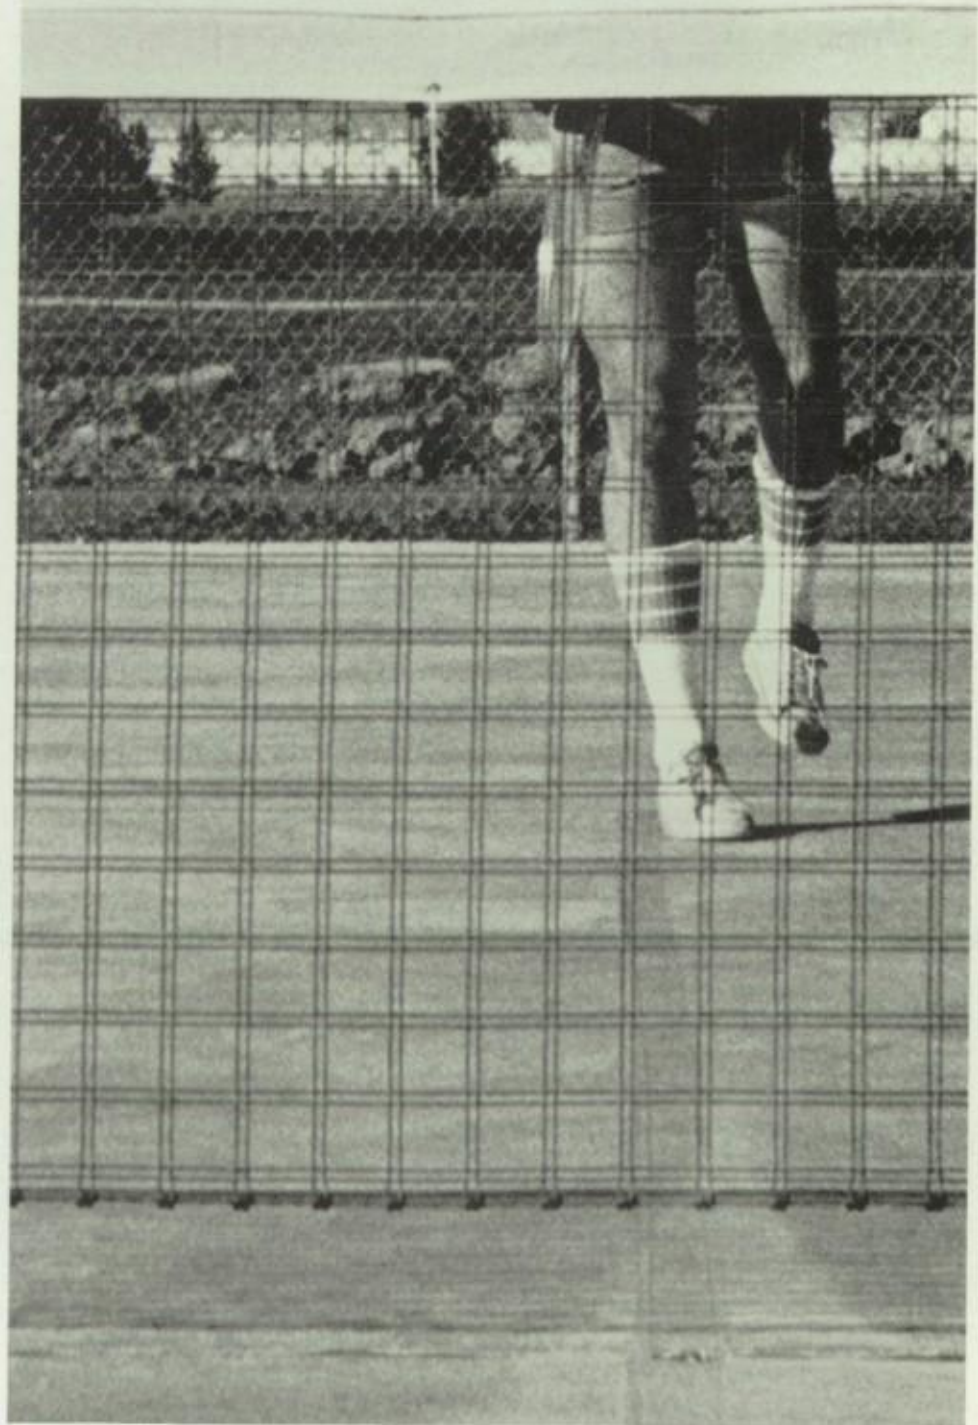

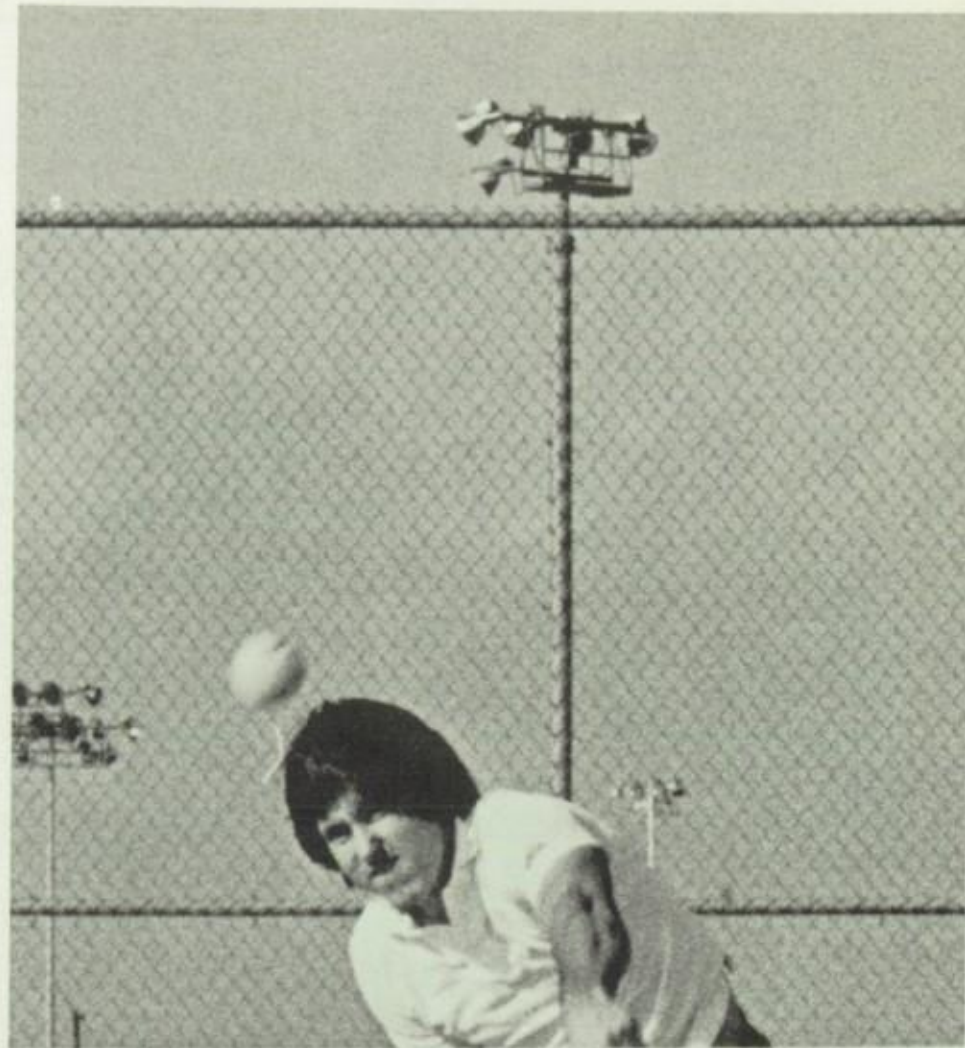

J.V. - Sitting: Ken Liljergren, Blair Robson, Richard Perry, Richard Pikul. Standing: Coach Kessler, Scott Burdett, Pat Ryan, Gary Green, Jon Michaels.

Varsity- sitting: Brett Garwood, Ron Rouyer, Steve Selig; standing: Steve Perry, Brian Geutry, Kenny Perry, Coach Kessler. Not shown; Kenton Steiner, Jim Anderson, and Sam Beeson.

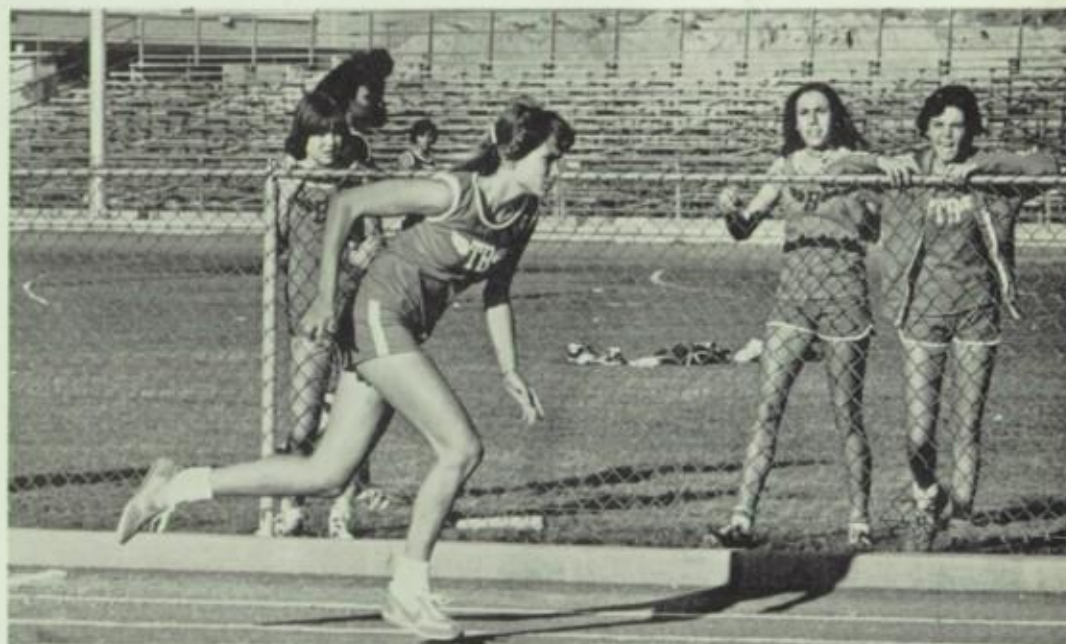

Girls Track

Girls Track went into its fourth year with still small turnouts. Those girls who did go out were hard working and young. The girls needed more experience, but neglected by some of the fine girl athletes hurt chances for a good season. The top girl in track is Jacque Maynor who high jumps and is one of the finest in the state. She also is only a Junior. In a few years with the youth on both J.V. and Varsity the team should become more experienced and be a good team.

Run, jump
and put

Track Starts Fast

Track takes a lot of work to become good at it. There were many fine competitors on this year's team. In field events probably the top star would be Steve Thomas in the high jump. Last year he finished third in the state and holds the school record in the event. Steve was hoping to reach the 7 foot plateau by the end of the season, and possibly a state record. Danny Whitson (shot put) is another outstanding field event star. In the track events the stars were Denny Harkins and Martin Sims in 440 and mile relays, Curtis Sanders, 100 yard dash and mile relay, Jesse Sixkiller is our fine distance runner. This team had fine talent and has a lot of individual talents as well.

Super Frosh bring browne dynasty

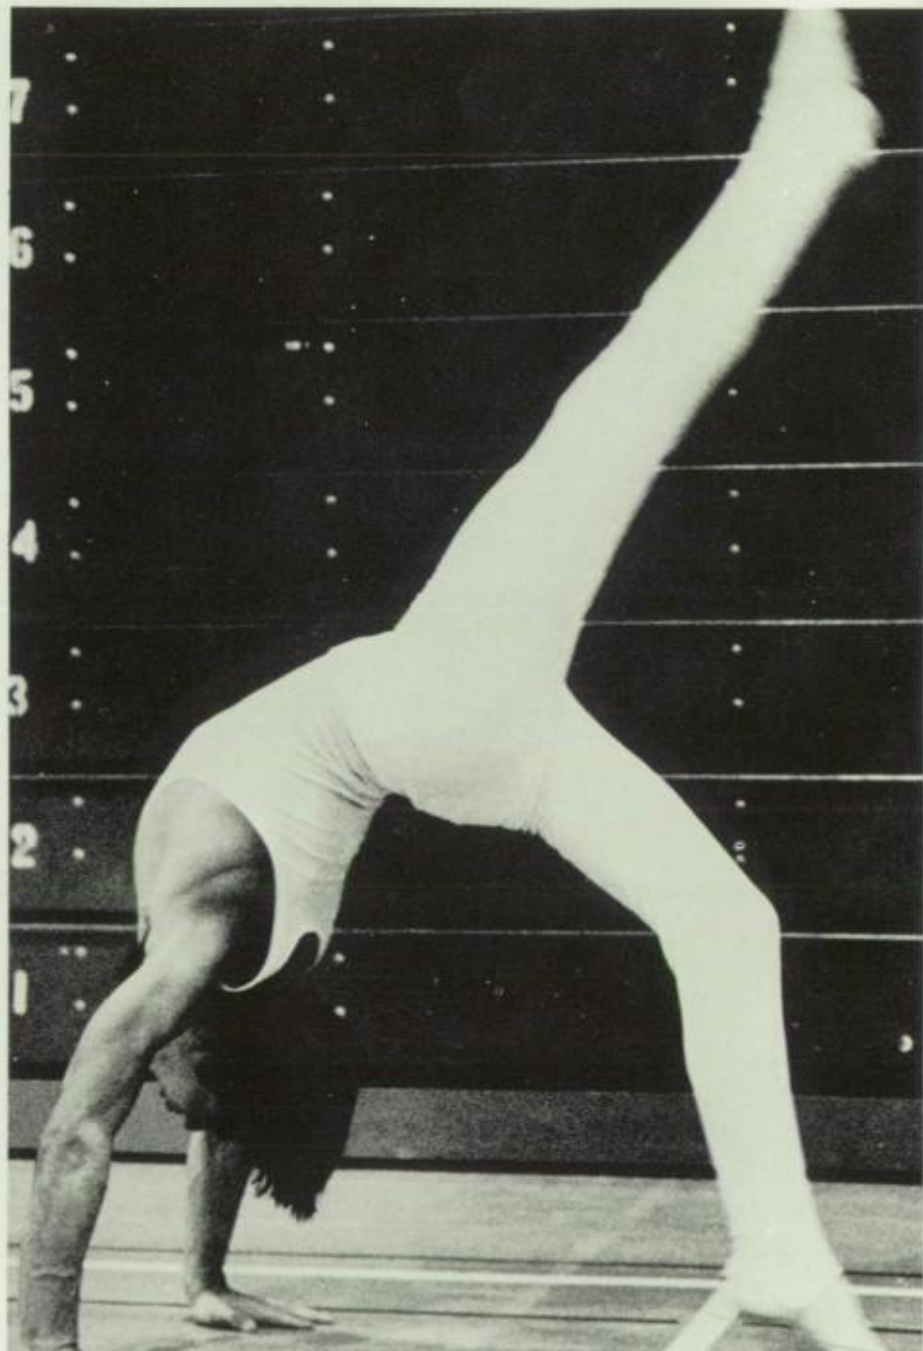

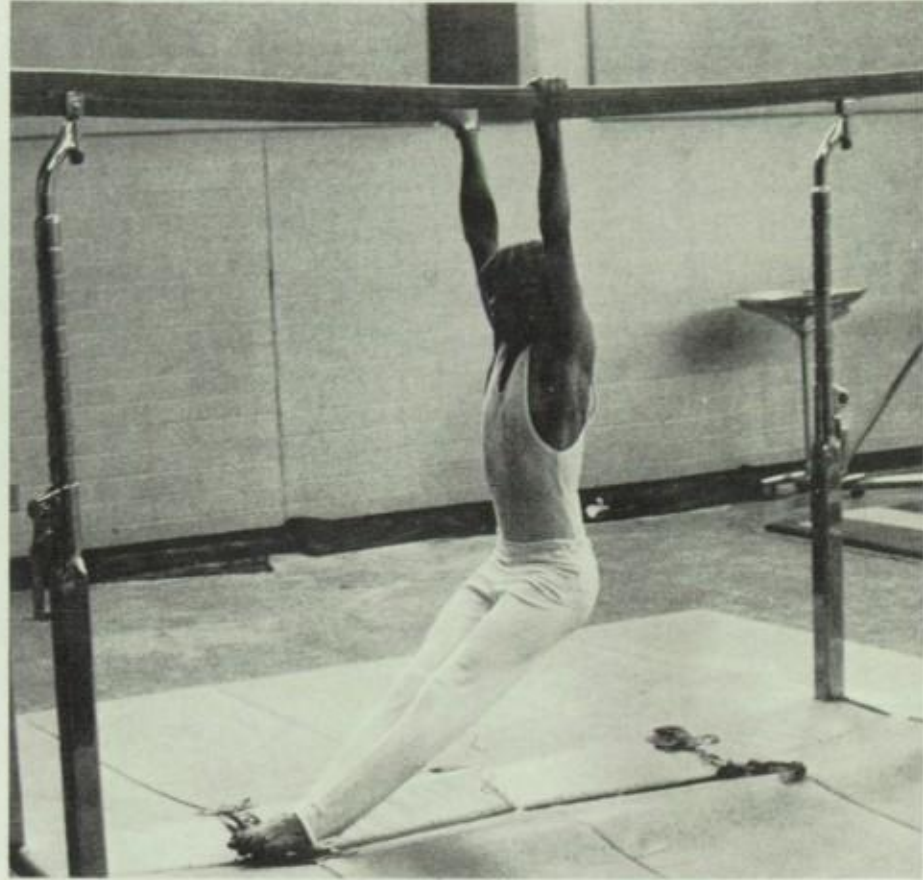

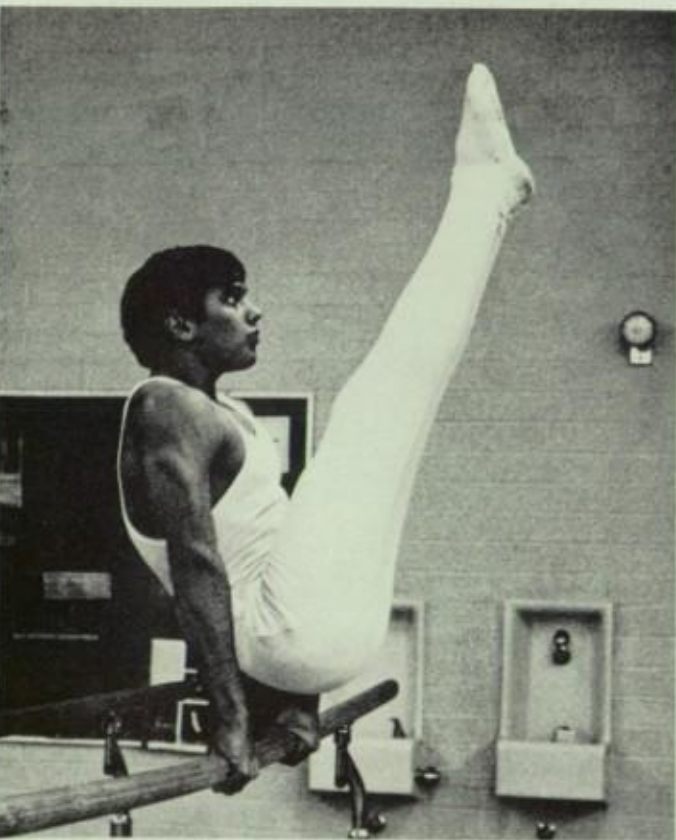

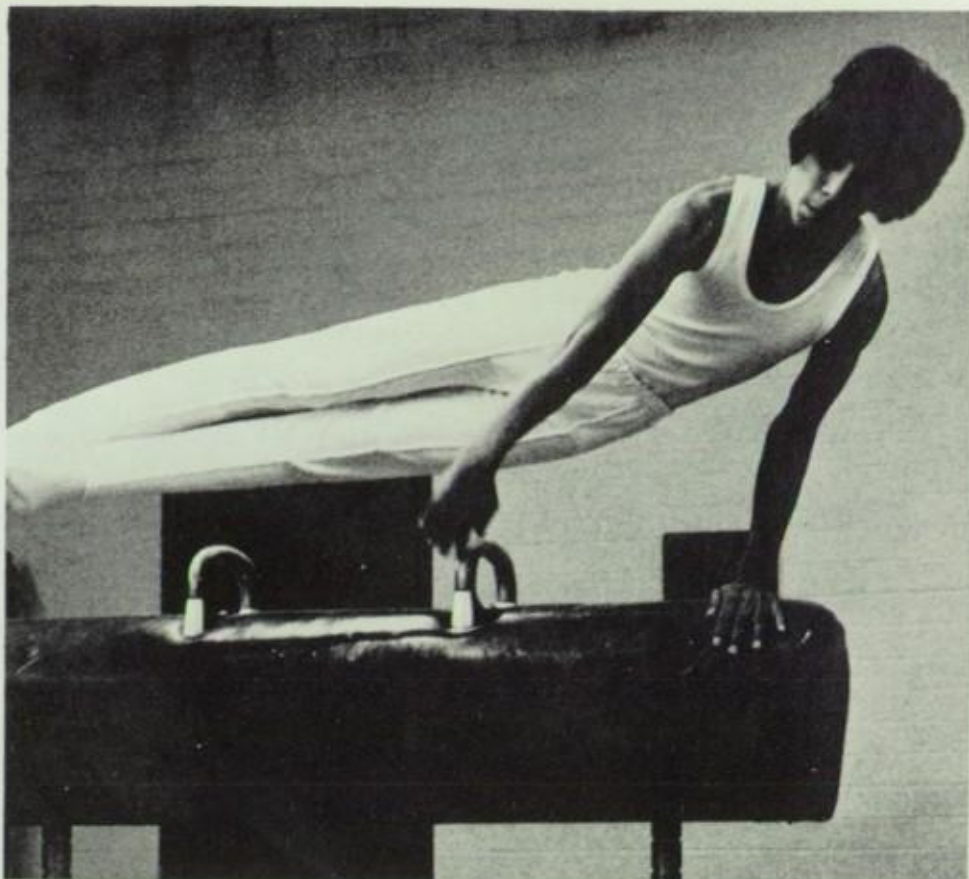

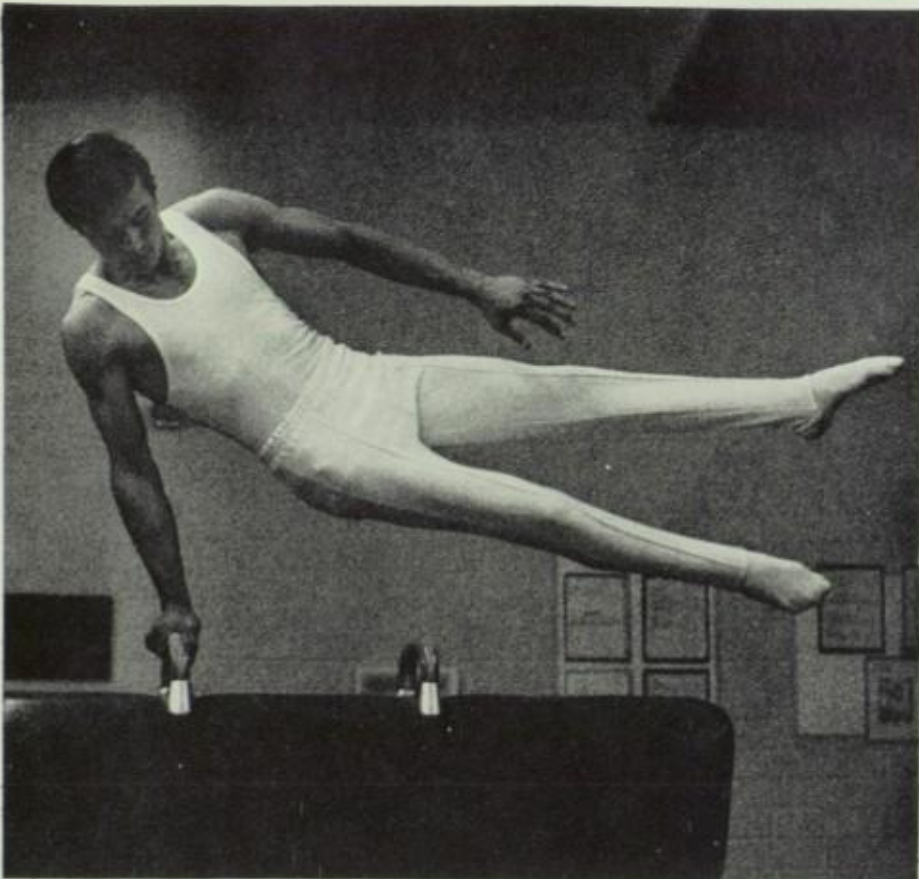

Freshman have a lot to do with future in sports at Browne. The talent of this year Freshman's should lead to a promising future. Rick Rickett does discus and is relay and runs dashes off and on. Matt Stone runs 440 relay, 440 dash, and mile relay. With athletes like these if they come out we could possibly have the best track team in history in a few girls.

Top row left to right/ Rick Pickett, Matt Stone, Tom O'Meara, Paul Hand, Sebastian Calazado, David Stoner, Jack Blake, Jesse Marquez, Russell Ricker-son, Frank Buff, Jesses Moreno, and Coach White. Bottom Row Left to Right/ Jim Aevers, Jesse Padilla, Mark Mahoney, Dustin Wiley, Brian Robinson, Mike Gutierrez, Joey Gustems, Larry Gast, and Jim Cooper.

Gymnasts improve

KNEELING: Mike Flanagan, Robert Chelton, Rusty Simington, Mike Romero, CyJoy, David Johanning, Kenny Walker. STANDING: Bill Chelton, Dareel Johanning, Ron Kelly, David Ramirez, Ed Rogers, Randy Schellenbaum, Danny Fyfe, Gale Skousen, Jim Wagner, Coach Jerry Zamboni.

The Gymnastics team has been improving each year and this is no exception. They were dominated by youth. It takes a lot of work to be a good gymnast, and all young men worked over 2 months before the season and continued to work out during the season. These guys should be commended on the amount of work they put into this sport and the good job they did.

Golfers up to par

Golf is the only non-spectator sport at Browne. It is also one of the most successful sports at Browne. In 1974 our golf team took a Divisional Championship and we have always been near the top come the end of the season.

This season was no different Dean Johnson, Junior standout finished very high last year at state and this year no difference could be seen. Other outstanding golfers include Lester Gardner, Mike Kerby, John Bennett, and Bob Paone, all of which are Seniors.

Softball not for powder puffs

Sitting: Debbie Edans, Beebe Clark, Shelley Nelson, Jacque Maynor, Chris Pamula. Kneeling: Jill Thornton, Lori Spiva, Sandy Perrigo, Gay Wilcox, Jenny Mullenix, Diane Stevens. Standing: Dee Stevens, Mary Levy, Carrie Jines, Pam Schumacher, Coach Gary Taylor

This years Bruin Varsity Softball Team had two primary goals. One of the goals was to make the playoffs (which they did) and to build a successful softball program (60 girls came out this year).

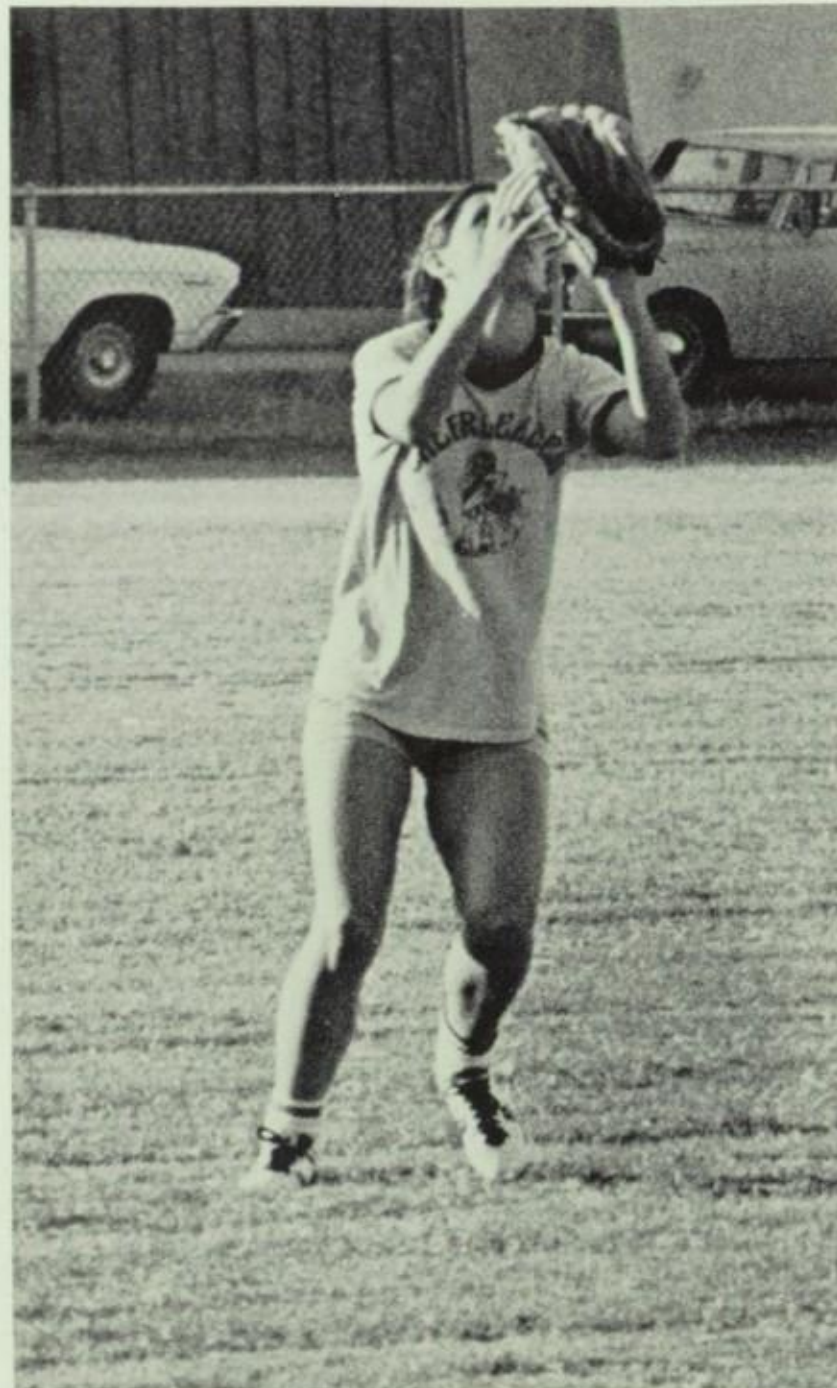

The success of the season was largely due to the fine coaching job by Garry Taylor, and a vital element, teamwork. The team was in complete unity and had a lot of depth. Youth dominated the team with only three senior starters. (Jenny Mullenix, Carrie Jines, and Sandy Perrigo). There are only two pitchers (Dee Stevens and Debbie Edans) who are sophomores. The youth of the team could prove to be a valuable asset in the future.

Some of the highlights of the season included a shutout over Maryvale; beating league champion team Alhambra and finishing third in a 16 team Christmas Tournament. They finished the season with a 13-5-1 record and finished third in league. They won their first divisional Tournament Game, but were turned away by Alhambra in the second game to end their season.

All Division

MIDDLE UPPER RIGHT: Lori Spiva going through the motions. MIDDLE LOWER RIGHT: Debbie Edans pitching. TOP: Sandy Perrigo waiting for fly ball ABOVE: Pam Schumacher pivoting for a double play.

TOP: Jenny Mullenix, rounding third ABOVE: Bench looking on as team bats TOP RIGHT: Carrie Jines swinging for a hit. MIDDLE RIGHT: Gay Wilcox takes a pitch. RIGHT: Jenny Mullenix slides safely in to home.

J.V.'S kick booty

Ms. Johnson, Brenda Piper, Marie Crawford Valerie Carey, Dana Grew, Janine Loutherback, Cheri Clark, Debbie Carey, Sandy Spiva. Laurie LaCount, Kathy Sherwood, Kelly Hall, Julie Williams, Monica Shelly, Sherri Pearston, Debbie Drinkwater.

The young ladies on the J.V. Softball team did a super job. They finished the season as Division and City Champs. The girls lost only two games and when they won, most of the time it was big. These girls should be added strength to a super Varsity Softball team next year. Congratulations, and good luck in the future.

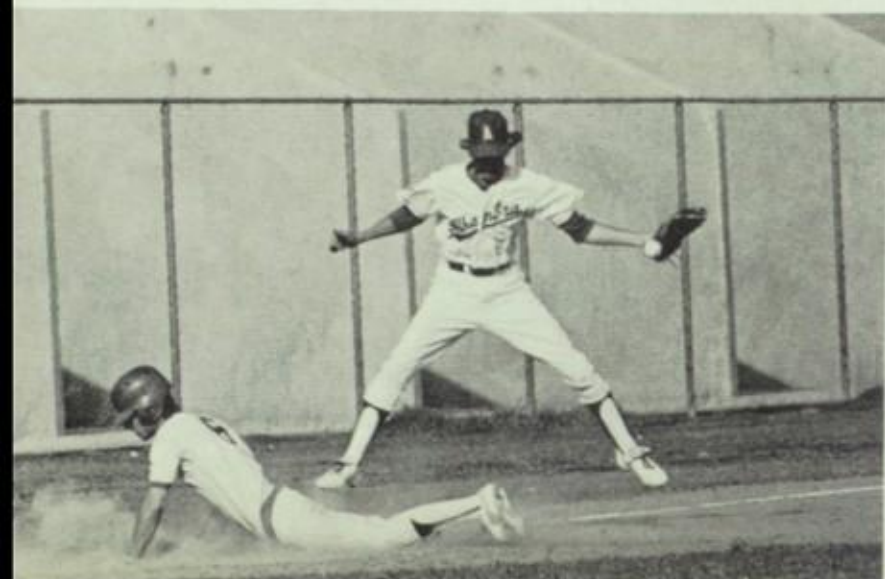

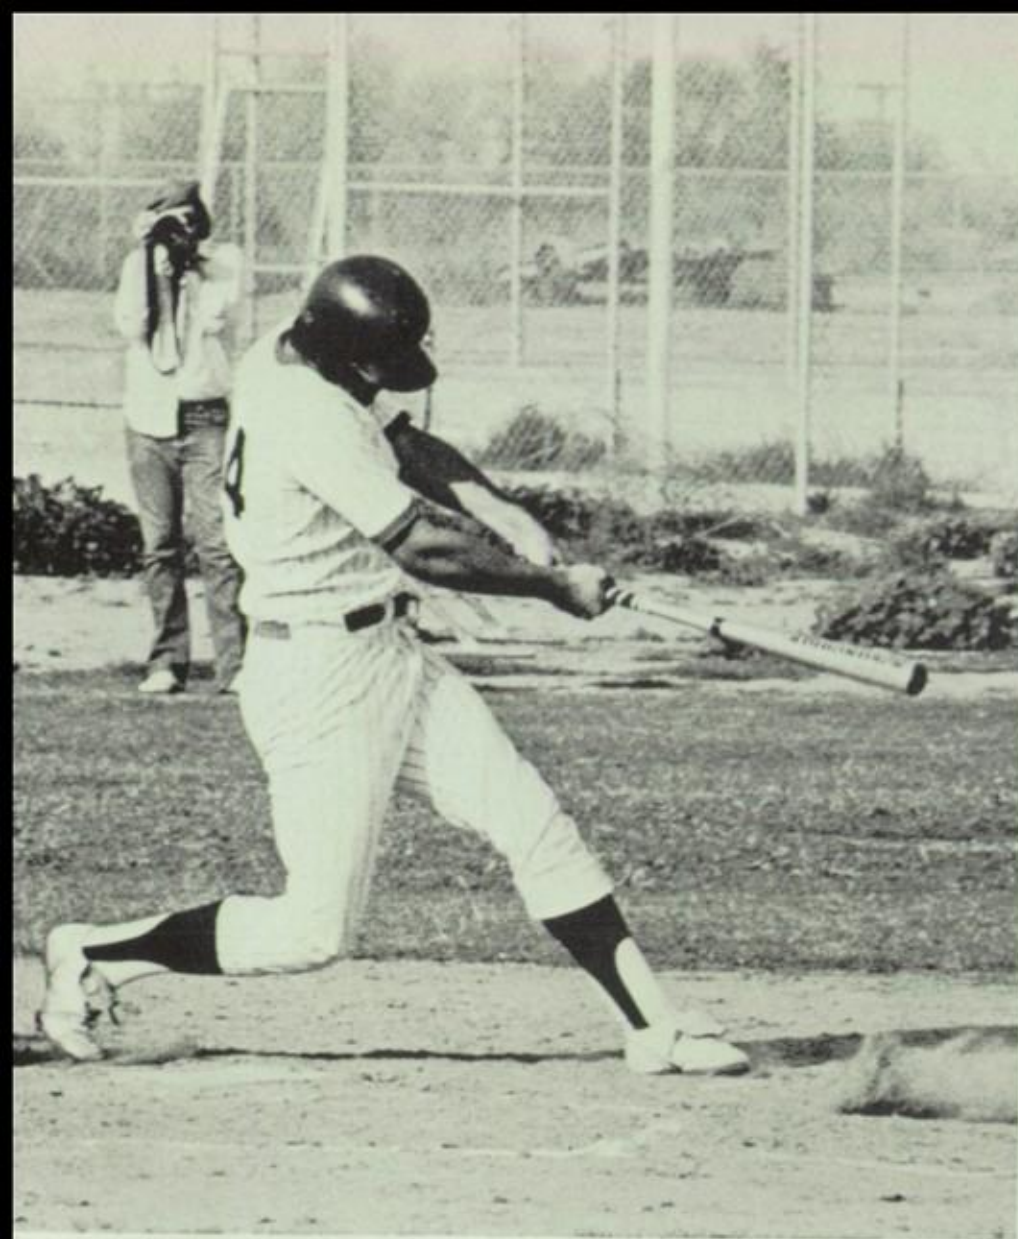

Baseball is becoming the "thing" at school. We probably have one of the best, if not THE best baseball program in the state. Coach Ashley is one of the finest coaches in the state and knows how to use his talent. Coach Ashley is also high on discipline, and you can talk to any of the players about that. Coach has stated, "Sure if you got the talent you gonna win a lot of ball games." Last years team finished number one in the state and number eleven in the nation. This years team, bolstered by a lot of players from a 19-0 J.V. team last year. The team is full in depth in pitching with pitchers like Greg Hammond, who pitched a two-hitter in the championship game last year as a sophomore. And then there's everybodys pick, at least at Browne, as player of the year, Brent Wilde, Brent finished last year with a .450 batting average. Coach Ashley also said the team is loaded with other hitters besides Brent. Coach said 8 of the 9 starters are consistent hitters. With these credentials the team was a top contender again.

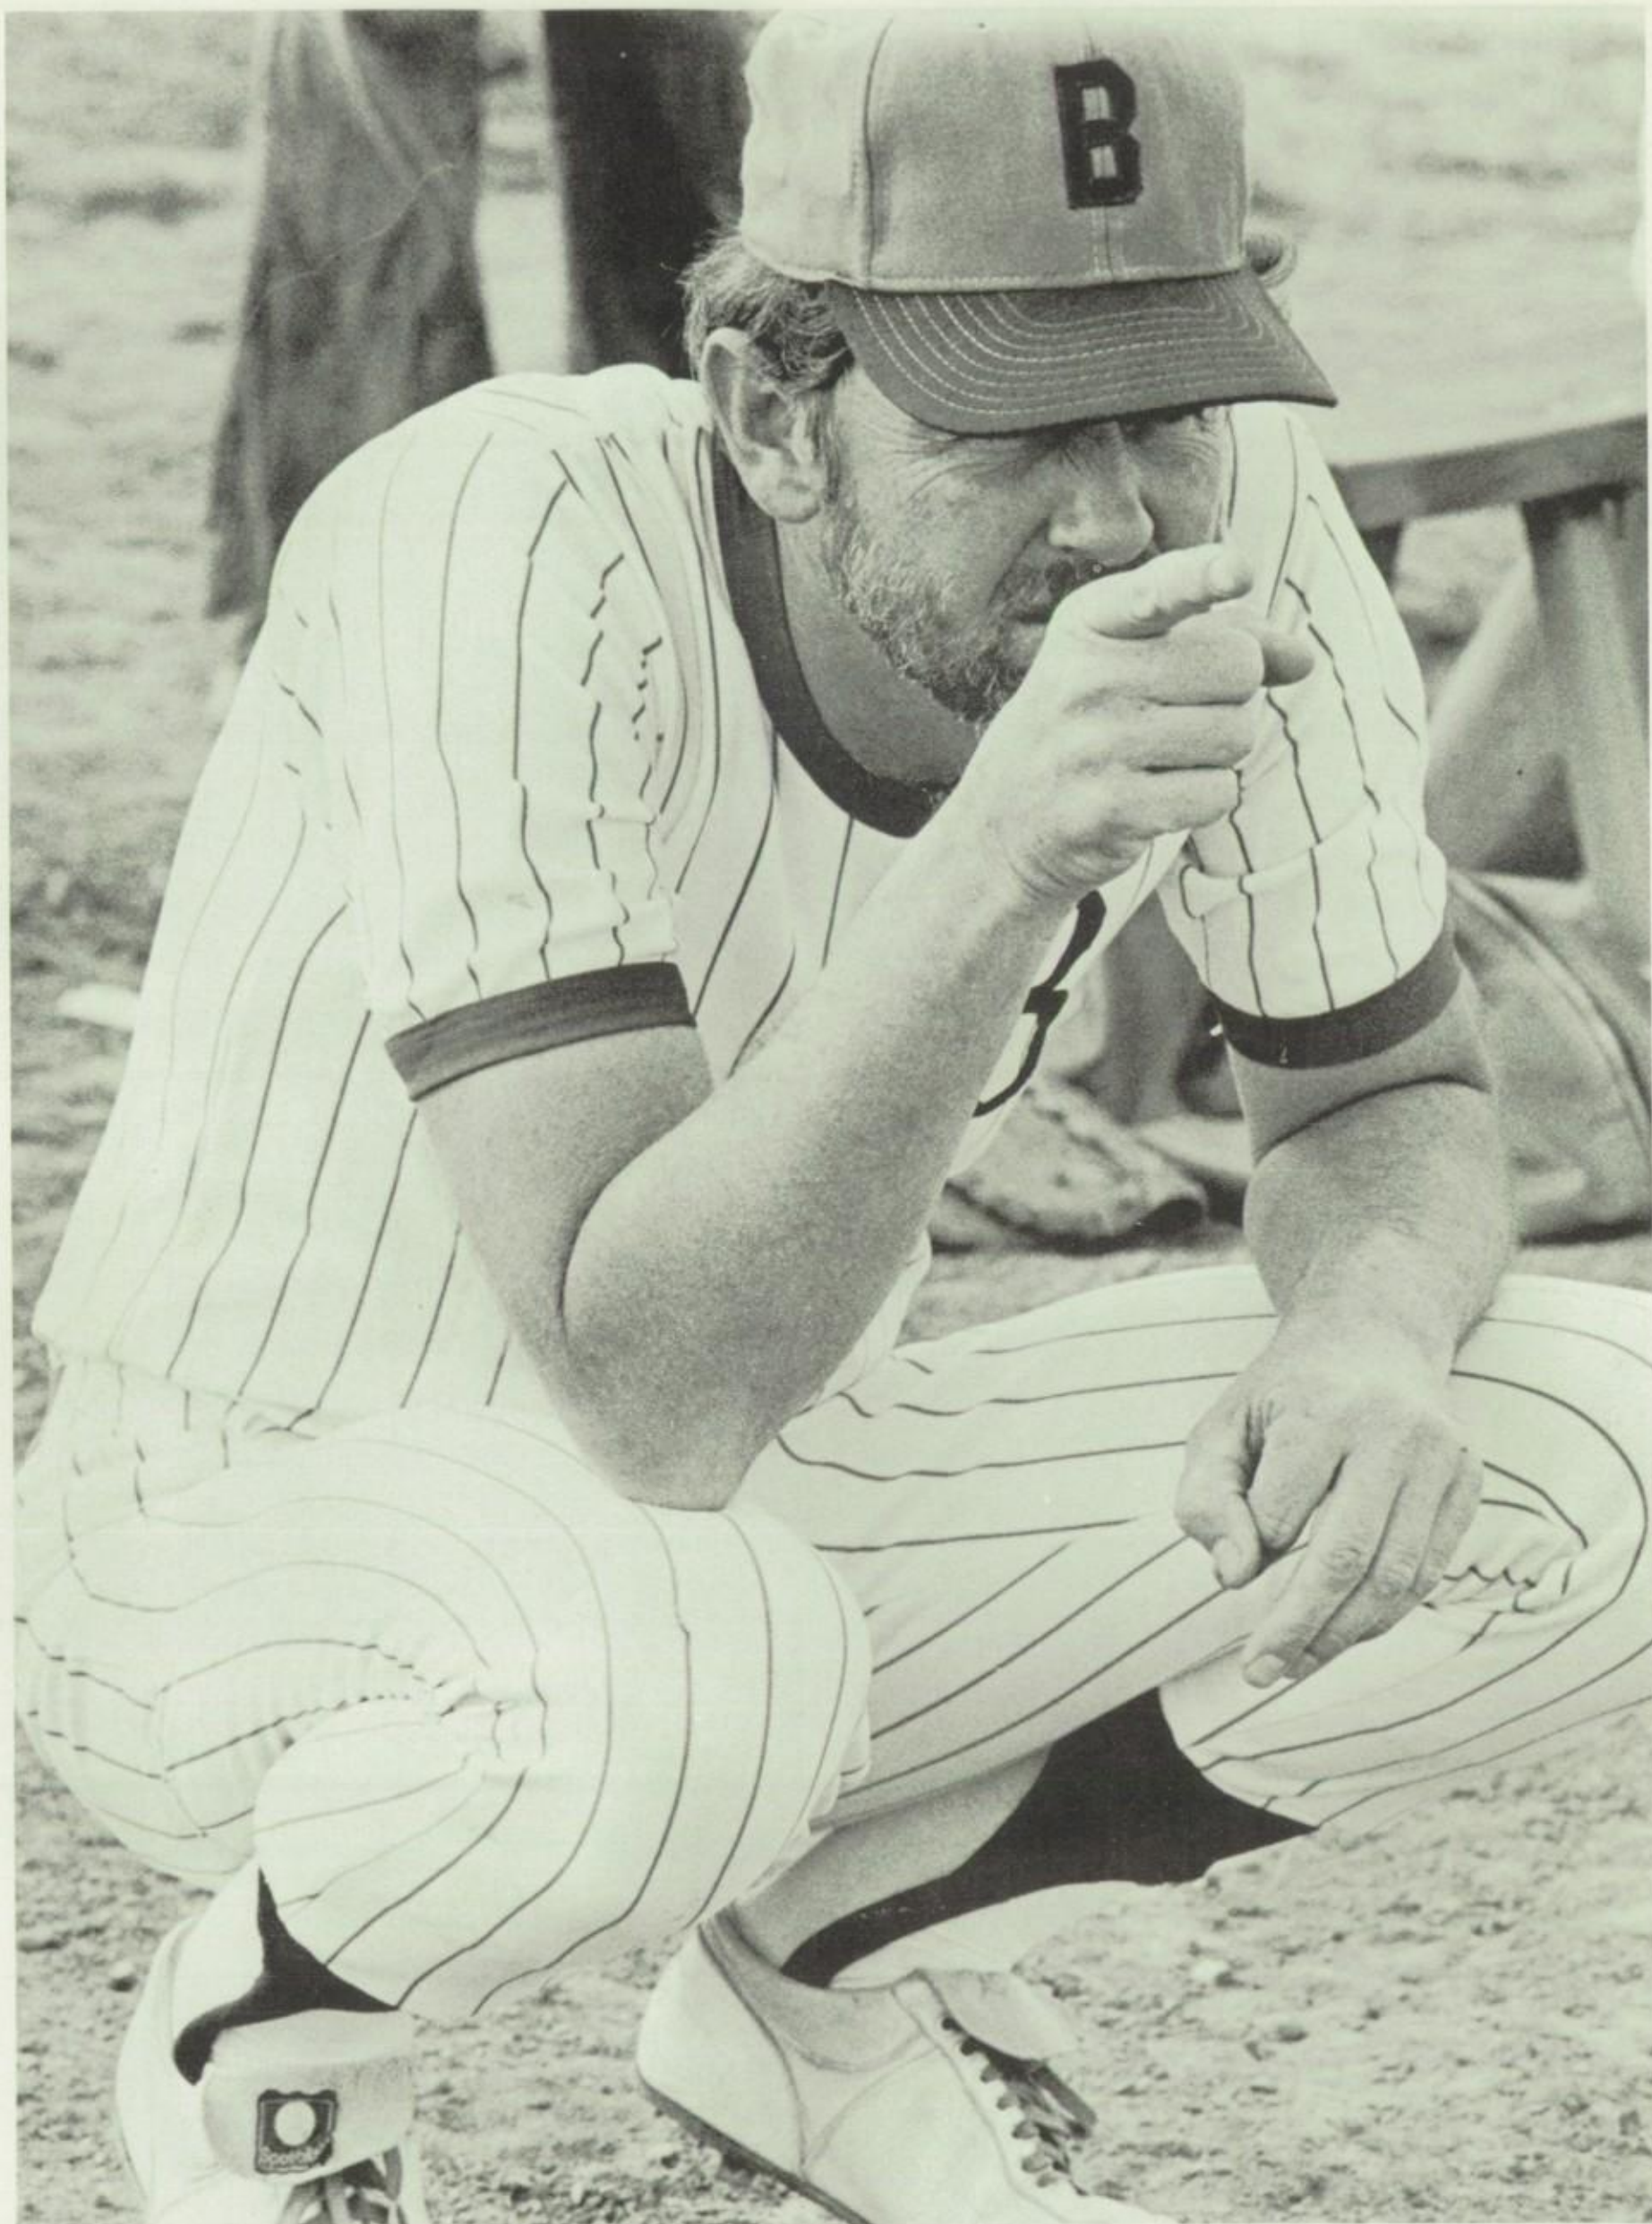

Team Members

For the third straight year it looks like the J.V.'s are going to take league championship. Stocked with players from a 15-2-1 Frosh team last year. Coach Taylor led the J.V. team last year to a 19-0 record. Undefeated is hard to do two years in a row, but only a couple of losses don't do much damage. These are a fine bunch of athletes and have enough character to carry on the fine baseball tradition our school is going to be for in a few years. With a championship at this level this year players going up to Varsity next year could help lead to another State Baseball crown.

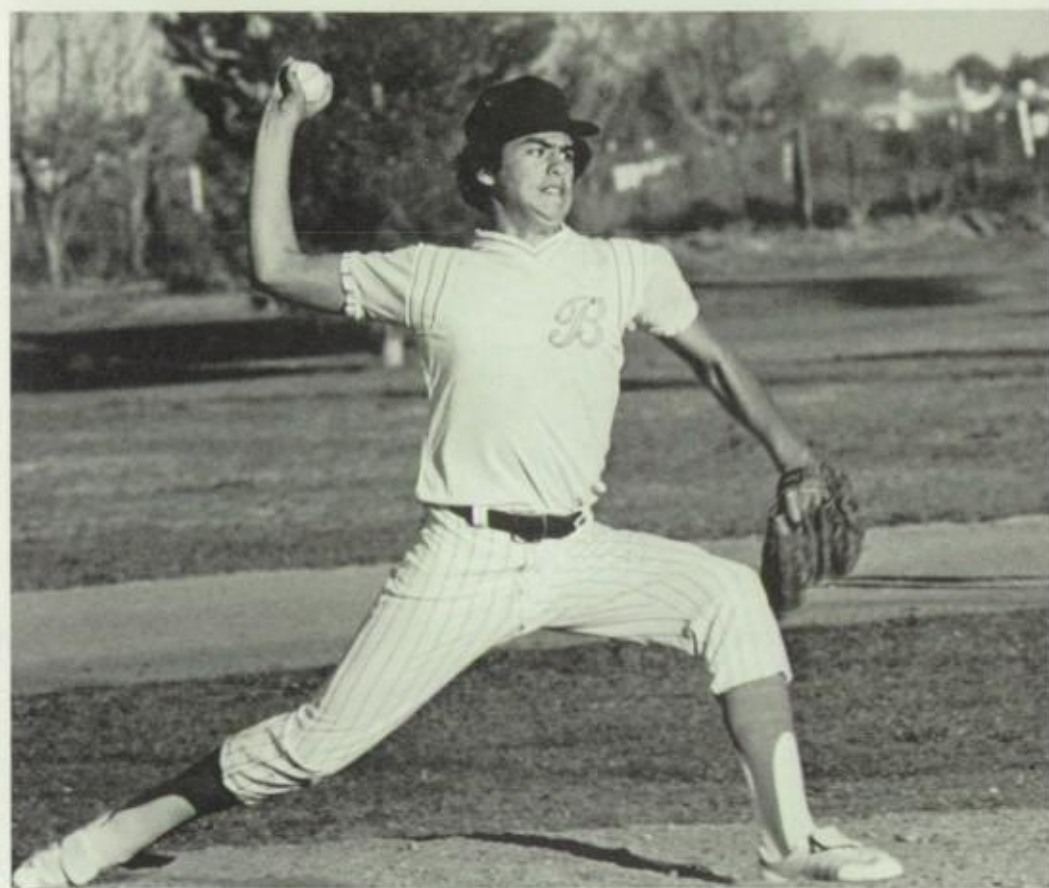

J.V. strikes again

Frosh fly

Bottom: Lance Fisher, Joey Stark, John Millam, Ray Knoulton, Tom Meyer, Brian McCormick, Scott Reynolds, Tim Comstock, Jack Matherly. Top: Mark Mahon, Mark Guyton, Phillip Bond, Jay Marcus, Jim Whallon, Jackie Villa, Mike Allgood, Steve Connor, David Smith, Coach Ingram.

Freshman baseball had a new coach this year, Coach Steve Ingram. Coach Ingram used to play American Legion ball under Coach Ashley and coached a team to the state championship in American Legion last year. His capabilities should help the Freshmen to another fine season once again. The talent is there to keep the excellent baseball program going for the next four years at least.

Lair 78

Outstanding Athlete of the year

Jacque Maynor

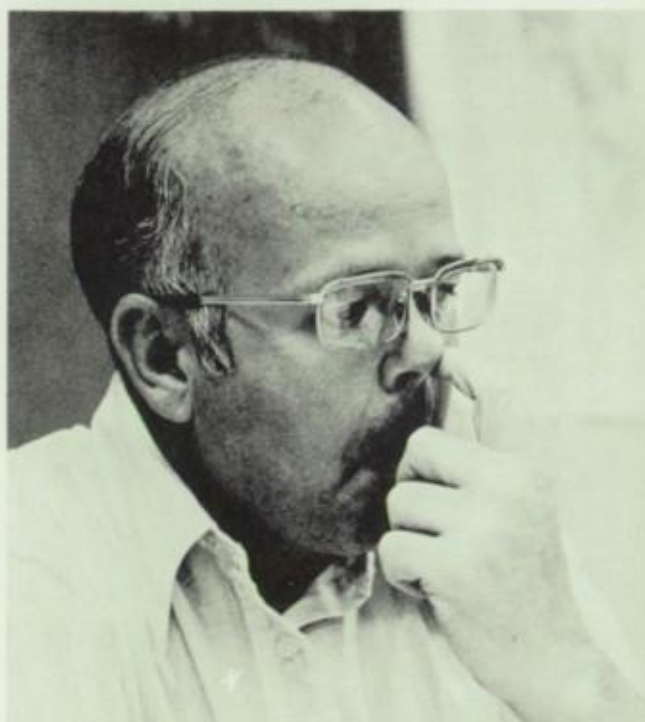

We the Sport's Editors of Lair would like to thank all the people who helped put this section together, especially the photographers and the great pictures they took. We think these pictures and the section as a whole are the best ever in school history, or at least we tried to make it that way. We would also like to thank Mom and Crow who kept pushing and encouraging us to do this section on time. (We love you Mom!) We would like to send a special thanks to Sandy who was always there when we needed an extra lift and helped us when we were in trouble. Best Wishes to all the athletes in the years to come.

Thank you,
 David Delaney,
 Denny Harkins

We're growing! And it's terrific! Another faculty member, Ms. Irene Alvarez, was added to the enlarged Business Department at Browne this year. The machines room is continually-running an offset press. This past year Sophomores were enrolled in shorthand, for the first time—with exciting results! We expect lots of skilled students to result from this opened enrollment.

This year, more than 80 seniors participated in Office and Distributive occupations off-campus. Combined earnings for the student learners totaled over \$125,000! Also, our own "Cubbyhole"—student operated store, served as a model for three other student stores opened around the state of Arizona. Exciting things are happening in the Business Department!!

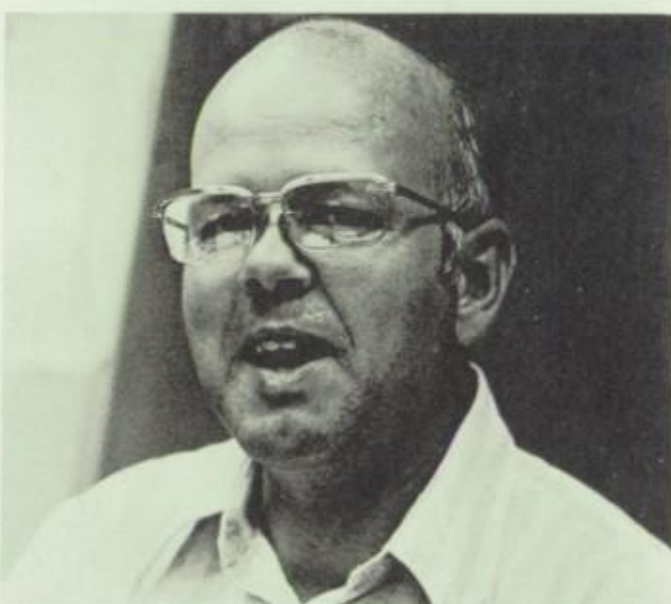

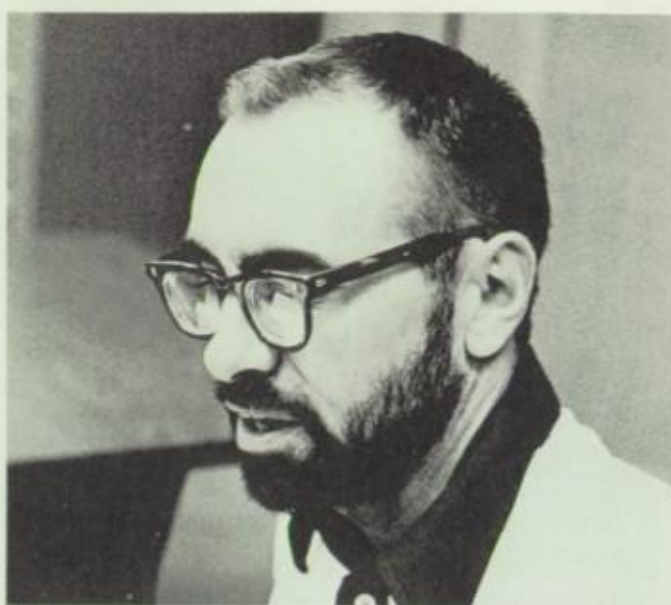

Variety adds spice to English life

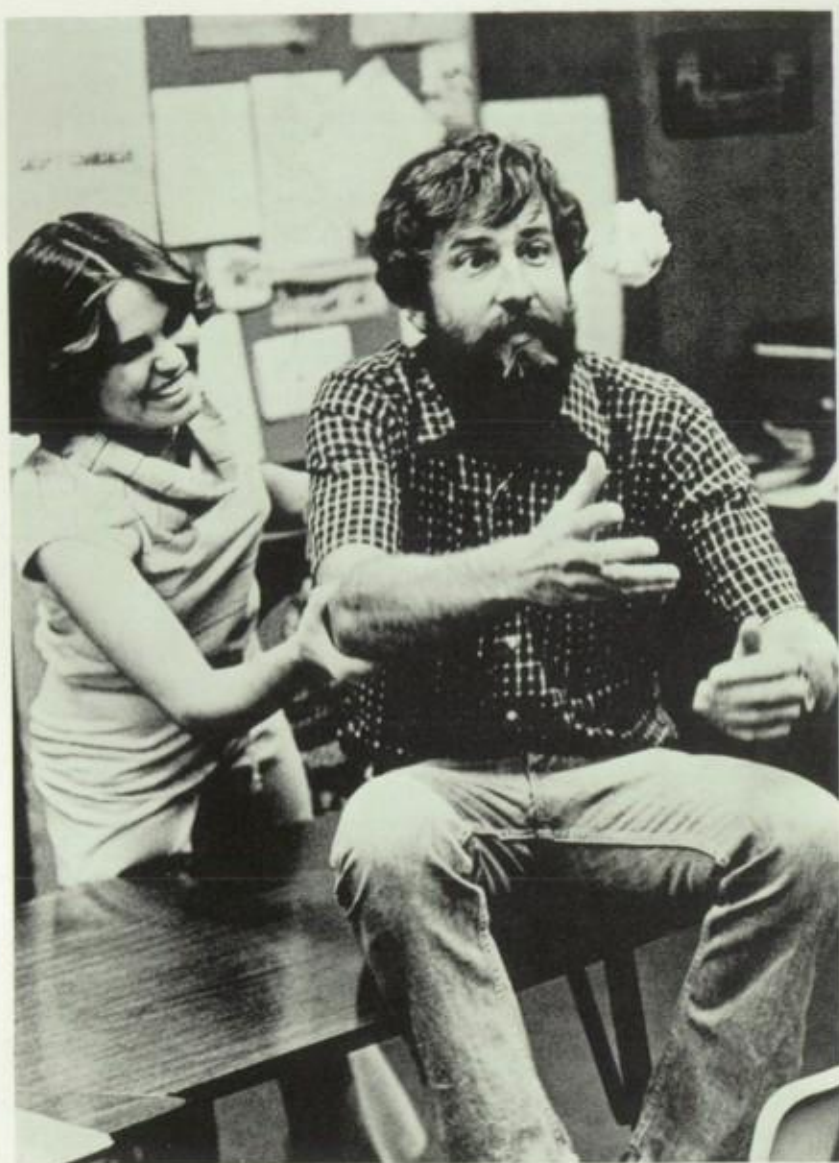

The English curriculum offers a wide variety of courses for everyone, ranging from required Freshman and Sophomore English classes to electives such as Intermediate Composition, Mythology, Modern Poetry, Novel Now, and many more.

Some of the classes are designed to aid students when they go to college, and others in the individual. Browne continues to have talented instructors who reach out to most of their students, adding to the atmosphere of motivation and awareness.

Special care for special students

One department that doesn't get the recognition they deserve is the Exceptional Student Program. Day after day these people reach out and extend that extra touch of care that helps their students get all benefit possible from their high school careers to help them function as a necessary part of society.

The Exceptional Student Program at T. G. B. includes programs for the gifted, learning disabled, emotionally handicapped, the educably mentally handicapped.

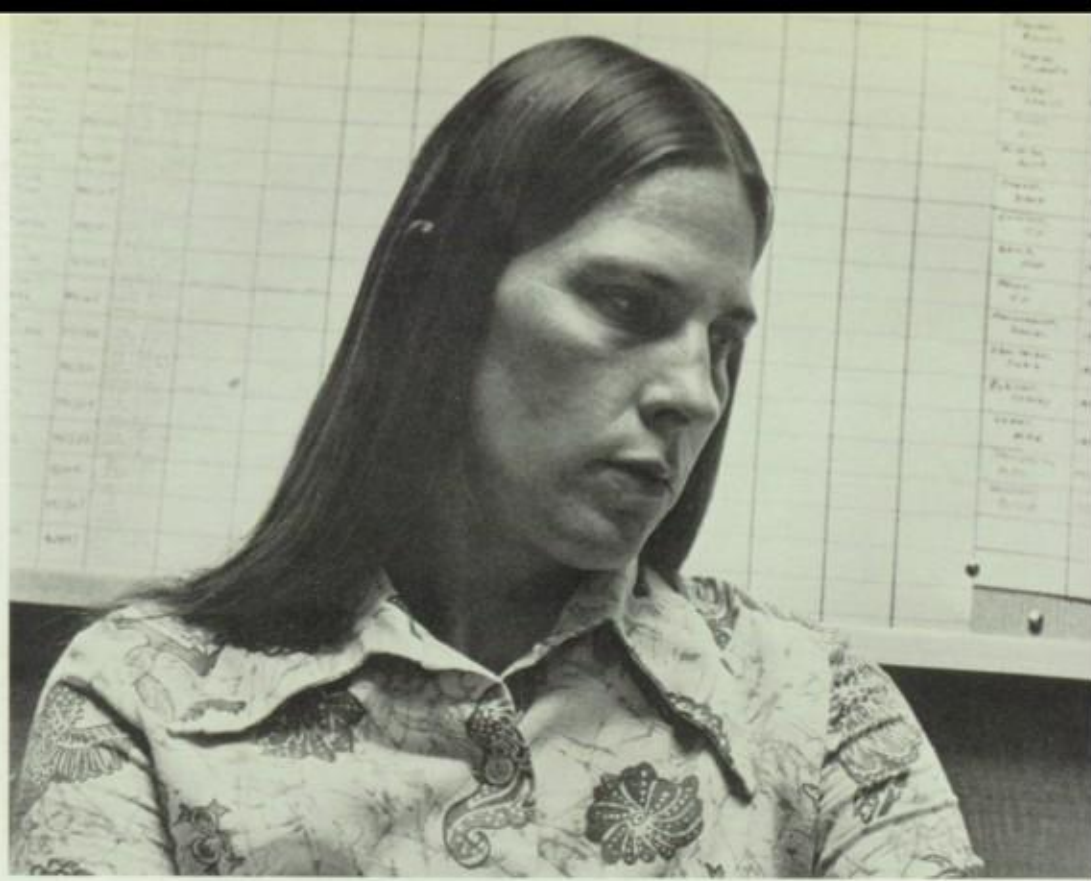

These programs are designed to meet the needs of students who are identified as requiring a more specialized instructor to complete their high school education.

Languages and lifestyles lend cultural learning

Vive le francais! Hola! ¿Hablo usted Español?
Sprechen Su Deutsch?

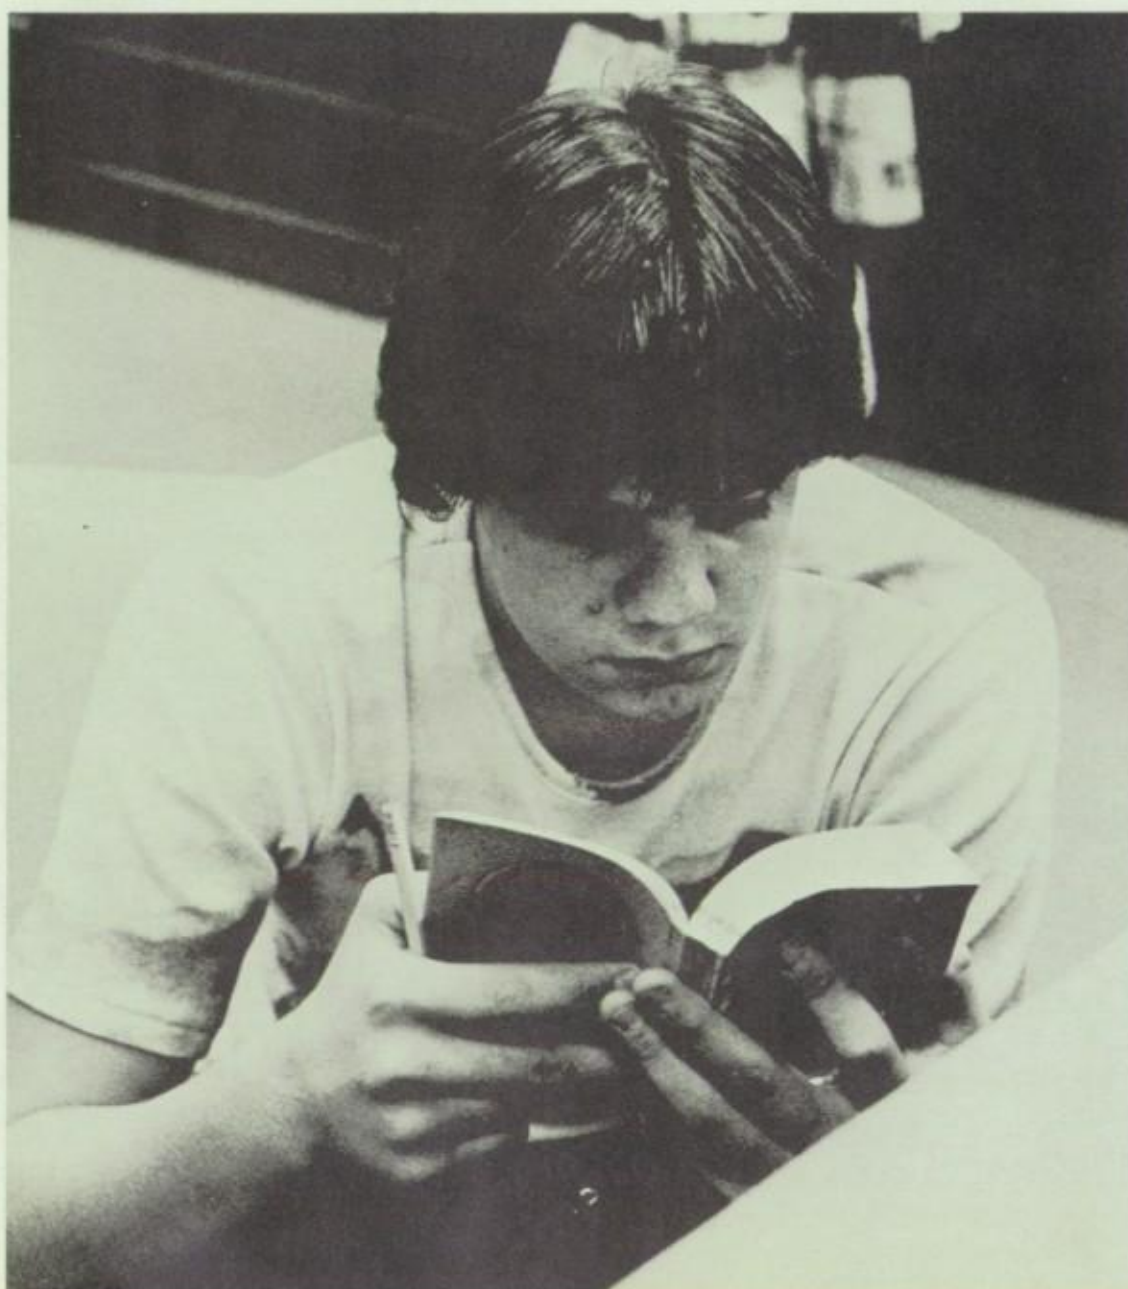

The Foreign Language department offers four years of language study in French, German, and Spanish. Classroom activities include the cultural and linguistic elements of the target language. The clubs of each language help the students to understand the practical life styles of the people whose language is being studied. In addition, the dept. also sponsors the Spanish Honor Society.

Students are also exposed to their various languages when they interact with the Poly glot (the educational computer that speaks 7 different languages)

IMC changes Library image

What is an Instructional Materials Center (IMC)?

An IMC in a school is responsible for providing services and materials that meet student's needs. It must also support the goals of teachers and those of other departments at that school.

The materials found in IMC's may range from books and magazines to films, records, and videotapes.

The services vary from individual or class instruction in how to use the library to film showings and the production of television shows.

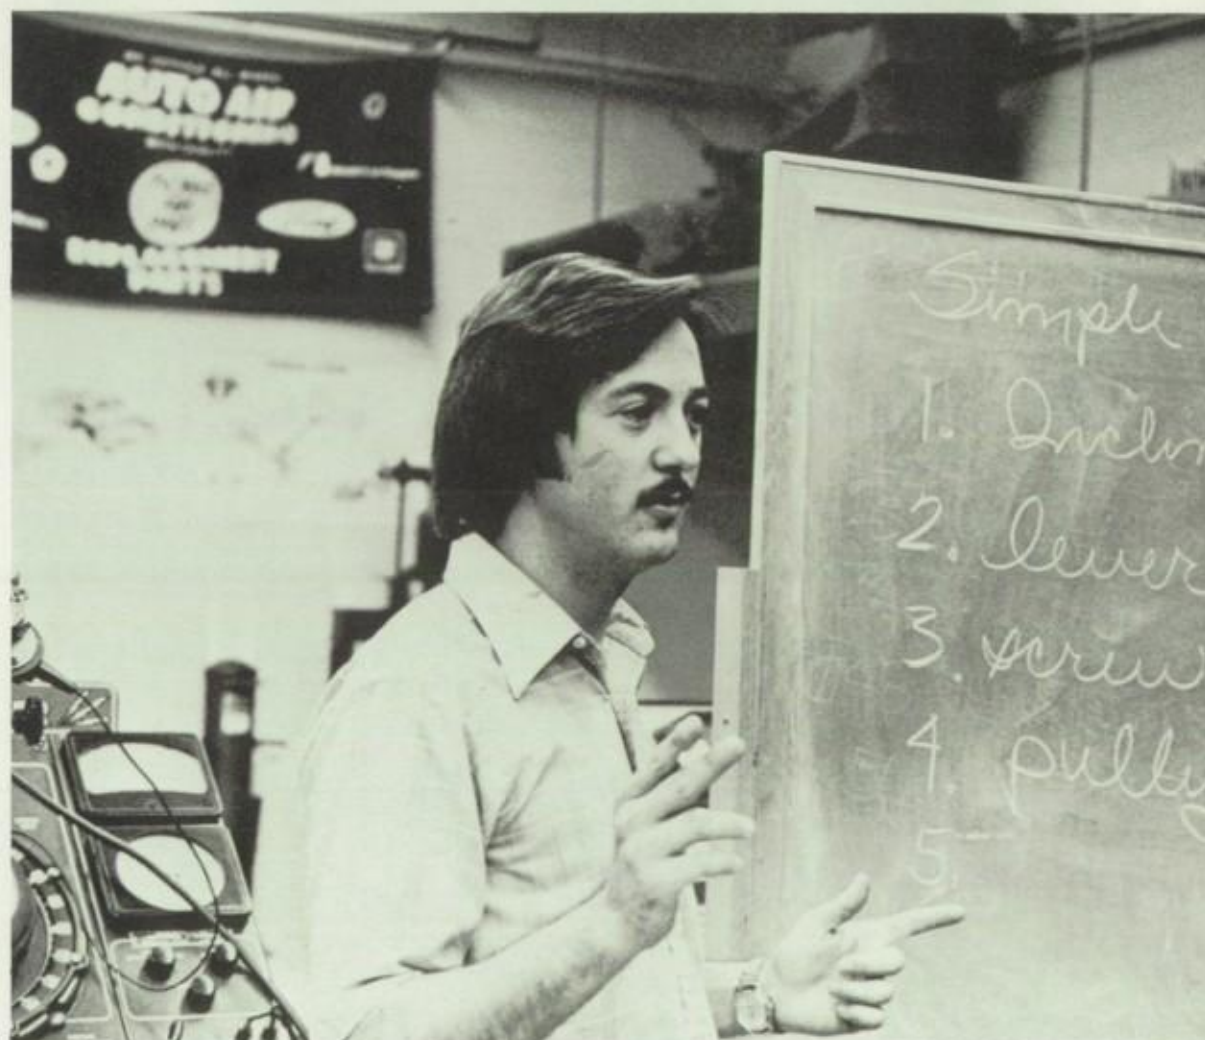

Basic to their philosophy is helping others.

Industrial Arts well equipped

The Industrial Arts Department continues to maintain a full curricular this year including Auto Shop, Wood Shop, Plastics, Drafting & Graphic Arts. The Sophomore classes continue to be the most popular, and with the many girls now interested in the classes available, classes tend to be overloaded with students.

Browne continues to maintain one of the best equipped departments in the area.

Math Department buckles down

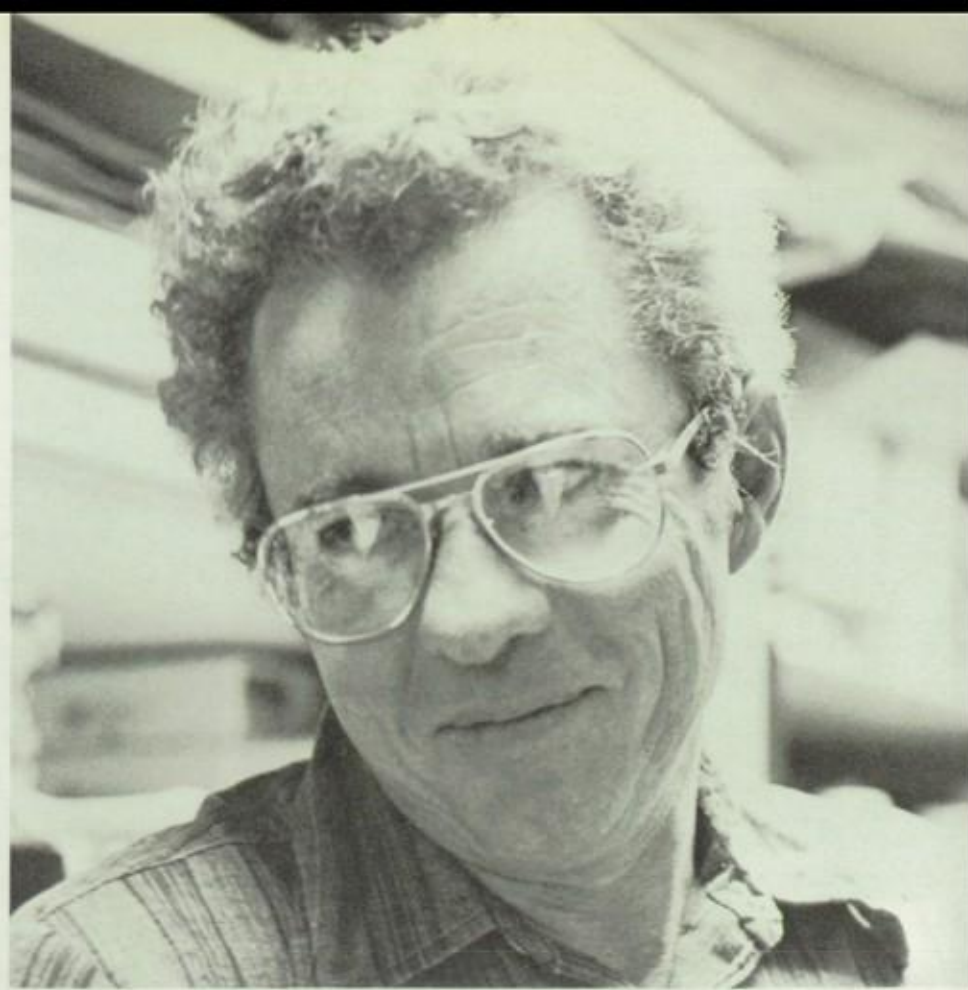

After a year of settling down into its new location, the math department at Trevor Browne is stressing the importance of good study habits, improving the quality of assignments completed, attendance in class, and improved teacher-student relationships.

There were two new faculty members added to the department this year: Mrs. Meyers and Mr. Demko, however, no new classes were added to their curriculum.

opposite page upper right: Mr. Hickman, middle left: Mr. Slocum, middle right: Mr. Popescue, lower left: Mr. Demko, lower right: Mr. Evanstock, upper left: Mr. Snodgrass, upper right: Mrs. Meyer, Middle right: Mrs. Hall, lower left: Mr. Wilson, lower right: Mrs. Pase

Performance is the key

Performing Arts encompasses a wide field of creativity. Students can express themselves through art, music and drama. Being creative and performing in an area in which the student is talented, is the emphasis of the classes and the extra curricular experiences.

The art department offers classes in graphic and creative art. A complete program in crafts and ceramics, painting, drawing, and a gifted class offer the students many choices to develop their own talents.

The Varsity Band and Choir perform many times throughout the year in concerts at the school as well as festivals and concerts around the valley area and state. Beginning classes are also offered in both band and choir and guitar is offered in both beginning and advanced levels.

The drama department stresses development of acting skills and set designs and construction. The beginning actor as well as the more experienced actor can usually find a class and play to challenge their talents.

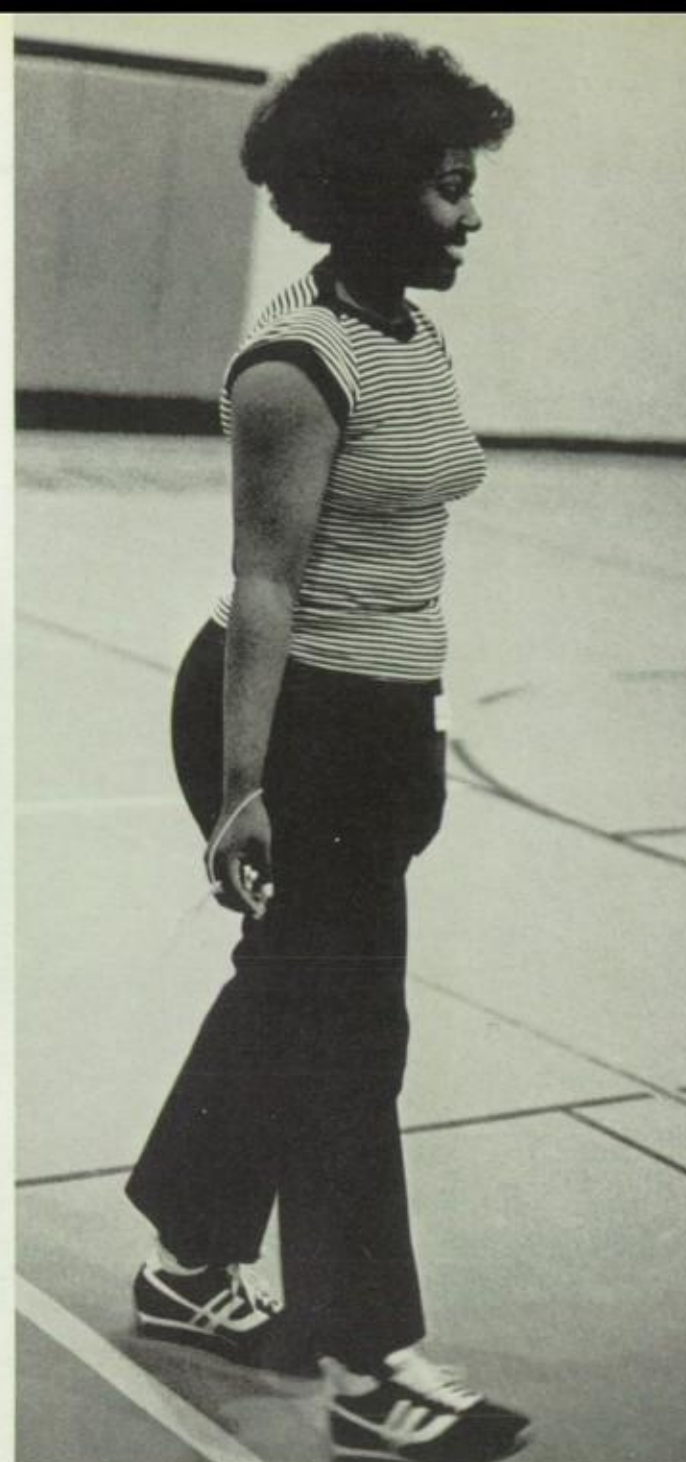

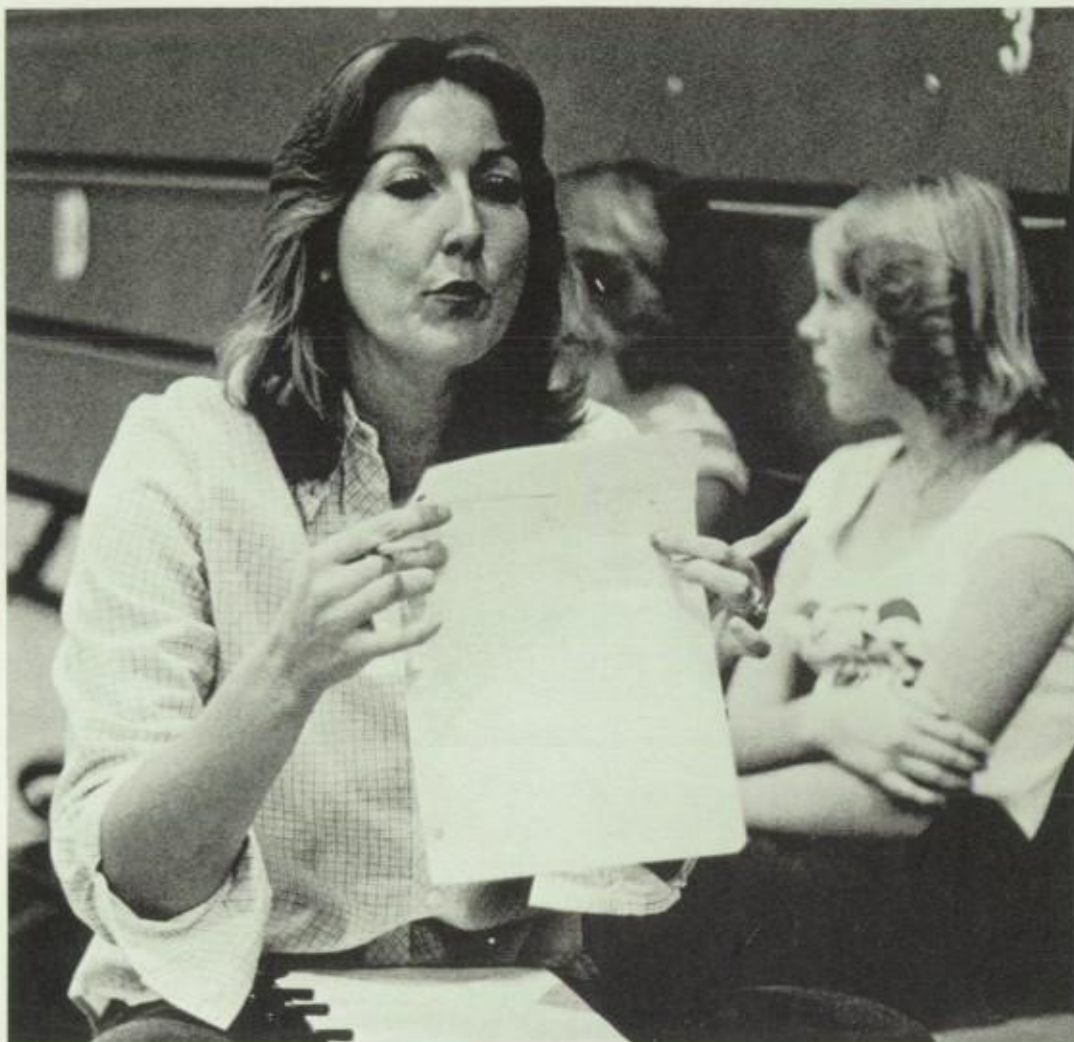

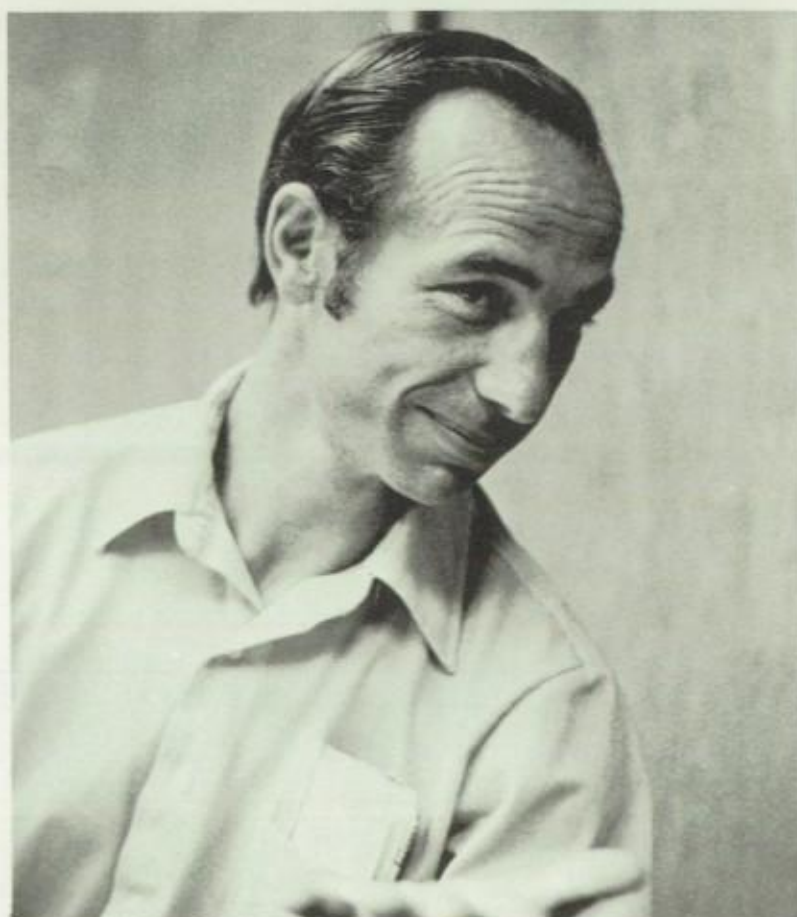

opposite page upper left: Mr. Nunez, upper right: Mr. Hjalmarson, middle right: Ms. McGillivray, lower right: Mr. Washburn, upper left: Mr. Cheever, lower left: Mr. Boothby, lower right: Ms. Finell

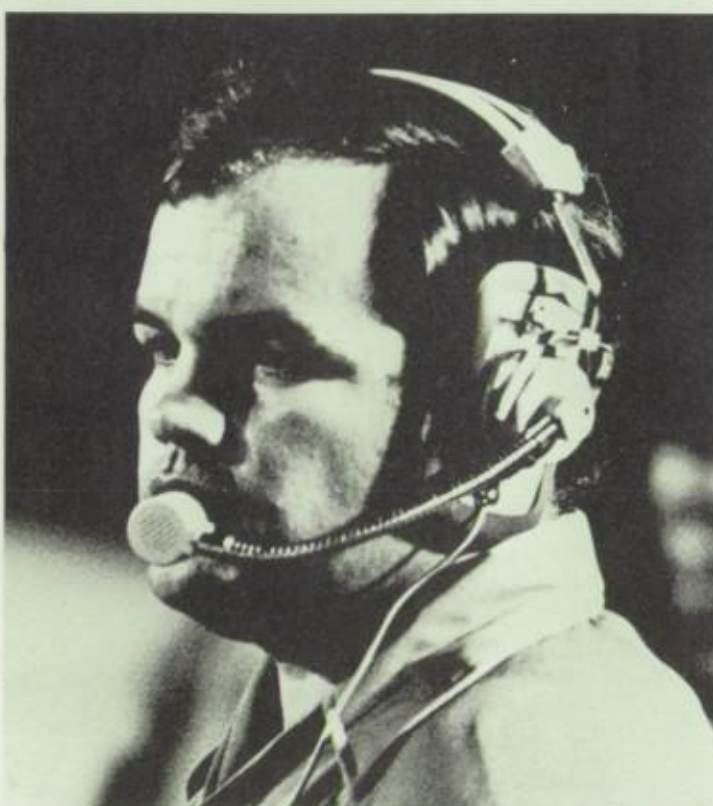

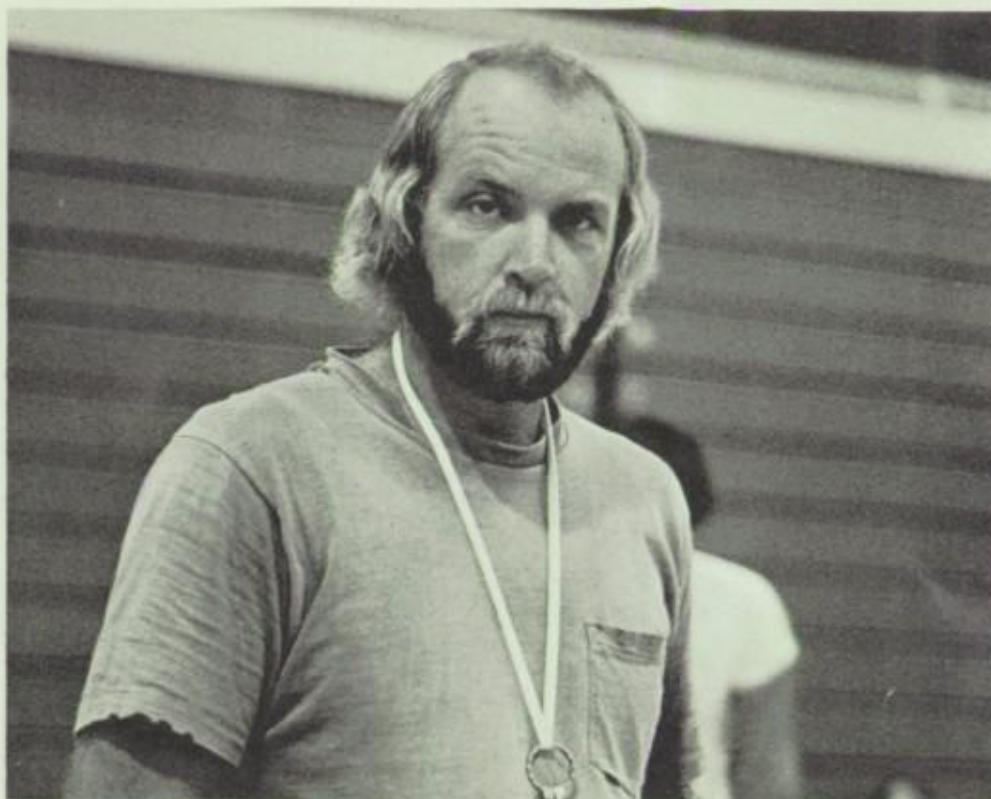

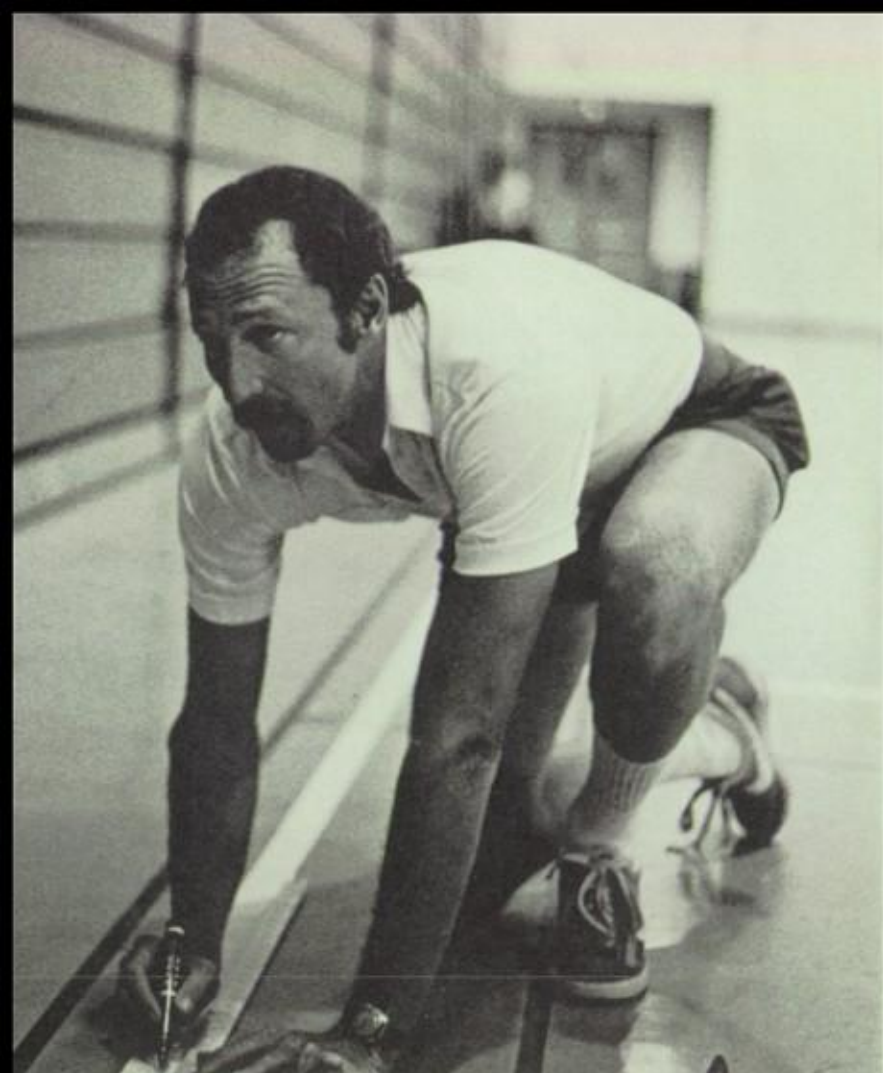

Physical Education in great shape

opposite page upper left: Mr. Hahn, upper right: Mr. Brown, middle left: Mrs. Johnson, middle right: Mr. Mitton, lower left: Mr. Ingram.

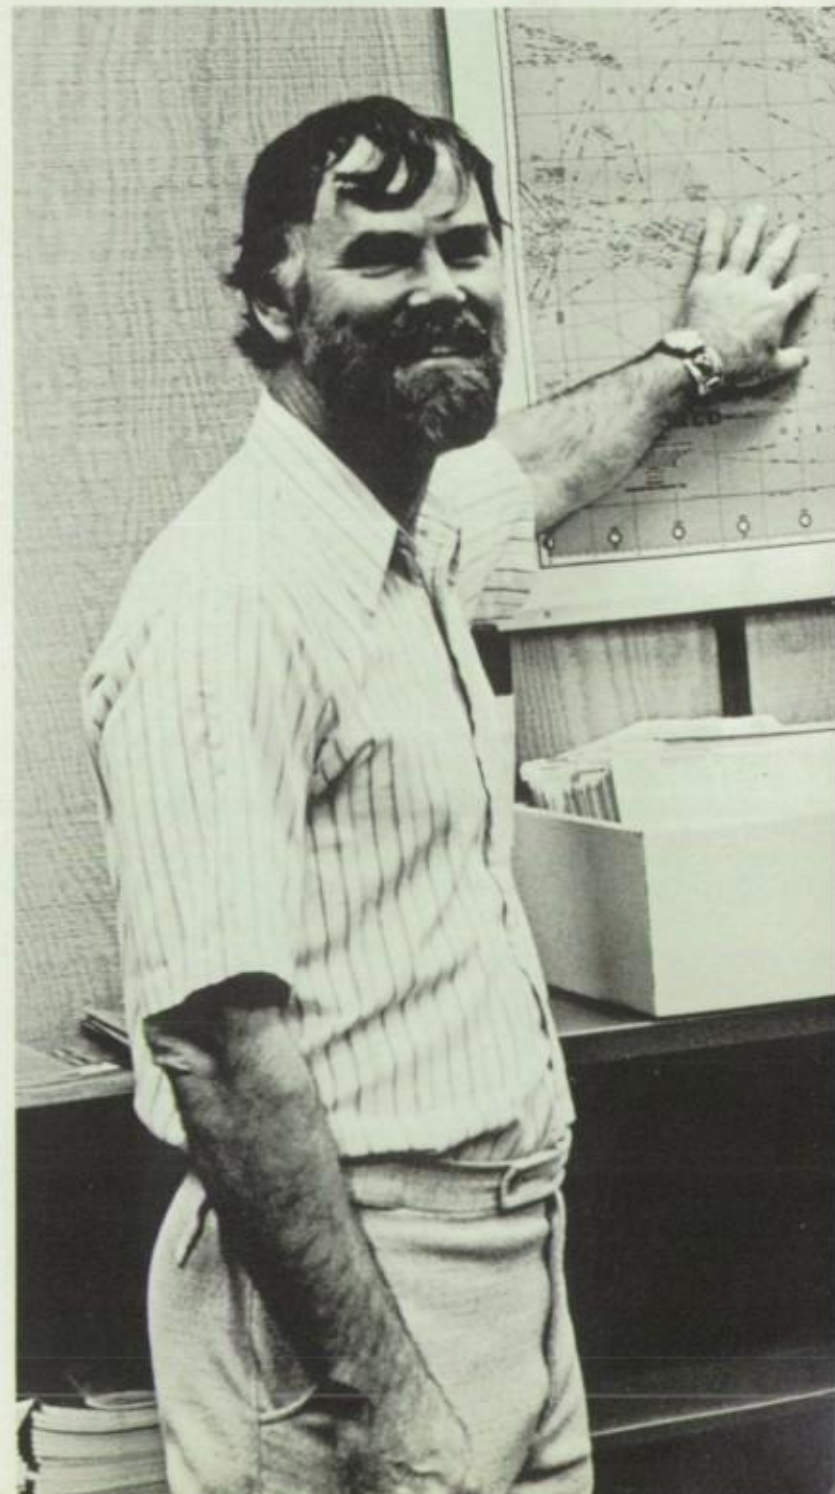

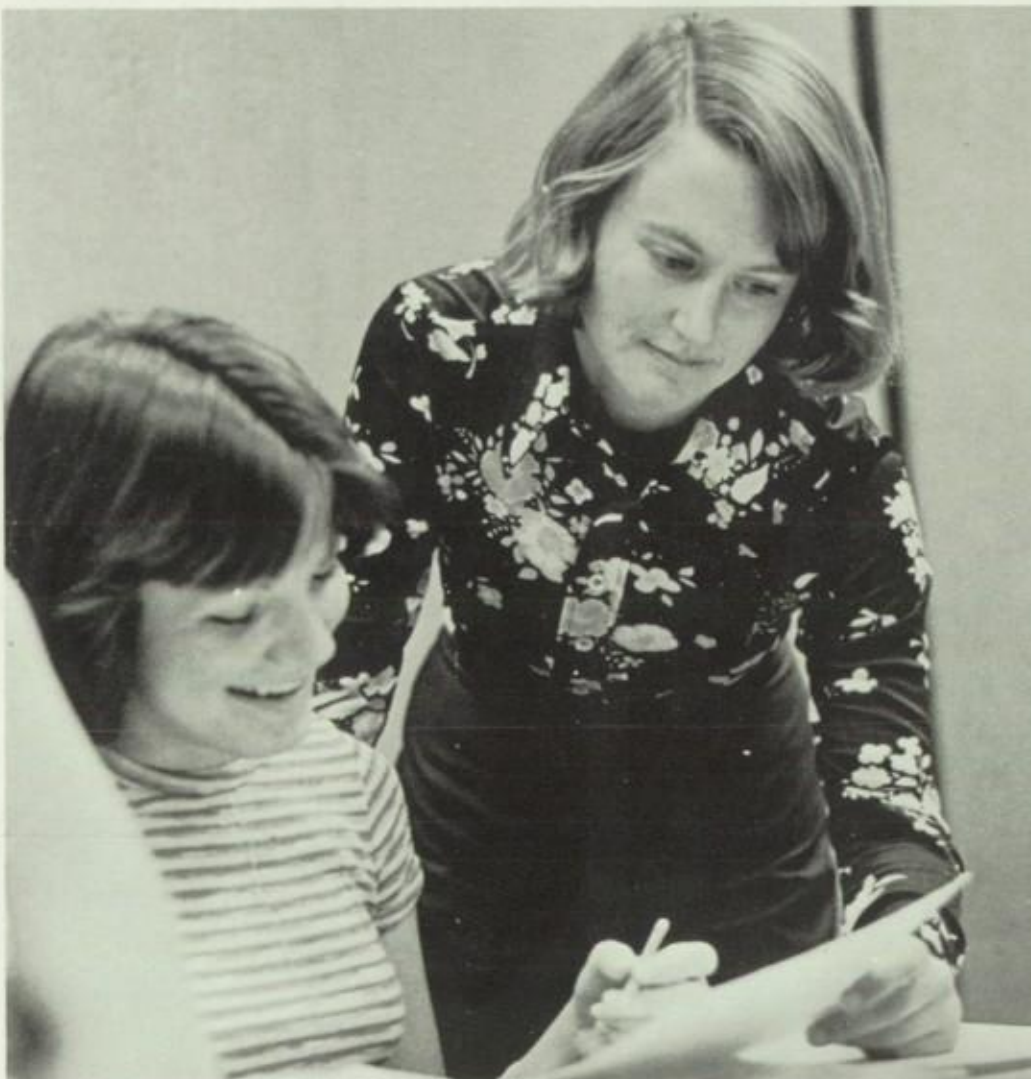

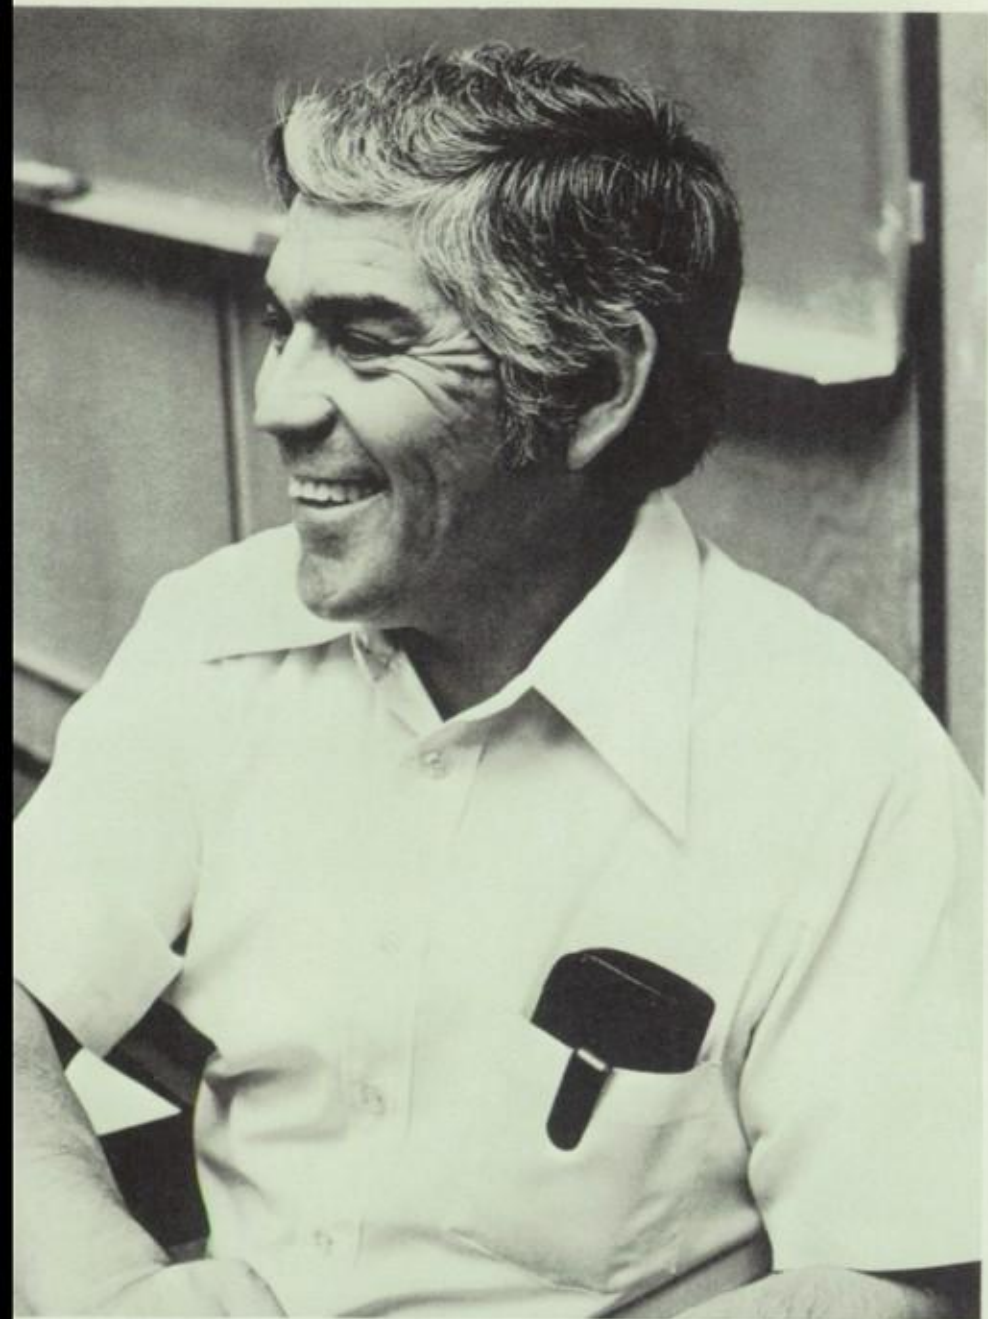

The theory of "a sound mind and sound body" continues to thrive here at Browne. Although physical education classes are not required, they maintain a very high level of enrollment. They also offer a variety of classes, including dance, gymnastics and weightlifting. Physical Education stresses coordination as well as athletic ability.

Reading is fun-damental

T. G. B.'s Reading Dept. offers two basic programs; one for freshman to help them achieve the state requirements for the Minimal Reading Proficiency Tests, and the other include the personal Reading classes to help them further their reading skills beyond the minimum requirements. They also offer courses in Speed Reading for the college bound student.

Under the leadership of Leon Jordan, the Science Department bustles with over 1200 students, even though only one lab course is required for graduation. Eleven teachers offer a full range of courses including: General Science, Earth and Space Science, Biology, Advanced Biology, Physics, Chemistry, Basic Agriculture and Special Studies. New this year is Consumer Chemistry, which is geared to the needs of modern living.

The academic program is enriched by such facilities as a greenhouse, a darkroom, and a well-operated resource center. In addition, Biology Club, Earth Science Club, and Astronomy Club offer opportunities for field studies.

T.G.B.'s science dept. is also one of the best equipped facilities in the nation, with the high quality of faculty and staff, it is no wonder they continue to turn out the high caliber students they do!

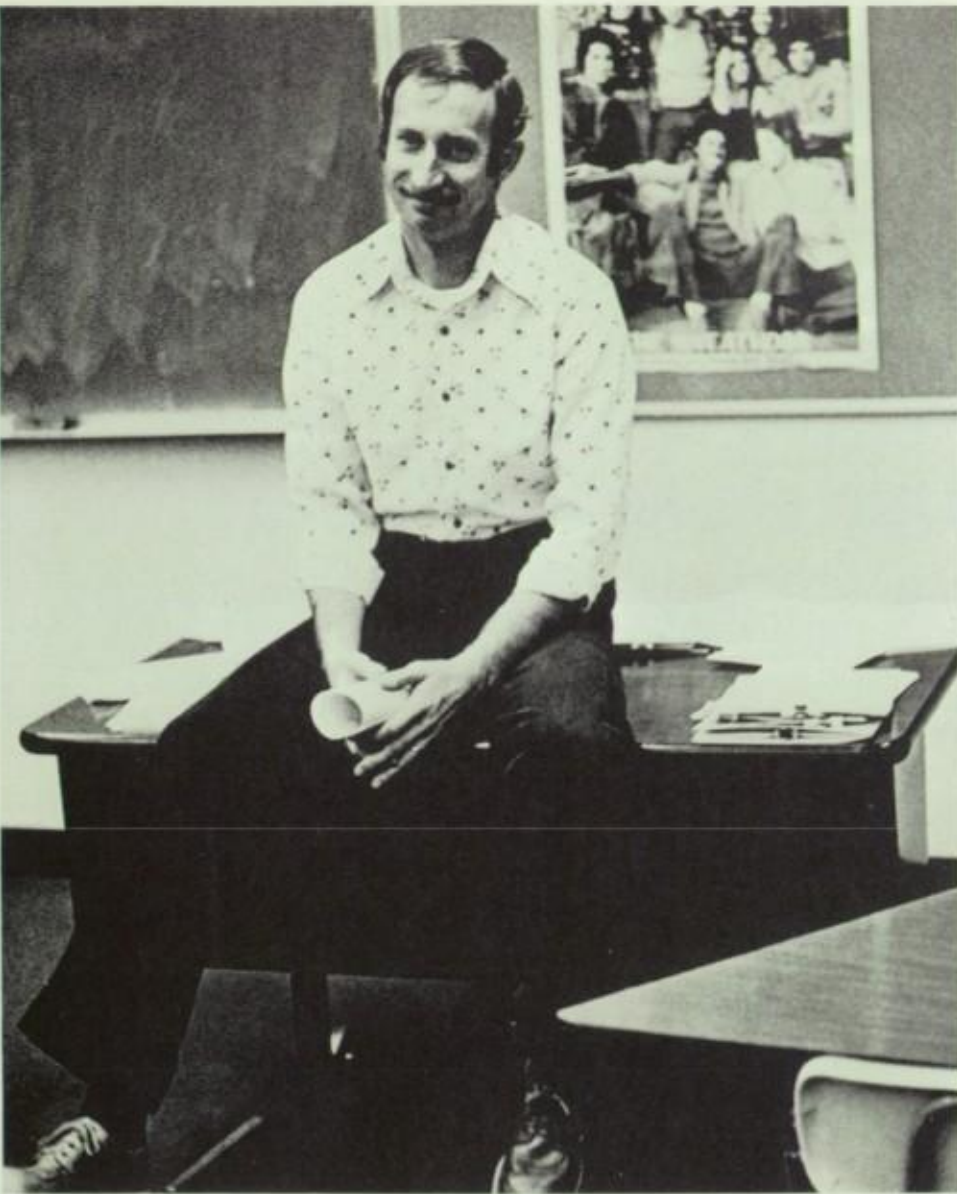

Social Studies
offer new
approaches
from some
old faces

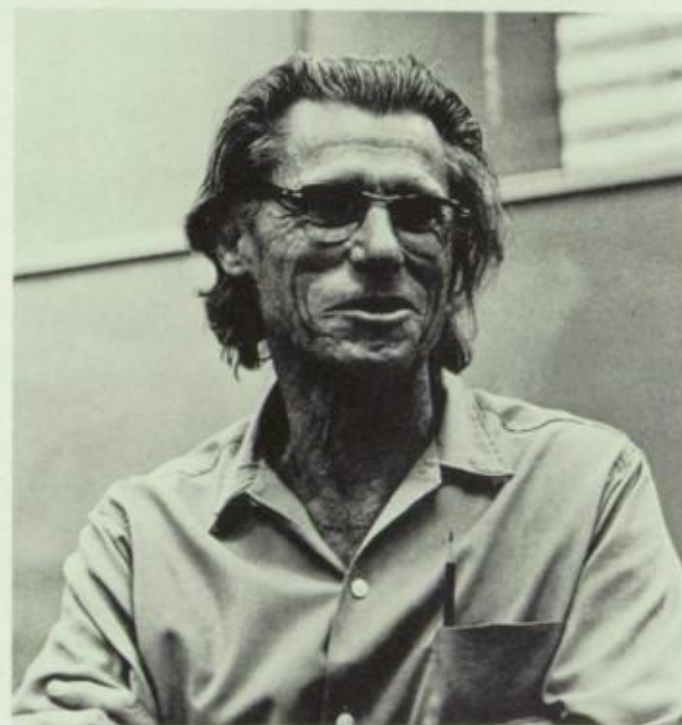

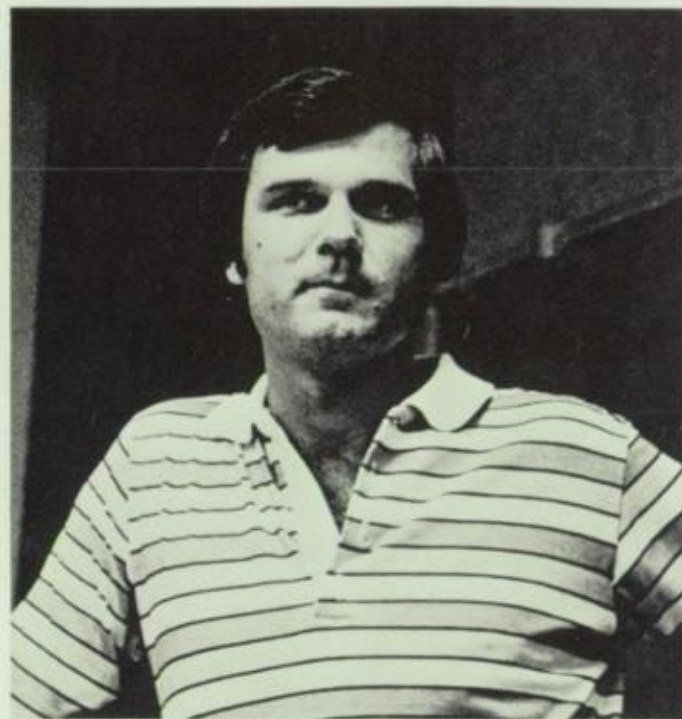

Browne offers social studies courses to all levels of high school. They are arranged in two basic categories: required and elective. The social studies classes offer students a variety of approaches to such fundamental concerns as laws, customs, morals, arts, knowledge, beliefs and other capabilities acquired by humans as members of society. Specific classes include American History, Sociology, Humanities, Free Enterprise, and American/Arizona Government.

Fact Printed Here

Bear Facts student newspaper is produced by a hard working, but mostly insane group of student reporters. Mrs. Weiler, (sponser) is new to Trevor Browne this year. She has provided the staff with expert knowledge, too bad they haven't used it so far.

Mari McCormick was the student editor of Bear Facts until she left in January. The new editor is Cheryl Fischer who has been on staff since 1976. Cheryl may not be the greatest writer but she is well liked.

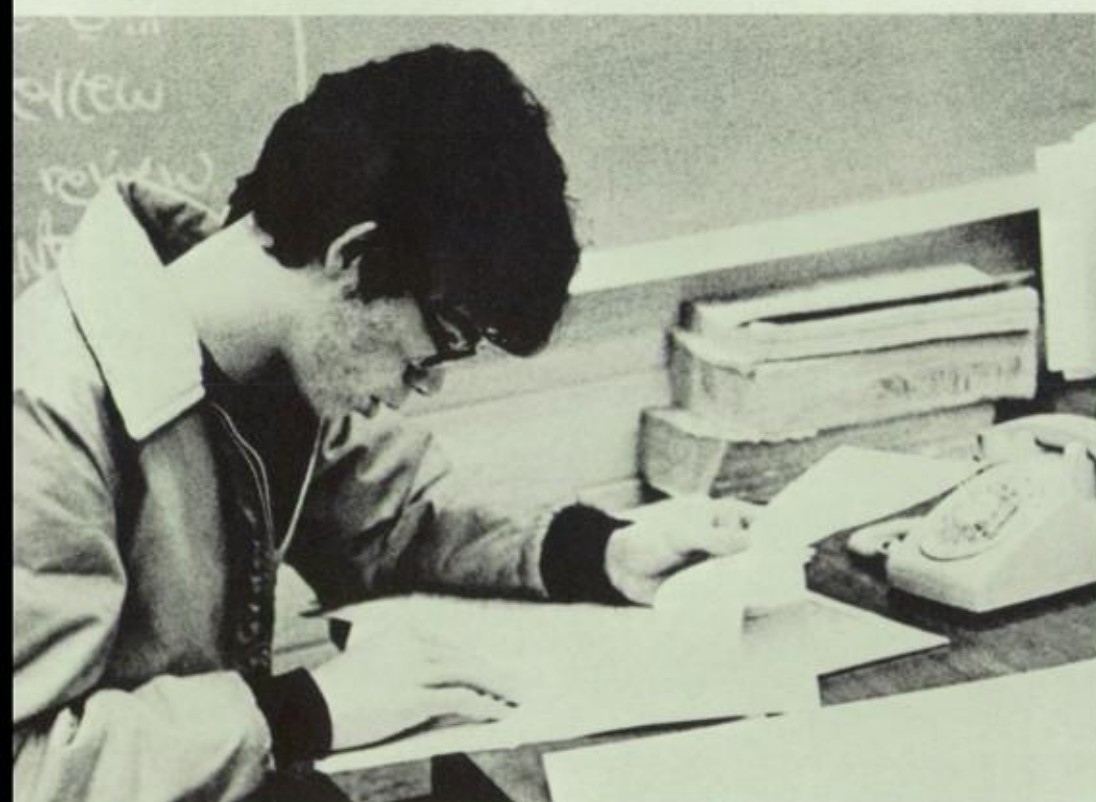

As in past years, the newspaper is plagued by late stories, useless deadlines, and copy not yet corrected. Everyone on campus can hardly wait when the coupons, I mean newspaper, comes out. Too bad the coupons expire the day after Bear Facts comes out.

Now, as we all look forward to a bigger and better year, we hope and pray that the new aspiring reporters can take the place of our seniors.

Student government activate campus!

This year's Student Government under the guidance of a new student advisor, John Mansour, has been the most enthusiastic group this school has seen. They have been extremely successful in promoting school spirit this year. Together with the Cheers and Poms Student Government made this year pep assemblies something worth attending.

This year has also organized many dances and several extra-curricular activities. This year's can food drive against rivals Maryvale High School brought in the most cans from any location the food bank had ever seen.

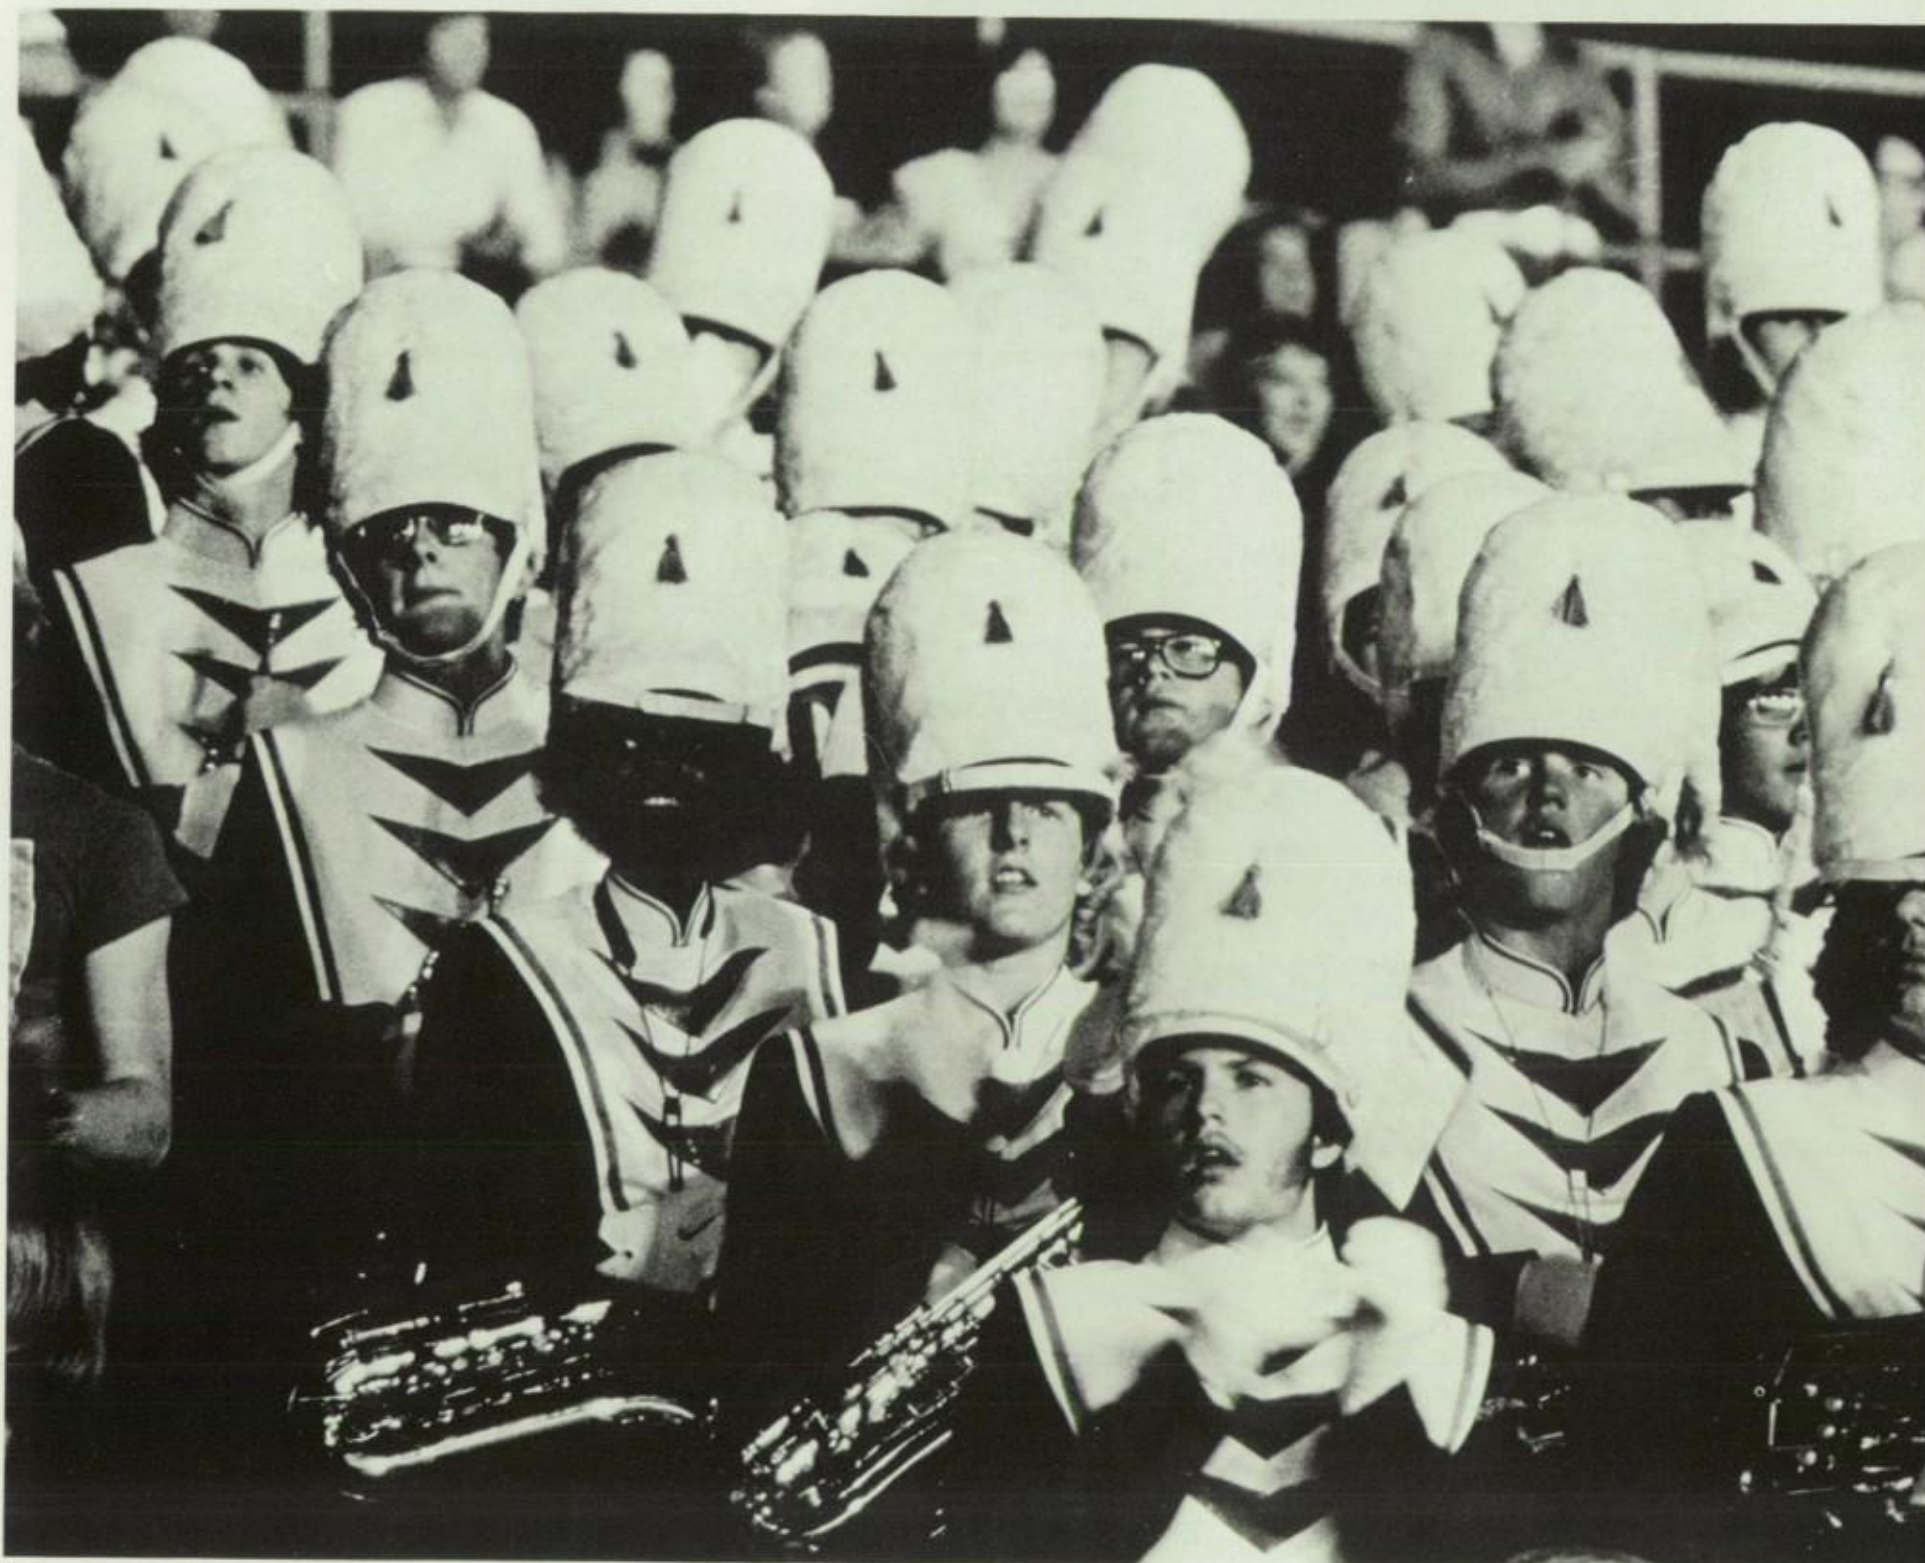

The newly revised Constitution was cratified this year and the school will see it's first marquee.

Without all the great help and cooperation from all of this years representatives and officers, Student Gov-
ernment could never have pulled off all they did this year.

BRUINS STAY IN STEP

"And the band played on . . . "

This years band, under the direction of Joseph Washburn, was better than ever before. With the addition of the new, 10 member flag corps, the band performed for cheering crowds at half-time during all our home games. They have received an excellent rating at A.S.U. Band Day and are expecting great ratings at U. of A. Concert Day this spring.

Bruins and Cowboys together

Varsity cheers came back from a joyous summer spent at camp where the Dallas Cowboys were also staying. Their joy and enthusiasm carried over into the school year where they passed it on to the rest of the Bruins. This year has been a fantastic year in leading our varsity teams in team spirit, and the girls were successful in cheering them on to victory.

Yell louder!

We can't hear you

The JV Cheer line did a terrific job in helping to boost the school's spirit after a fun-filled summer at camp, where they won ribbons, and learned new techniques. Returning to school, they must have done a great job in team spirit, because our JV teams were practically undefeated! The line consisted of: Brenda Shuck, Tracy Jacobson, Patti Shawver, Cindy Davis, Shelly Cook, and Kaye Patterson.

Batallion has banner year

This year our JROTC unit was visited by the superintendant of the PUHSS, Dr. Henderson. He presented them with a streamer, and a certificate for honor unit with distinction for the 77-78 school year. Out of 104 schools, we were rated number one. For the past 3 years in a row now, they have placed either 1st or 2nd place in competitions. This year's batallion commander is Craig Segond. The men's drill team placed 1st in regulation, and 2nd in exhibition. The girls placed 2nd in inspection. Congratulations!

This Years Orchestra was rather small, but the talent of these Four people is enough for an orchestra of thousands. We are storing up our full potential for next year.

Concert Choir had a great year. They have given a series of concerts which included solos, childrens choirs, and small ensemble selections. The small Ensemble consists of 20 of the choirs best members. They made a good showing at the christmas assembly. This spring the concert choir presented the Gilbert and Sullivan Operetta, "The Mikado". They also Sang at the U of A Festival.

Distributive Education is a program of instruction that teaches and trains high school and junior college students for careers in marketing, distribution, and management. Students attend regular classes in the morning and spend their afternoons on supervised part-time jobs in selected business firms in the community for their practical experience.

Cooperative office education

You'll flip over Judo

This year the judo club strives on to teach, and better the students in judo. Led by Mr. Cady, these students are able to enjoy the sport of judo, and the sharing of new techniques.

Although the judo club doesn't compete interscholastically, they do compete with other schools and clubs.

House II

St. Gov.

House II Student Government in its first year was very active. Four members from each class were chosen to plan and organize activities for House II and the school as a whole. Some of the activities included collecting cans for the food drive, selling spirit buttons and they put on a dance after the East Basketball game.

Valora, Connor, Qujada

Forrest Valora enrolled at the University of Oklahoma on a full football scholarship. He was recruited as a running back, but by the end of the first week of full practice he was asked by the OU coaching staff to consider playing Tight End. Forrest's blocking ability and his pass catching skills were lauded in the North South Shrine All Star Football game by the coaches. Forrest had a very hard road to this position, as there were six experienced tight ends ahead of him on the OU Varsity. Due to his ability and strong desire to excel, one week before the Vanderbilt game, he made the second team a position he held the rest of the year. Forrest was on all the specialty teams; such as kick-off return, punt, punt return, extra point and field goal teams. For his outstanding performance on the offensive line during the OU 42-7 win against Kansas State, Forrest was awarded a trophy game football by the OU coaching staff. Forrest earned his Varsity letter at OU this his Freshman season.

The Oklahoma Sooners were undefeated in their Big Eight Conference and played against Arkansas in the Orange Bowl at Miami Fl. Forrest played at great portion of the Orange Bowl when the Sooners used their double tight end offense. OU was 10 wins and 2 losses for the 1977 season and ranked 6th nationally.

Forrest has been requested to consider moving to the linebacker position for the next year. During the spring practice sessions he will be working with the Defensive unit as coach Switzer wants to see how well Forrest can adapt to this position. Forrest played three years for the Bruins as a linebacker of Defense. He was named to the first team defensive all star team in the Phoenix AAA Division his Junior year. Forrest gives credit for his wide range of experience to Coach Mitton and his staff. Without their guidance and advice, he feels he would not be where he is today. He's very Thankful for them.

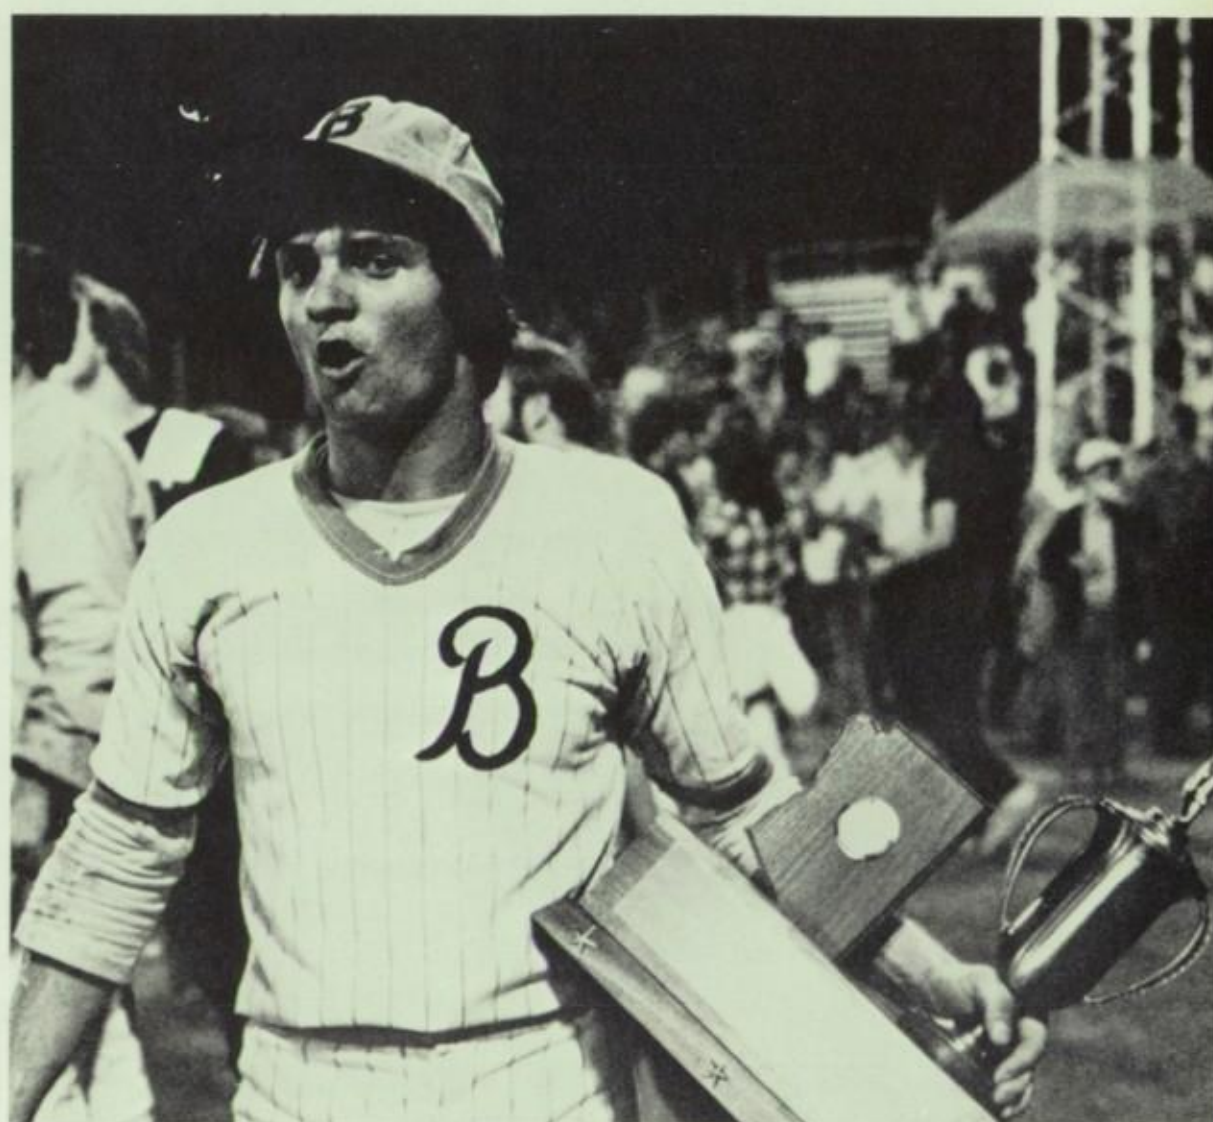

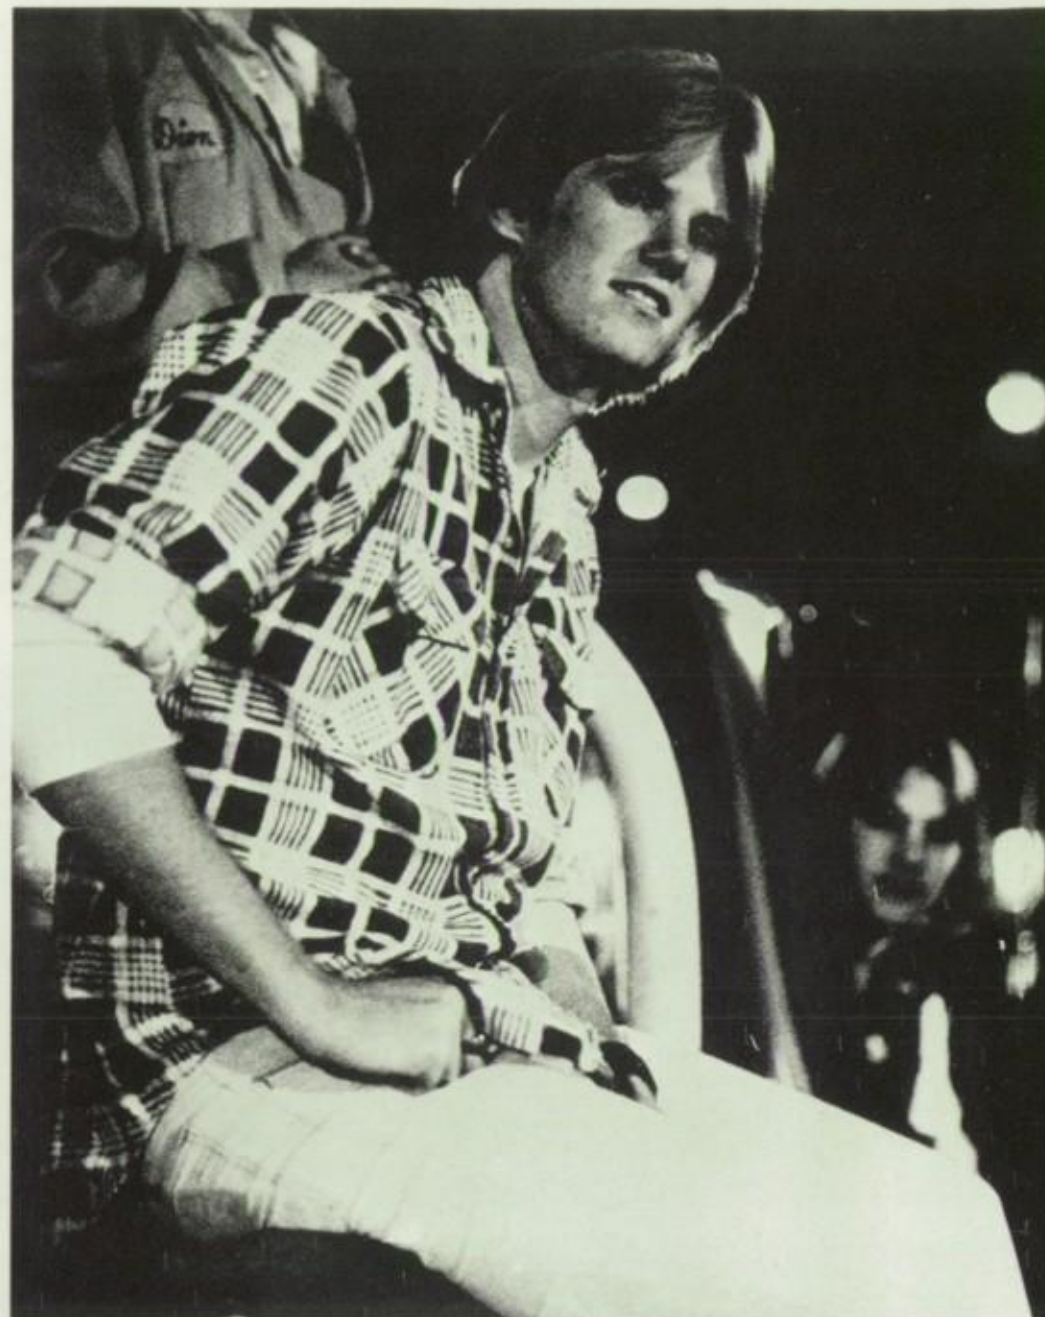

Jeff Conner was an all state pitcher in his senior year, helping to lead the Bruins to the AAA state championship. He was drafted and signed to a professional baseball contract with the California Angels. He pitched in Idaho last summer with the Angels' farm team, and is now preparing for spring training with the angels.

John Quayada was also all state last year at short-stop and was drafted and signed by the Philadelphia Phillies. He played in New York last summer in the minor leagues. He is currently working out with the Bruin varsity team, learning to switch hit. He reports to spring training in Florida in March.

Get out and get with it!

Off campus activities are one of the teenager's main sources of amusement. The typical teen is a parent's headache but a businessman's dream.

In a single year a teenager can spend more than you or I can make. Take McDonalds for example: two Big Macs, a large order of fries, and a Coke time 365 will break the bank.

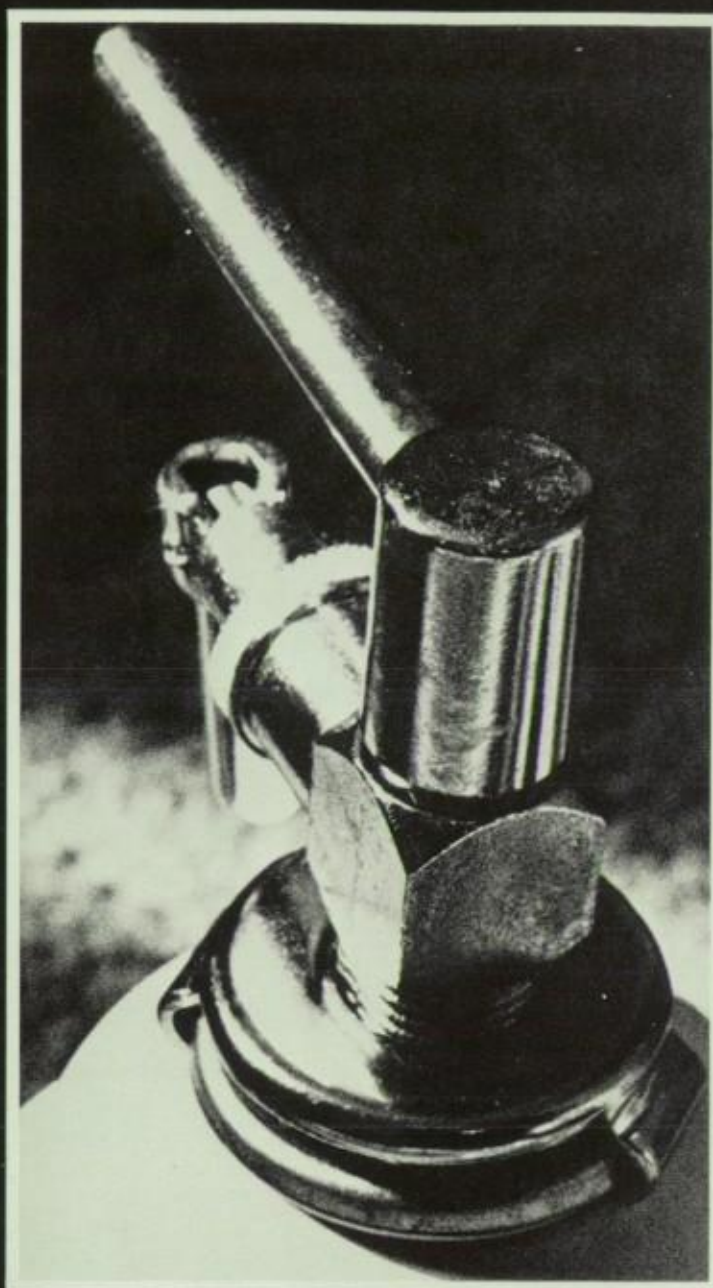

After three years the parent is fed up. He advises the teen to get out in the great outdoors; enjoy nature. This only complicates matters. The parent has to buy new tires, doors, and radiator after the kid finishes with the car.

Late night parties are always a favorite of the teen. Loudness is always a hassle not with just parents but neighbors and

friends as well. So, in order to keep peace in the family, the smart teen goes to Truffles.

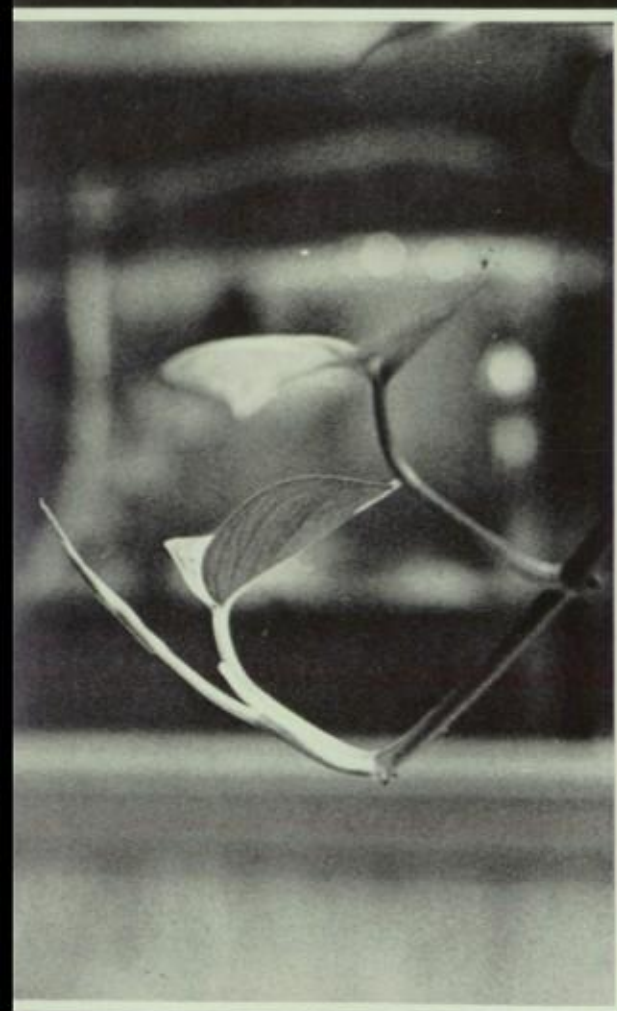

Truffles is the newest young adult handout on this side of town. Disco is a feature attraction. On Friday and Saturday nights, Central comes alive under the screech of hot rod racers. These are people that never got to go past 50mph while Dad was in the car. These are just a few of the related activities that you might encounter as a teenager. We are not condemning these in any respect. Heaven knows if the teenager didn't get out of the house once in a while we'd all go crazy . . .

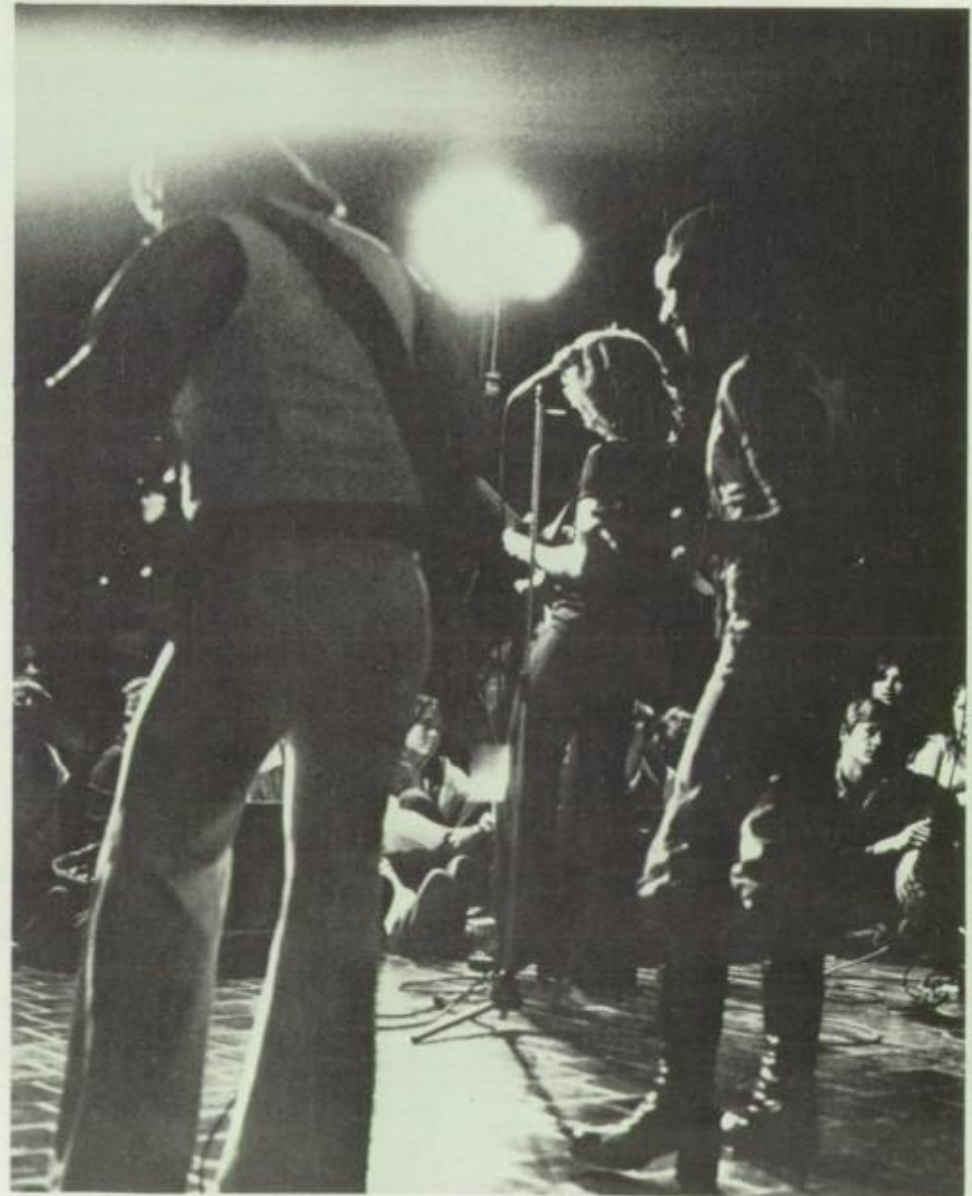

Dan DuRocher

Unlimited

I am what I am;
 Not something else.
 Except me this way;
 Love me for what I am,
 Not for what I could be.
 Notice my good points.
 Notice my faults;
 But don't hold them against me.
 Love me for what I am.

Free Fare

Long hair, electric guitars, amplifiers, and a large audience of young people. Fleetwood Mac? Led Zeppelin? Ted Nugent? A.S.U. Activity Center? The Phoenix Memorial Coliseum? NO! NO! NO!

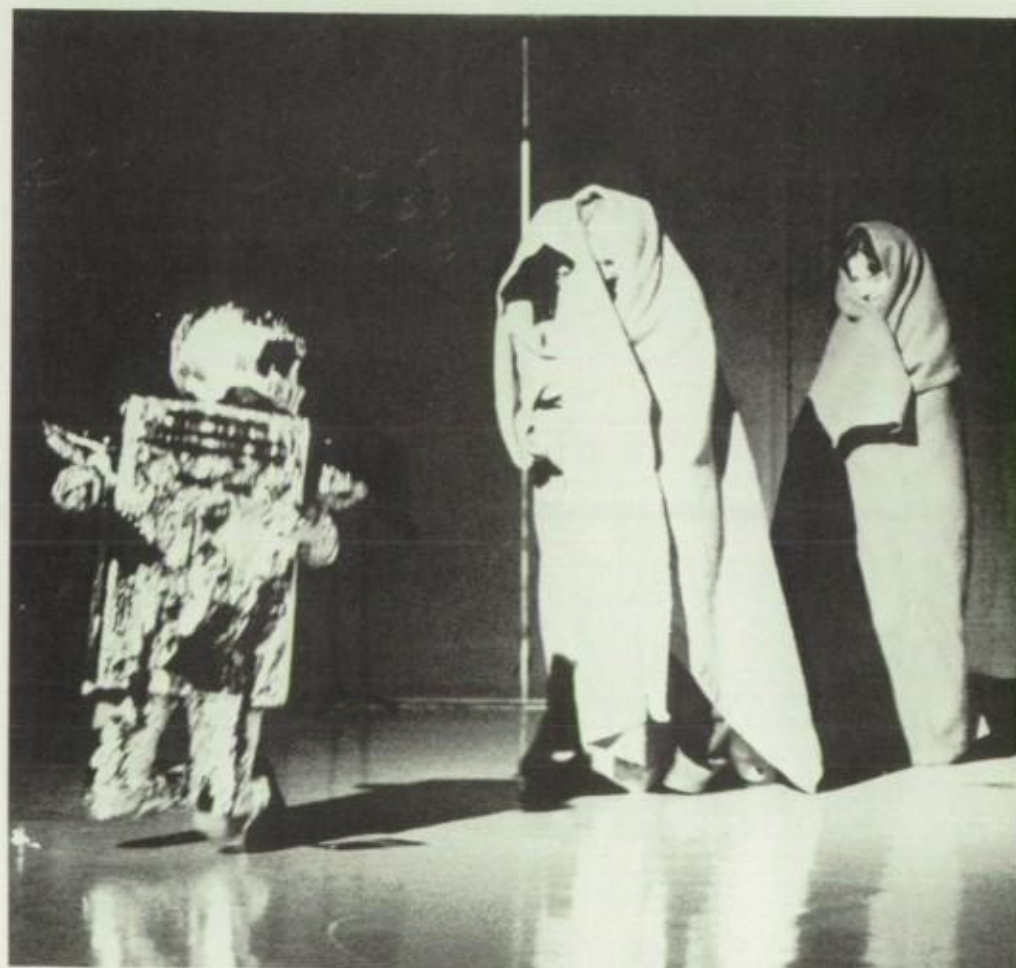

A great concert given by FREE FARE, a rock band from Florida, in the Trevor Browne "Memorial" gym. The most successful assembly all year pulled many students into the gym for not one, but both 1st and 2nd assemblies.

The impressive group discosized their viewers with such pop-rock songs as Brick House, Boogie Nights, Cold As Ice, Back In Love Again, and various others.

They also displayed many of Browne student's acting ability through their production of STAR WARS II. Who better to play the part of Darth Vader than the fearlessly muscular Mike Renfro? And portraying the robot C3PO, the mechanically minded John Corlett.

Everyone enjoyed the presentation and was grateful to FREE FARE for "getting them out of class", and for the great concert.

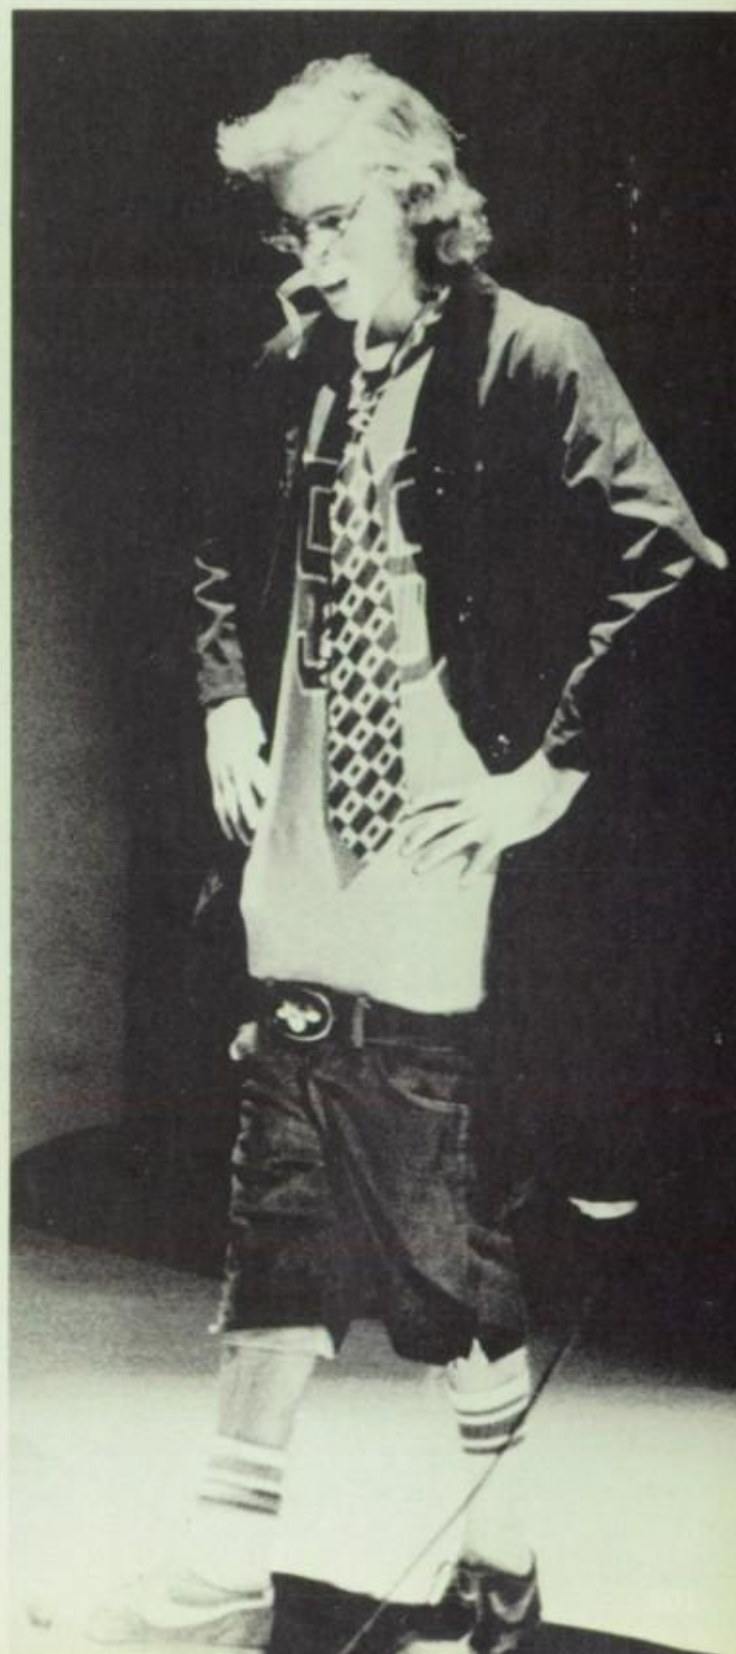

Holiday entertainment

Holiday cheer and entertainment were brought in this year by a fantastic Christmas assembly.

Skits were presented by gymnastics, and the houses. The pom line did a Christmas dance in their pajamas to "I Saw Mommy Kissing Santa Claus". The concert choir and a brass quartet performed Christmas Carols. Tried to spread a gloom on the festivities, but failed. and Randy Braunberger's grand performance of the "Christmas Song" wrapped up what was to be the best organized and most outstanding Christmas assembly yet in the History of Trevor Browne. There was a true feeling of Christmas spirit this year, and the assembly was definately a showing of this.

Having lived 25
without you at
my side
I realized my love
by the tears I
cried.
For in my sorrow
I found how much
I care,
I turn for help;
You're always there
and may I say
I'll always be here
to help you over-
come the slightest
fear.
For my love grows
stronger everyday
and I feel our
beauty is here to stay
Our love is young
in the age of time.
Forever & always, I'll
be your sunshine

Gerry,
If you should forget me for awhile,
And afterwards remember don't feel bad
Better by far you should forget -
And smile,
Than that you should remember -
And feel sad. CB.

Kim

Diane, Kim, Sherry,
James, etc., etc.
As time passes
Just remember
that all perverts
don't wear
signs!

People
They have places to go
And goals they must reach
And so they leave me . . .
Leave me to walk down hazy
corridors
And never ending stairways . . .
. . . Some never to be seen again.
But those who are loved
And those who love one another
Will always meet on the stairway
Again.

J. H.

Photography by Janet Henry

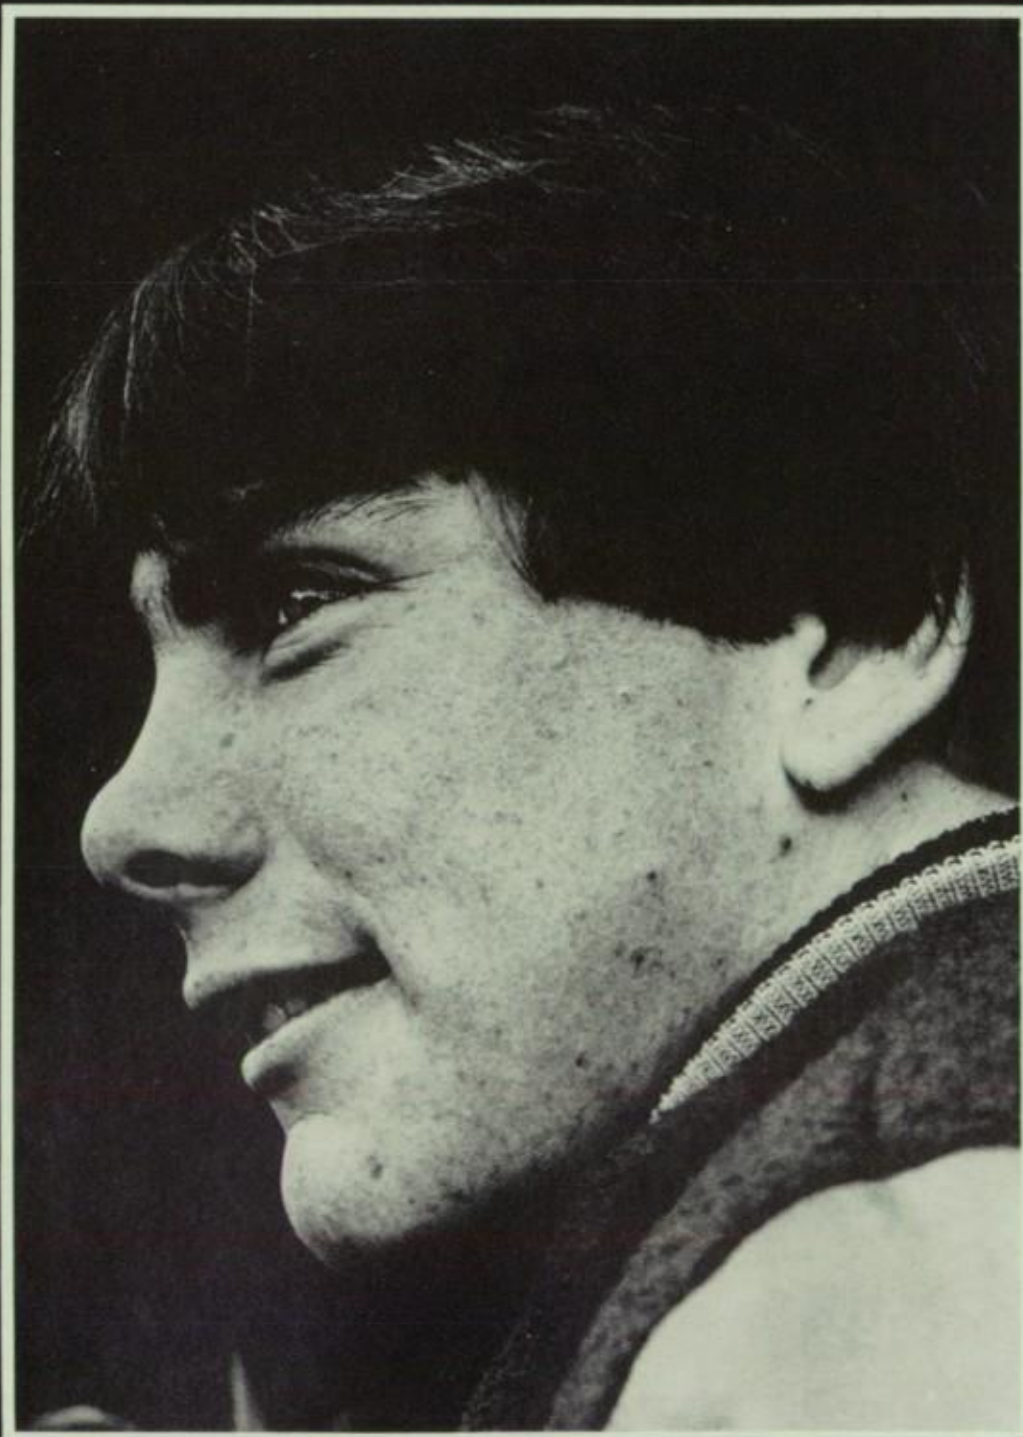

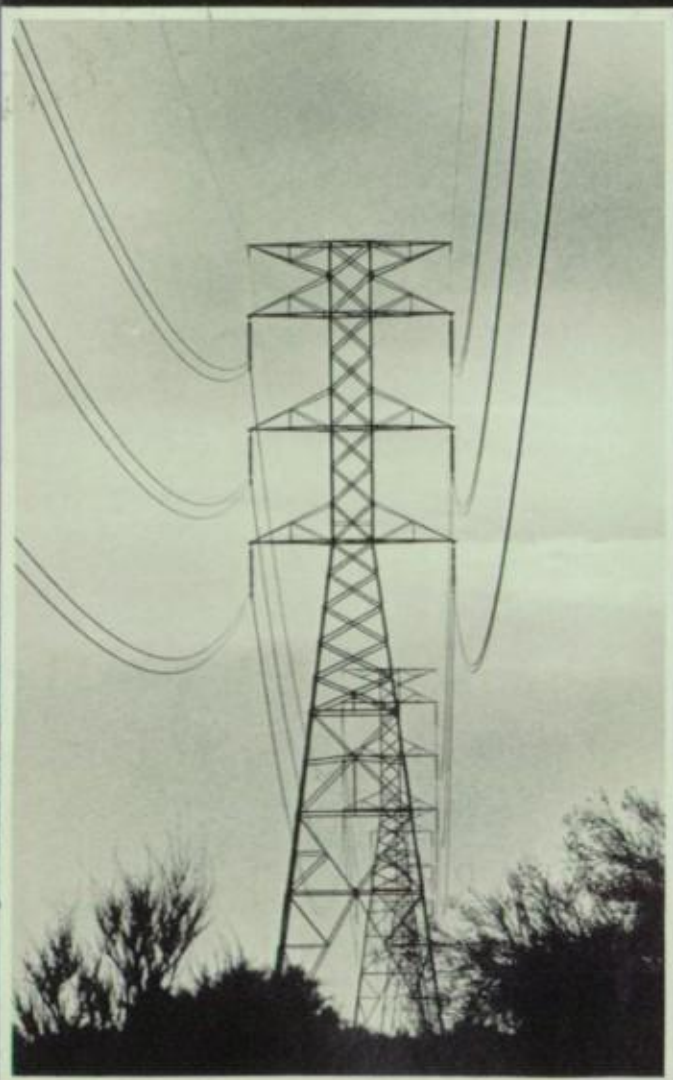

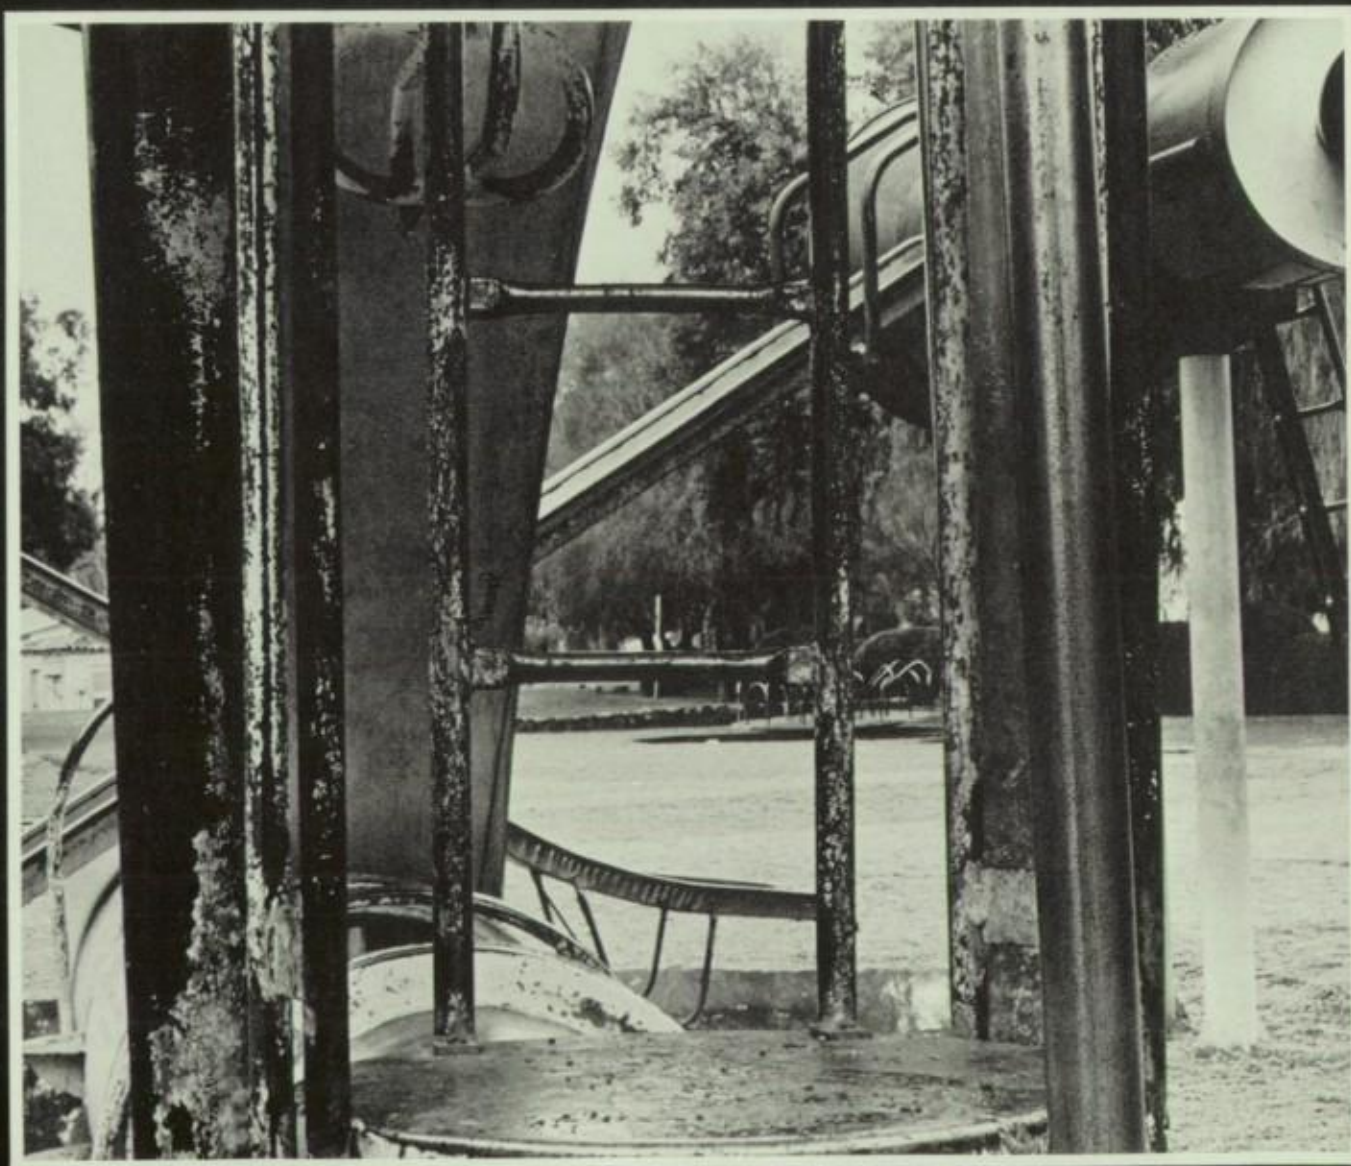

I believe in sunshine,
even when clouds block the sun's rays.
I believe beauty can be found everywhere,
even when ugliness prevails.
I believe in dreams and fairytales,
love and laughter,
friends and fun.
I believe in sharing and caring.
giving and growing,
silence and solitude.
I believe in tears and triumphs,
kisses and cuddles,
sorrows and tomorrows
I believe in enjoying and enduring,
living and learning.
Yes, I believe in Life!

-R.C.H.

today i saw the sun rise,
 as bright as a prism
 and as promising as the rainbows reflected.
 rolls of white billowing clouds floated slowly,
 lighting the sky with the sweetness of cottoncandy.
 And while watching the awesome beauty,
 i realized there is time for everything.
 there's a time to laugh, a time to cry.
 a time for learning,
 for excercising our minds and our souls.
 there's a time to grow fully to our ability.
 we step into adulthood grasping youthful dreams,
 holding on those from childhood;
 cherishing memories and moments
 from childhood days,
 hoping to salvage something useful ...
 Time is on our side.
 we, the young people have the time and strength
 for becoming anything we want to be.
 we can,
 if we think we can.

-R.C.H.

A book — FULL OF YESTERDAYS AND TOMORROWS.

Tomorrow isn't a sudden thing;
a spotless babe that comes at last.
Tomorrow is a thing slowly molded
By moments that have passed.

It's made of hopes and dreams you have hidden
and of dreams that have been rejected.
It's made of all your past joys and sorrows,
And of past mistakes that have been corrected.

It's made of teaching taught to you,
And friends (and foes) you've had
With every molding of our Todays is
The materials in which Tomorrow is clad.

It's made of work, pain, and hardships,
And lots of love, laughter and song.
Every minute of Today is used to help
The building of tomorrow along.

Tomorrow doesn't come complete
With the rising of the new day's sun
Tomorrow is assembled slowly,
Made of yesterdays well done.

R.C.H.
